SUMMARY

Synopsis of Bill

The memorial requires the Department of Health and the Human Services Department to act as lead agencies to develop a coordinated and comprehensive system of delivery of health care services for children in Grant county.

FISCAL IMPLICATIONS

The Department of Health suggests the activities in the memorial may be phased in through a two or three year plan with the Turning Point program funding a contract facilitator and the Masters in Public Health programs at either UNM or NMSU also contributing funds.

ADMINISTRATIVE IMPLICATIONS

The Department of Health indicates implementation of the memorial would require significant staff time.

CONFLICT/DUPLICATION/COMPANIONSHIP/RELATIONSHIP

The memorial relates to SJM48 and SJM50, Examine the NM Health System.

TECHNICAL ISSUES

A suggested amendment to the memorial is to have the groups also report to the Legislature's interim health and human services committee.
