according to the following rules:

(1) Conflicting perfected security interests and agricultural liens rank according to priority in time of filing or perfection. Priority dates from the earlier of the time a filing covering the collateral is first made or the security interest or agricultural lien is first perfected, if there is no period thereafter when there is neither filing nor perfection.

(2) A perfected security interest or agricultural lien has priority over a conflicting unperfected security interest or agricultural lien.

(3) The first security interest or agricultural lien to attach or become effective has priority if conflicting security interests and agricultural liens are unperfected.

(1) is made while the security interest is perfected only:

(A) under Section 55-9-309 NMSA 1978 when it attaches; or

(B) temporarily under Subsection (e), (f) or (g) of Section 55-9-312 NMSA 1978; and

(a) Chapter 55, Article 9 NMSA 1978 does not limit the rights of a holder in due course of a negotiable instrument, a holder to which a negotiable document of title has been duly negotiated or a protected purchaser of a security. These holders or purchasers take priority over an earlier security interest, even if perfected, to the extent provided in Chapter 55, Articles 3, 7 and 8 NMSA 1978.

(b) Chapter 55, Article 9 NMSA 1978 does not limit the rights of or impose liability on a person to the extent that the person is protected against the assertion of an adverse claim under Chapter 55, Article 8 NMSA 1978.

(c) Filing under Chapter 55, Article 9 NMSA 1978 does not constitute notice of a claim or defense to the holders, or purchasers, or persons described in Subsections

(a) and (b) of this section. "

Section 52. A new Section 55-9-332 NMSA 1978 is enacted to read:

"55-9-332. TRANSFER OF MONEY--TRANSFER OF FUNDS FROM DEPOSIT ACCOUNT.

(a) A transferee of money takes the money free of a security interest unless the transferee acts in collusion with the debtor in violating the rights of the secured party.

(b) A transferee of funds from a deposit account takes the funds free of a security interest in the deposit account unless the transferee acts in collusion with the debtor in violating the rights of the secured party. "

Section 53. A new Section 55-9-333 NMSA 1978 is enacted to read:

"55-9-333. PRIORITY OF CERTAIN LIENS ARISING BY OPERATION OF LAW. --

(a) In this section, "possessory lien" means an interest, other than a security interest or an agricultural lien:

(1) that secures payment or performance of an obligation for services or materials furnished with respect to goods by a person in the ordinary course of the person's business;

(2) that is created by statute or rule of law in favor of the person; and

(3) whose effectiveness depends on the person's possession of the goods.

(b) A possessory lien on goods has priority over a security interest in the goods unless the lien is created by a statute that expressly provides otherwise. "

Section 54. A new Section 55-9-334 NMSA 1978 is enacted to read:

"55-9-334. PRIORITY OF SECURITY INTERESTS IN FIXTURES. --

(a) A security interest under Chapter 55, Article 9 NMSA 1978 may be created in goods that are fixtures or may continue in goods that become fixtures. A security interest does not exist under this article in ordinary building materials incorporated into an improvement on land.

(b) Chapter 55, Article 9 NMSA 1978 does not prevent creation of an encumbrance upon fixtures under real property law.

(c) In cases not governed by Subsections (d) through (h) of this section, a security interest in fixtures is subordinate to a conflicting interest of an encumbrancer or owner of the related real property other than the debtor.

(d) Except as otherwise provided in Subsection (h) of this section, a perfected security interest in fixtures has priority over a conflicting interest of an encumbrancer or owner of the real property if the debtor has

an interest of record in or is in possession of the real property and:

(1) the security interest is a purchase-money security interest;

(2) the interest of the encumbrancer or owner arises before the goods become fixtures; and

(3) the security interest is perfected by a fixture filing before the goods become fixtures or within twenty days thereafter.

(e) A perfected security interest in fixtures has priority over a conflicting interest of an encumbrancer or owner of the real property if:

(1) the debtor has an interest of record in the real property or is in possession of the real property and the security interest:

(A) is perfected by a fixture filing before the interest of the encumbrancer or owner is of record; and

(B) has priority over any conflicting interest of a predecessor in title of the encumbrancer or owner;

(2) before the goods become fixtures, the security interest is perfected by any method permitted by Chapter 55, Article 9 NMSA 1978, and the fixtures are readily removable:

(A) factory or office machines;

(B) equipment that is not primarily used or leased for use in the operation of the real property; or

(C) replacements of domestic appliances that are consumer goods;

(3) the conflicting interest is a lien on the real property obtained by legal or equitable proceedings after the security interest was perfected by any method permitted by this article; or

(4) the security interest is:

(A) created in a manufactured home in a manufactured-home transaction; and

(B) perfected pursuant to a statute described in Paragraph (2) of Subsection (a) of Section 55-9-311 NMSA 1978.

