

SENATE MEMORIAL 2

57TH LEGISLATURE - STATE OF NEW MEXICO - FIRST SESSION, 2025

INTRODUCED BY

Pat Woods

This document may incorporate amendments proposed by a committee, but not yet adopted, as well as amendments that have been adopted during the current legislative session. The document is a tool to show amendments in context and cannot be used for the purpose of adding amendments to legislation.

A MEMORIAL

REQUESTING THE NEW MEXICO LEGISLATIVE COUNCIL TO DIRECT THE CREATION OF A WILDFIRE STUDY GROUP TO STUDY AND DEVELOP A COMPREHENSIVE APPROACH TO ADDRESS AND MITIGATE WILDFIRES IN NEW MEXICO.

WHEREAS, New Mexico has endured yet another wildfire season, among the most devastating in state history; and

WHEREAS, it is important to ensure that the priorities of

first responders, local, state and federal officials, utilities, landowners and other stakeholders are aligned; and

WHEREAS, this is an opportunity to prioritize safety, preservation of life and protection of property and animals by taking action to prevent catastrophic wildfires from occurring and quickly and efficiently extinguish wildfires that do occur; and

WHEREAS, these priorities can be more easily attained by providing strategic state support to public and private wildfire prevention and mitigation efforts; and

WHEREAS, a study group would be a collaborative effort to align activities in support of forest management, community protection, utilities and state efforts;

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE STATE OF NEW MEXICO that the New Mexico legislative council be requested to direct the creation of a study group that will include stakeholders to study, develop and make recommendations to the appropriate interim legislative committee for a comprehensive statewide approach to address, avoid and mitigate wildfires, including recommendations for necessary funding and proposed legislation; and

BE IT FURTHER RESOLVED that the goals of the study group in developing recommendations include identifying areas that are most at risk for catastrophic wildfires; ensuring that emergency response plans are developed with stakeholders,
