RE: **Meeting Notice**
State-Local Government Historic Review Board
State of New Mexico Proposed Executive Office Building and Demolition Request

Dear Community Members and Neighbors:

A meeting of the State-Local Government Historic Review Board will be held on Wednesday, June 26, 2024, in Room 321 of the State Capitol from 1:00 to 4:00 p.m.

The State-Local Government Historic Review Board was created pursuant to the Historic District and Landmark Act, specifically Section 3-22-6 (G) NMSA 1978, because issues remain unresolved regarding the proposed demolition of certain buildings on the 400 block of Don Gaspar Avenue. The board is composed of members appointed by the State of New Mexico and the City of Santa Fe. At issue are structures that the state has identified for demolition so that an Executive Office Building can be constructed on the site in question.

The meeting is open to the public and will be webcast on the legislature's website at <https://sg001-harmony.sliq.net/00293/harmony>. Public comment will be accepted in person and by video conference. An agenda and additional information will be posted on the legislature's website (<https://www.nmlegis.gov/>) in advance of the meeting.

Thank you.