(f) A security interest in fixtures, whether or not perfected, has priority over a conflicting interest of an encumbrancer or owner of the real property if:

(1) the encumbrancer or owner has, in an authenticated record, consented to the security interest or disclaimed an interest in the goods as fixtures; or

(2) the debtor has a right to remove the goods as against the encumbrancer or owner.

(g) The priority of the security interest under

Paragraph (2) of Subsection (f) of this section continues for a reasonable time if the debtor's right to remove the goods as against the encumbrancer or owner terminates.

(h) A mortgage is a construction mortgage to the extent that it secures an obligation incurred for the construction of an improvement on land, including the acquisition cost of the land, if a recorded record of the mortgage so indicates. Except as otherwise provided in Subsections (e) and (f) of this section, a security interest in fixtures is subordinate to a construction mortgage if a record of the mortgage is recorded before the goods become fixtures and the goods become fixtures before the completion of the construction. A mortgage has this priority to the same extent as a construction mortgage to the extent that it is given to refinance a construction mortgage."

Section 55. A new Section 55-9-335 NMSA 1978 is enacted to read:

"55-9-335. ACCESSIONS. --

(a) A security interest may be created in an accession and continues in collateral that becomes an accession.

(b) If a security interest is perfected when the collateral becomes an accession, the security interest remains perfected in the collateral.

(c) Except as otherwise provided in Subsection

(d) of this section, the other provisions of this part determine the priority of a security interest in an accession.

(d) A security interest in an accession is subordinate to a security interest in the whole which is perfected by compliance with the requirements of a certificate-of-title statute under Subsection (b) of Section 55-9-311 NMSA 1978.

(e) After default, subject to Sections 55-9-601 through 55-9-628 NMSA 1978, a secured party may remove an accession from other goods if the security interest in the accession has priority over the claims of every person having an interest in the whole.

(f) A secured party that removes an accession from other goods under Subsection (e) of this section shall promptly reimburse any holder of a security interest or other lien on, or owner of, the whole or of the other goods, other than the debtor, for the cost of repair of any physical injury to the whole or the other goods. The secured party need not reimburse the holder or owner for any diminution in value of the whole or the other goods caused by the absence of the accession removed or by any necessity for replacing it. A person entitled to reimbursement may refuse permission to remove until the secured party gives adequate assurance for the performance of the obligation to reimburse."

Section 56. A new Section 55-9-336 NMSA 1978 is enacted to read:

"55-9-336. COMMINGLED GOODS. --

(a) In this section, "commingled goods" means goods that are physically united with other goods in such a manner that their identity is lost in a product or mass.

(b) A security interest does not exist in commingled goods as such. However, a security interest may attach to a product or mass that results when goods become commingled goods.

(c) If collateral becomes commingled goods, a security interest attaches to the product or mass.

(d) If a security interest in collateral is perfected before the collateral becomes commingled goods, the security interest that attaches to the product or mass under Subsection (c) of this section is perfected.

(e) Except as otherwise provided in Subsection (f) of this section, the other provisions of Sections 55-9-301 through 55-9-342 NMSA 1978 determine the priority of a security interest that attaches to the product or mass under Subsection (c) of this section.

(f) If more than one security interest attaches to the product or mass under Subsection (c) of this section, the following rules determine priority:

(1) a security interest that is perfected

under Subsection (d) of this section has priority over a security interest that is unperfected at the time the collateral becomes commingled goods; or

(2) if more than one security interest is perfected under Subsection (d) of this section, the security interests rank equally in proportion to the value of the collateral at the time it became commingled goods."

Section 57. A new Section 55-9-337 NMSA 1978 is enacted to read:

"55-9-337. PRIORITY OF SECURITY INTERESTS IN GOODS COVERED BY CERTIFICATE OF TITLE. -- If, while a security interest in goods is perfected by any method under the law of another jurisdiction, this state issues a certificate of title that does not show that the goods are subject to the security interest or contain a statement that they may be subject to security interests not shown on the certificate:

(1) a buyer of the goods, other than a person in the business of selling goods of that kind, takes free of the security interest if the buyer gives value and receives delivery of the goods after issuance of the certificate and without knowledge of the security interest; and

(2) the security interest is subordinate to a conflicting security interest in the goods that attaches, and is perfected under Subsection (b) of Section 55-9-311 NMSA 1978, after issuance of the certificate and without the

conflicting secured party's knowledge of the security interest. "

Section 58. A new Section 55-9-338 NMSA 1978 is enacted to read:

"55-9-338. PRIORITY OF SECURITY INTEREST OR AGRICULTURAL LIEN PERFECTED BY FILED FINANCING STATEMENT PROVIDING CERTAIN INCORRECT INFORMATION. --If a security interest or agricultural lien is perfected by a filed financing statement providing information described in Paragraph (5) of Subsection (b) of Section 55-9-516 NMSA 1978 which is incorrect at the time the financing statement is filed:

(1) the security interest or agricultural lien is subordinate to a conflicting perfected security interest in the collateral to the extent that the holder of the conflicting security interest gives value in reasonable reliance upon the incorrect information; and

(2) a purchaser, other than a secured party, of the collateral takes free of the security interest or agricultural lien to the extent that, in reasonable reliance upon the incorrect information, the purchaser gives value and, in the case of chattel paper, documents, goods, instruments or a security certificate, receives delivery of the collateral. "

Section 59. A new Section 55-9-339 NMSA 1978 is

enacted to read:

"55-9-339. PRIORITY SUBJECT TO SUBORDINATION. -- Chapter 55, Article 9 NMSA 1978 does not preclude subordination by agreement by a person entitled to priority."

