College of Business Administration Bachelor of Business Administration in Project Management

The BBA degree is awarded to those students who satisfactorily complete all course work in one of three major fields of study Management, Accounting, or Project Management. It is designed for students who intend to pursue a business career at the professional level.

This major is designed to meet the professional development needs of individual program and project responsibilities. Project Management is applicable in a wide range of business activities as it involves the application of knowledge, skills, tools, and techniques shaped by the specifications and requirements of a particular project.
