Taos Pueblo Preservation Program

The Taos Pueblo Preservation Program (TPPP) strives to protect and preserve the cultural heritage of Taos Pueblo as a traditional living community.

The Taos Pueblo Preservation Program (TPPP) is a multiyear effort to restore and protect the irreplaceable multi-storied adobe homes located at Taos Pueblo.

TPPP has also trained and employed Taos Pueblo members as supervisors and apprentices with the aim of training a new generation in both traditional pueblo and modern construction methods.