Section 60. A new Section 55-9-340 NMSA 1978 is enacted to read:

"55-9-340. EFFECTIVENESS OF RIGHT OF RECOUPMENT OR SET-OFF AGAINST DEPOSIT ACCOUNT. --

(a) Except as otherwise provided in Subsection (c) of this section, a bank with which a deposit account is maintained may exercise any right of recoupment or set-off against a secured party that holds a security interest in the deposit account.

(b) Except as otherwise provided in Subsection (c) of this section, the application of Chapter 55, Article 9 NMSA 1978 to a security interest in a deposit account does not affect a right of recoupment or set-off of the secured party as to a deposit account maintained with the secured party.

(c) The exercise by a bank of a set-off against a deposit account is ineffective against a secured party that holds a security interest in the deposit account which is perfected by control under Paragraph (3) of Subsection (a) of Section 55-9-104 NMSA 1978, if the set-off is based on a claim against the debtor."

Section 61. A new Section 55-9-341 NMSA 1978 is enacted to read:

"55-9-341. BANK'S RIGHTS AND DUTIES WITH RESPECT TO DEPOSIT ACCOUNT.--Except as otherwise provided in Subsection (c) of Section 55-9-340 NMSA 1978, and unless the bank otherwise agrees in an authenticated record, a bank's rights and duties with respect to a deposit account maintained with the bank are not terminated, suspended or modified by:

(1) the creation, attachment or perfection of a security interest in the deposit account;

(2) the bank's knowledge of the security interest; or

(3) the bank's receipt of instructions from the secured party. "

Section 62. A new Section 55-9-342 NMSA 1978 is enacted to read:

"55-9-342. BANK'S RIGHT TO REFUSE TO ENTER INTO OR DISCLOSE EXISTENCE OF CONTROL AGREEMENT.--Chapter 55, Article 9 NMSA 1978 does not require a bank to enter into an agreement of the kind described in Paragraph (2) of Subsection (a) of Section 55-9-104 NMSA 1978, even if its customer so requests or directs. A bank that has entered into such an agreement is not required to confirm the existence of the agreement to another person unless requested

to do so by its customer."

Section 63. Section 55-9-401 NMSA 1978 (being Laws 1961, Chapter 96, Section 9-401, as amended) is repealed and a new Section 55-9-401 NMSA 1978 is enacted to read:

"55-9-401. ALIENABILITY OF DEBTOR'S RIGHTS. --

(a) Except as otherwise provided in Subsection (b) of this section and Sections 55-9-406 through 55-9-409 NMSA 1978, whether a debtor's rights in collateral may be voluntarily or involuntarily transferred is governed by law other than Chapter 55, Article 9 NMSA 1978.

(b) An agreement between the debtor and secured party which prohibits a transfer of the debtor's rights in collateral or makes the transfer a default does not prevent the transfer from taking effect."

Section 64. Section 55-9-402 NMSA 1978 (being Laws 1961, Chapter 96, Section 9-402, as amended) is repealed and a new Section 55-9-402 NMSA 1978 is enacted to read:

"55-9-402. SECURED PARTY NOT OBLIGATED ON CONTRACT OF DEBTOR OR IN TORT. --The existence of a security interest, agricultural lien or authority given to a debtor to dispose of or use collateral, without more, does not subject a secured party to liability in contract or tort for the debtor's acts or omissions."

Section 65. Section 55-9-403 NMSA 1978 (being Laws 1961, Chapter 96, Section 9-403, as amended) is repealed and

a new Section 55-9-403 NMSA 1978 is enacted to read:

"55-9-403. AGREEMENT NOT TO ASSERT DEFENSES AGAINST ASSIGNEE. --

(a) In this section, "value" has the meaning provided in Subsection (a) of Section 55-3-303 NMSA 1978.

(b) Except as otherwise provided in this section, an agreement between an account debtor and an assignor not to assert against an assignee any claim or defense that the account debtor may have against the assignor is enforceable by an assignee that takes an assignment:

- (1) for value;
- (2) in good faith;
- (3) without notice of a claim of a property or possessory right to the property assigned; and
- (4) without notice of a defense or claim in recoupment of the type that may be asserted against a person entitled to enforce a negotiable instrument under Subsection (a) of Section 55-3-305 NMSA 1978.

