## Language Preservation

## Supporting Students to graduation

# After School Activities

## Tutoring & Homework Help

## Traditional Activities

# Extended Learning Opportunities

**Washington, D.C.**

**AIHEC Student Conference**

# Exponential Possibilities

## Support of Students

- This summer we worked to help 8 more students make it to graduation
- Attendance follow-up with support services to find root causes
- Extended evening hours and Saturday hours

## What's Possible?!

- With proper funding for staffing
- More curriculum development for language and culture classes
- Follow-up services for students and families struggling
