

2022 Higher Education Subcommittee Hearing Proposals

May Subcommittee

LegisSTAT: Enrollment Management - Stephanie Rodriguez, Secretary, Higher Education Department

- 60 minutes: This session will follow up on a prior LegisSTAT hearing to review data on enrollment, retention, and timely graduation. Session will focus on enrollment management plans required in the GAA.

Status Report on Higher Education Nonrecurring Initiatives – HED Staff

- 30 minutes: This session will provide an update from HED staff on the distribution of endowment funds and process for disbursement of research grant funding.

Opportunity Scholarship – HED Staff

- 30 minutes: This session will provide an update from HED on rules governing the opportunity scholarship and fiscal solvency of the fund.

August Subcommittee

At-Risk Student Interventions – Professional LegisSTAT/Higher Ed facilitator

- 60 minutes: This break-out session will allow members to ask questions and discuss options for improving student support services.
- 30 minutes: The breakout groups will re-convene to report their discussion and suggestions to the full committee.

October Subcommittee

LegisSTAT: Enrollment Management – Stephanie Rodriguez, Secretary, Higher Education Department

- 60 minutes: This session will follow up on the prior LegisSTAT hearing to review data on enrollment, retention, and timely graduation. Session will focus on enrollment management plans required in the GAA. Take up of opportunity scholarship with estimated cost, and preliminary enrollment data.

Higher Education Capital Outlay – LFC Staff

- 30 minutes: This session will provide an update on the use of appropriations for Native American students.