(c) Subsection (b) of this section does not apply to defenses of a type that may be asserted against a holder in due course of a negotiable instrument under Subsection (b) of Section 55-3-305 NMSA 1978.

(d) In a consumer transaction, if a record evidences the account debtor's obligation, law other than Chapter 55, Article 9 NMSA 1978 requires that the record

include a statement to the effect that the rights of an assignee are subject to claims or defenses that the account debtor could assert against the original obligee, and if the record does not include such a statement:

(1) the record has the same effect as if the record included such a statement; and

(2) the account debtor may assert against an assignee those claims and defenses that would have been available if the record included such a statement.

(e) This section is subject to law other than Chapter 55, Article 9 NMSA 1978 which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family or household purposes.

(f) Except as otherwise provided in Subsection (d) of this section, this section does not displace law other than Chapter 55, Article 9 NMSA 1978 which gives effect to an agreement by an account debtor not to assert a claim or defense against an assignee. "

Section 66. Section 55-9-404 NMSA 1978 (being Laws 1961, Chapter 96, Section 9-404, as amended) is repealed and a new Section 55-9-404 NMSA 1978 is enacted to read:

"55-9-404. RIGHTS ACQUIRED BY ASSIGNEE-- CLAIMS AND DEFENSES AGAINST ASSIGNEE. --

(a) Unless an account debtor has made an

enforceable agreement not to assert defenses or claims, and subject to Subsections (b) through (e) of this section, the rights of an assignee are subject to:

(1) all terms of the agreement between the account debtor and assignor and any defense or claim in recoupment arising from the transaction that gave rise to the contract; and

(2) any other defense or claim of the account debtor against the assignor which accrues before the account debtor receives a notification of the assignment authenticated by the assignor or the assignee.

(b) Subject to Subsection (c) of this section and except as otherwise provided in Subsection (d) of this section, the claim of an account debtor against an assignor may be asserted against an assignee under Subsection (a) of this section only to reduce the amount the account debtor owes.

(c) This section is subject to law other than Chapter 55, Article 9 NMSA 1978 which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family or household purposes.

(d) In a consumer transaction, if a record evidences the account debtor's obligation, law other than Chapter 55, Article 9 NMSA 1978 requires that the record

include a statement to the effect that the account debtor's recovery against an assignee with respect to claims and defenses against the assignor may not exceed amounts paid by the account debtor under the record, and if the record does not include such a statement, the extent to which a claim of an account debtor against the assignor may be asserted against an assignee is determined as if the record included such a statement.

(e) This section does not apply to an assignment of a health-care-insurance receivable. "

Section 67. Section 55-9-405 NMSA 1978 (being Laws 1961, Chapter 96, Section 9-405, as amended) is repealed and a new Section 55-9-405 NMSA 1978 is enacted to read:

"55-9-405. MODIFICATION OF ASSIGNED CONTRACT. --

(a) A modification of or substitution for an assigned contract is effective against an assignee if made in good faith. The assignee acquires corresponding rights under the modified or substituted contract. The assignment may provide that the modification or substitution is a breach of contract by the assignor. This subsection is subject to Subsections (b) through (d) of this section.

(b) Subsection (a) of this section applies to the extent that:

(1) the right to payment or a part thereof under an assigned contract has not been fully earned by

performance; or

(2) the right to payment or a part thereof has been fully earned by performance and the account debtor has not received notification of the assignment under Subsection (a) of Section 55-9-406 NMSA 1978.

(c) This section is subject to law other than Chapter 55, Article 9 NMSA 1978 which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family or household purposes.

(d) This section does not apply to an assignment of a health-care-insurance receivable. "

Section 68. Section 55-9-406 NMSA 1978 (being Laws 1961, Chapter 96, Section 9-406, as amended) is repealed and a new Section 55-9-406 NMSA 1978 is enacted to read:

"55-9-406. DISCHARGE OF ACCOUNT DEBTOR--NOTIFICATION OF ASSIGNMENT--IDENTIFICATION AND PROOF OF ASSIGNMENT--RESTRICTIONS ON ASSIGNMENT OF ACCOUNTS, CHATTEL PAPER, PAYMENT INTANGIBLES AND PROMISSORY NOTES INEFFECTIVE.--

(a) Subject to Subsections (b) through (i) of this section, an account debtor on an account, chattel paper or a payment intangible may discharge its obligation by paying the assignor until, but not after, the account debtor receives a notification, authenticated by the assignor or the assignee, that the amount due or to become due has been

assigned and that payment is to be made to the assignee. After receipt of the notification, the account debtor may discharge its obligation by paying the assignee and may not discharge the obligation by paying the assignor.

