

NOTICE OF INTENT TO AWARD A SOLE SOURCE CONTRACT
APRIL 9, 2018
LEGISLATIVE COUNCIL SERVICE (LCS)

Counsel for Ongoing Litigation

The legislature requires the services of counsel to complete ongoing litigation concerning the State Capitol Parking Facility. Due to the unique nature of this proceeding, the required knowledge of and experience in this proceeding, the immediacy of the proceeding and the necessity of continuity in the prosecution of the case, the director of the LCS, as chief procurement officer, has determined that Hinkle Shanor L.L.P. is uniquely qualified to perform the required legal services. Hinkle Shanor L.L.P. conducted the initial research into the case and filed on behalf of the LCS the original complaint in district court and is currently conducting discovery. Changing counsel at this time would result in both increased costs to the state and delay in resolution of the case. Accordingly, the director has made a sole source determination for Hinkle Shanor L.L.P. to continue representing the LCS in this litigation at its current contract rate.