(b) Subject to Subsection (h) of this section, notification is ineffective under Subsection (a) of this section:

(1) if it does not reasonably identify the rights assigned;

(2) to the extent that an agreement between an account debtor and a seller of a payment intangible limits the account debtor's duty to pay a person other than the seller and the limitation is effective under law other than Chapter 55, Article 9 NMSA 1978; or

(3) at the option of an account debtor, if the notification notifies the account debtor to make less than the full amount of any installment or other periodic payment to the assignee, even if:

(A) only a portion of the account, chattel paper or payment intangible has been assigned to that assignee;

(B) a portion has been assigned to another assignee; or

(C) the account debtor knows that the assignment to that assignee is limited.

(c) Subject to Subsection (h) of this section, if requested by the account debtor, an assignee shall seasonably furnish reasonable proof that the assignment has been made. Unless the assignee complies, the account debtor may discharge its obligation by paying the assignor, even if the account debtor has received a notification under Subsection (a) of this section.

(d) Except as otherwise provided in Subsection (e) of this section and Sections 55-2A-303 and 55-9-407 NMSA 1978, and subject to Subsection (h) of this section, a term in an agreement between an account debtor and an assignor or in a promissory note is ineffective to the extent that it:

(1) prohibits, restricts or requires the consent of the account debtor or person obligated on the promissory note to the assignment or transfer of, or the creation, attachment, perfection or enforcement of a security interest in, the account, chattel paper, payment intangible or promissory note; or

(2) provides that the assignment or transfer or the creation, attachment, perfection or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination or remedy under the account, chattel paper, payment intangible or promissory note.

(e) Subsection (d) of this section does not apply

to the sale of a payment intangible or promissory note.

(f) Except as otherwise provided in Sections 55-2A-303 and 55-9-407 NMSA 1978 and subject to Subsections (h) and (i) of this section, a rule of law, statute or regulation that prohibits, restricts or requires the consent of a government, governmental body or official, or account debtor to the assignment or transfer of, or creation of a security interest in, an account or chattel paper is ineffective to the extent that the rule of law, statute or regulation:

(1) prohibits, restricts or requires the consent of the government, governmental body or official, or account debtor to the assignment or transfer of, or the creation, attachment, perfection or enforcement of a security interest in the account or chattel paper; or

(2) provides that the assignment or transfer or the creation, attachment, perfection or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination or remedy under the account or chattel paper.

(g) Subject to Subsection (h) of this section, an account debtor may not waive or vary its option under Paragraph (3) of Subsection (b) of this section.

(h) This section is subject to law other than Chapter 55, Article 9 NMSA 1978 which establishes a different

rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family or household purposes.

(i) This section does not apply to an assignment of a health-care-insurance receivable.

(j) This section is subject to laws other than Chapter 55, Article 9 NMSA 1978 to the extent that those laws prohibit or restrict the assignment, transfer of or creation of a security interest in benefits, compensation, any other account or chattel paper."

Section 69. Section 55-9-407 NMSA 1978 (being Laws 1961, Chapter 96, Section 9-407, as amended) is repealed and a new Section 55-9-407 NMSA 1978 is enacted to read:

"55-9-407. RESTRICTIONS ON CREATION OR ENFORCEMENT OF SECURITY INTEREST IN LEASEHOLD INTEREST OR IN LESSOR'S RESIDUAL INTEREST. --

(a) Except as otherwise provided in Subsection (b) of this section, a term in a lease agreement is ineffective to the extent that it:

(1) prohibits, restricts or requires the consent of a party to the lease to the assignment or transfer of, or the creation, attachment, perfection or enforcement of a security interest in an interest of a party under the lease contract or in the lessor's residual interest in the goods;
or

(2) provides that the assignment or transfer or the creation, attachment, perfection or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination or remedy under the lease.

(b) Except as otherwise provided in Subsection (7) of Section 55-2A-303 NMSA 1978, a term described in Paragraph (2) of Subsection (a) of this section is effective to the extent that there is:

(1) a transfer by the lessee of the lessee's right of possession or use of the goods in violation of the term; or

(2) a delegation of a material performance of either party to the lease contract in violation of the term.

(c) The creation, attachment, perfection or enforcement of a security interest in the lessor's interest under the lease contract or the lessor's residual interest in the goods is not a transfer that materially impairs the lessee's prospect of obtaining return performance or materially changes the duty of or materially increases the burden or risk imposed on the lessee within the purview of Subsection (4) of Section 55-2A-303 NMSA 1978 unless, and then only to the extent that, enforcement actually results in a delegation of material performance of the lessor. "

Section 70. Section 55-9-408 NMSA 1978 (being Laws 1985, Chapter 193, Section 33) is repealed and a new Section 55-9-408 NMSA 1978 is enacted to read:

"55-9-408. RESTRICTIONS ON ASSIGNMENT OF PROMISSORY NOTES, HEALTH-CARE-INSURANCE RECEIVABLES AND CERTAIN GENERAL INTANGIBLES INEFFECTIVE. --

(a) Except as otherwise provided in Subsection (b) of this section, a term in a promissory note or in an agreement between an account debtor and a debtor which relates to a health-care-insurance receivable or a general intangible, including a contract, permit, license or franchise, and which term prohibits, restricts or requires the consent of the person obligated on the promissory note or the account debtor to, the assignment or transfer of, or creation, attachment or perfection of a security interest in, the promissory note, health-care-insurance receivable or general intangible, is ineffective to the extent that the term:

(1) would impair the creation, attachment or perfection of a security interest; or

(2) provides that the assignment or transfer or the creation, attachment or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination or remedy under the promissory note, health-care-insurance

receivable or general intangible.

(b) Subsection (a) of this section applies to a security interest in a payment intangible or promissory note only if the security interest arises out of a sale of the payment intangible or promissory note.

(c) A rule of law, statute or regulation that prohibits, restricts or requires the consent of a government, governmental body or official, person obligated on a promissory note or account debtor to the assignment or transfer of, or creation of a security interest in, a promissory note, health-care-insurance receivable or general intangible, including a contract, permit, license or franchise between an account debtor and a debtor, is ineffective to the extent that the rule of law, statute or regulation:

(1) would impair the creation, attachment or perfection of a security interest; or

(2) provides that the assignment or transfer or the creation, attachment or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination or remedy under the promissory note, health-care-insurance receivable or general intangible.

(d) To the extent that a term in a promissory note or in an agreement between an account debtor and a

debtor which relates to a health-care-insurance receivable or general intangible or a rule of law, statute or regulation described in Subsection (c) of this section would be effective under law other than Chapter 55, Article 9 NMSA 1978 but is ineffective under Subsection (a) or (c) of this section, the creation, attachment or perfection of a security interest in the promissory note, health-care-insurance receivable or general intangible:

(1) is not enforceable against the person obligated on the promissory note or the account debtor;

(2) does not impose a duty or obligation on the person obligated on the promissory note or the account debtor;

(3) does not require the person obligated on the promissory note or the account debtor to recognize the security interest, pay or render performance to the secured party or accept payment or performance from the secured party;

(4) does not entitle the secured party to use or assign the debtor's rights under the promissory note, health-care-insurance receivable or general intangible, including any related information or materials furnished to the debtor in the transaction giving rise to the promissory note, health-care-insurance receivable or general intangible;

(5) does not entitle the secured party to

use, assign, possess or have access to any trade secrets or confidential information of the person obligated on the promissory note or the account debtor; and

(6) does not entitle the secured party to enforce the security interest in the promissory note, health-care-insurance receivable or general intangible. The provisions of this section shall prevail over an inconsistent provision of an existing or future statute or rule of this state, unless the inconsistent provision is set forth in a statute of this state that refers expressly to this section and states that the inconsistent provision shall prevail over the provisions of this section."

Section 71. A new Section 55-9-409 NMSA 1978 is enacted to read:

"55-9-409. RESTRICTIONS ON ASSIGNMENT OF LETTER-OF-CREDIT RIGHTS INEFFECTIVE. --

(a) A term in a letter of credit or a rule of law, statute, regulation, custom or practice applicable to the letter of credit which prohibits, restricts or requires the consent of an applicant, issuer or nominated person to a beneficiary's assignment of or creation of a security interest in a letter-of-credit right is ineffective to the extent that the term or rule of law, statute, regulation, custom or practice:

(1) would impair the creation, attachment or

perfection of a security interest in the letter-of-credit right; or

(2) provides that the assignment or the creation, attachment or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination or remedy under the letter-of-credit right.

(b) To the extent that a term in a letter of credit is ineffective under Subsection (a) of this section but would be effective under law other than Chapter 55, Article 9 NMSA 1978 or a custom or practice applicable to the letter of credit, to the transfer of a right to draw or otherwise demand performance under the letter of credit or to the assignment of a right to proceeds of the letter of credit, the creation, attachment or perfection of a security interest in the letter-of-credit right:

(1) is not enforceable against the applicant, issuer, nominated person or transferee beneficiary;

(2) imposes no duties or obligations on the applicant, issuer, nominated person or transferee beneficiary; and

(3) does not require the applicant, issuer, nominated person or transferee beneficiary to recognize the security interest, pay or render performance to the secured

party or accept payment or other performance from the secured party. "

Section 72. Section 55-9-501 NMSA 1978 (being Laws 1961, Chapter 96, Section 9-501, as amended) is repealed and a new Section 55-9-501 NMSA 1978 is enacted to read:

"55-9-501. FILING OFFICE. --

(1) the office of the county clerk where a record of a mortgage on the related real property would be recorded if:

(A) the collateral is as-extracted collateral or timber to be cut; or

(B) the financing statement is filed as a fixture filing and the collateral is goods that are or are to become fixtures; or

(2) the office of the secretary of state in all other cases, including a case in which the collateral is goods that are or are to become fixtures and the financing statement is not filed as a fixture filing.

(b) The office in which to file a financing statement to perfect a security interest in collateral,

including fixtures, of a transmitting utility is the office of the secretary of state. The financing statement also constitutes a fixture filing as to the collateral indicated in the financing statement which is or is to become fixtures. "

Section 73. Section 55-9-502 NMSA 1978 (being Laws 1961, Chapter 96, Section 9-502, as amended) is repealed and a new Section 55-9-502 NMSA 1978 is enacted to read:

"55-9-502. CONTENTS OF FINANCING STATEMENT--RECORD OF MORTGAGE AS FINANCING STATEMENT--TIME OF FILING FINANCING STATEMENT.--

(a) Subject to Subsection (b) of this section, a financing statement is sufficient only if it:

- (1) provides the name of the debtor;
- (2) provides the name of the secured party or a representative of the secured party; and
- (3) indicates the collateral covered by the financing statement.

(b) Except as otherwise provided in Subsection (b) of Section 55-9-501 NMSA 1978, to be sufficient a financing statement that covers as-extracted collateral or timber to be cut, or which is filed as a fixture filing and covers goods that are or are to become fixtures, must satisfy Subsection (a) of this section and also:

- (1) indicate that it covers this type of

collateral;

(2) indicate that it is to be filed for record in the real property records;

(3) provide a description of the real property to which the collateral is related sufficient to give constructive notice of a mortgage pursuant to the laws of this state if the description were contained in a record of the mortgage of the real property; and

(4) if the debtor does not have an interest of record in the real property, provide the name of a record owner.

(c) A record of a mortgage is effective, from the date it is filed for record, as a financing statement filed as a fixture filing or as a financing statement covering as-extracted collateral or timber to be cut only if:

(1) the record indicates the goods or accounts that it covers;

(2) the goods are or are to become fixtures related to the real property described in the record or the collateral is related to the real property described in the record and is as-extracted collateral or timber to be cut;

(3) the record satisfies the requirements for a financing statement in this section other than an indication that it is to be filed for record in the real property records; and

(4) the record is recorded.

(d) A financing statement may be filed before a security agreement is made or a security interest otherwise attaches. "

Section 74. Section 55-9-503 NMSA 1978 (being Laws 1961, Chapter 96, Section 9-503) is repealed and a new Section 55-9-503 NMSA 1978 is enacted to read:

"55-9-503. NAME OF DEBTOR AND SECURED PARTY. --

(a) A financing statement sufficiently provides the name of the debtor:

(1) if the debtor is a registered organization, only if the financing statement provides the name of the debtor indicated on the public record of the debtor's jurisdiction of organization which shows the debtor to have been organized;

(2) if the debtor is a decedent's estate, only if the financing statement provides the name of the decedent and indicates that the debtor is an estate;

(3) if the debtor is a trust or a trustee acting with respect to property held in trust, only if the financing statement:

(A) provides the name specified for the trust in its organic documents or, if no name is specified, provides the name of the settlor and additional information sufficient to distinguish the debtor from other

trusts having one or more of the same settlors; and

(B) indicates, in the debtor's name or otherwise, that the debtor is a trust or is a trustee acting with respect to property held in trust; and

(4) in other cases:

(A) if the debtor has a name, only if it provides the individual or organizational name of the debtor; and

(B) if the debtor does not have a name, only if it provides the names of the partners, members, associates or other persons comprising the debtor.

(b) A financing statement that provides the name of the debtor in accordance with Subsection (a) of this section is not rendered ineffective by the absence of:

(1) a trade name or other name of the debtor; or

(2) unless required under Subparagraph (B) of Paragraph (4) of Subsection (a) of this section, names of partners, members, associates or other persons comprising the debtor.

(c) A financing statement that provides only the debtor's trade name does not sufficiently provide the name of the debtor.

(d) Failure to indicate the representative capacity of a secured party or representative of a secured

party does not affect the sufficiency of a financing statement.

(e) A financing statement may provide the name of more than one debtor and the name of more than one secured party. "

Section 75. Section 55-9-504 NMSA 1978 (being Laws 1961, Chapter 96, Section 9-504, as amended) is repealed and a new Section 55-9-504 NMSA 1978 is enacted to read:

"55-9-504. INDICATION OF COLLATERAL. -- A financing statement sufficiently indicates the collateral that it covers if the financing statement provides:

(1) a description of the collateral pursuant to Section 55-9-108 NMSA 1978; or

(2) an indication that the financing statement covers all assets or all personal property. "

Section 76. Section 55-9-505 NMSA 1978 (being Laws 1961, Chapter 96, Section 9-505, as amended) is repealed and a new Section 55-9-505 NMSA 1978 is enacted to read:

"55-9-505. FILING AND COMPLIANCE WITH OTHER STATUTES AND TREATIES FOR CONSIGNMENTS, LEASES, OTHER BAILMENTS AND OTHER TRANSACTIONS. --

(a) A consignor, lessor, or other bailor of goods, a licensor or a buyer of a payment intangible or promissory note may file a financing statement, or may comply with a statute, regulation or treaty described in Subsection

(a) of Section 55-9-311 NMSA 1978, using the terms "consignor", "consignee", "lessor", "lessee", "bailor", "bailee", "licensor", "licensee", "owner", "registered owner", "buyer", "seller" or words of similar import, instead of the terms "secured party" and "debtor".

(b) Sections 55-9-501 through 55-9-526 NMSA 1978 apply to the filing of a financing statement under Subsection (a) of this section and, as appropriate, to compliance that is equivalent to filing a financing statement under Subsection (b) of Section 55-9-311 NMSA 1978, but the filing or compliance is not of itself a factor in determining whether the collateral secures an obligation. If it is determined for another reason that the collateral secures an obligation, a security interest held by the consignor, lessor, bailor, licensor, owner or buyer which attaches to the collateral is perfected by the filing or compliance."

Section 77. Section 55-9-506 NMSA 1978 (being Laws 1961, Chapter 96, Section 9-506) is repealed and a new Section 55-9-506 NMSA 1978 is enacted to read:

"55-9-506. EFFECT OF ERRORS OR OMISSIONS. --

(a) A financing statement substantially satisfying the requirements of Sections 55-9-501 through 55-9-526 NMSA 1978 is effective, even if it has minor errors or omissions, unless the errors or omissions make the financing statement seriously misleading.

(b) Except as otherwise provided in Subsection (c) of this section, a financing statement that fails sufficiently to provide the name of the debtor in accordance with Subsection (a) of Section 55-9-503 NMSA 1978 is seriously misleading.

(c) If a search of the records of the filing office under the debtor's correct name, using the filing office's standard search logic, if any, would disclose a financing statement that fails sufficiently to provide the name of the debtor in accordance with Subsection (a) of Section 55-9-503 NMSA 1978, the name provided does not make the financing statement seriously misleading.

(d) For purposes of Subsection (b) of Section 55-9-508 NMSA 1978, the "debtor's correct name" in Subsection (c) of this section means the correct name of the new debtor."

Section 78. Section 55-9-507 NMSA 1978 (being Laws 1961, Chapter 96, Section 9-507) is repealed and a new Section 55-9-507 NMSA 1978 is enacted to read:

"55-9-507. EFFECT OF CERTAIN EVENTS ON EFFECTIVENESS OF FINANCING STATEMENT. --

(a) A filed financing statement remains effective with respect to collateral that is sold, exchanged, leased, licensed or otherwise disposed of and in which a security interest or agricultural lien continues, even if the secured

party knows of or consents to the disposition.

(b) Except as otherwise provided in Subsection (c) of this section and Section 55-9-508 NMSA 1978, a financing statement is not rendered ineffective if, after the financing statement is filed, the information provided in the financing statement becomes seriously misleading under Section 55-9-506 NMSA 1978.

(c) If a debtor so changes its name that a filed financing statement becomes seriously misleading under Section 55-9-506 NMSA 1978:

(1) the financing statement is effective to perfect a security interest in collateral acquired by the debtor before, or within four months after, the change; and

(2) the financing statement is not effective to perfect a security interest in collateral acquired by the debtor more than four months after the change, unless an amendment to the financing statement which renders the financing statement not seriously misleading is filed within four months after the change. "

Section 79. A new Section 55-9-508 NMSA 1978 is enacted to read:

"55-9-508. EFFECTIVENESS OF FINANCING STATEMENT IF NEW DEBTOR BECOMES BOUND BY SECURITY AGREEMENT. --

(a) Except as otherwise provided in this section, a filed financing statement naming an original debtor is

effective to perfect a security interest in collateral in which a new debtor has or acquires rights to the extent that the financing statement would have been effective had the original debtor acquired rights in the collateral.

(b) If the difference between the name of the original debtor and that of the new debtor causes a filed financing statement that is effective under Subsection (a) of this section to be seriously misleading under Section 55-9-506 NMSA 1978:

(1) the financing statement is effective to perfect a security interest in collateral acquired by the new debtor before, and within four months after, the new debtor becomes bound under Subsection (d) of Section 55-9-203 NMSA 1978; and

(2) the financing statement is not effective to perfect a security interest in collateral acquired by the new debtor more than four months after the new debtor becomes bound under Subsection (d) of Section 55-9-203 NMSA 1978 unless an initial financing statement providing the name of the new debtor is filed before the expiration of that time.

(c) This section does not apply to collateral as to which a filed financing statement remains effective against the new debtor under Subsection (a) of Section 55-9-507 NMSA 1978. "

Section 80. A new Section 55-9-509 NMSA 1978 is

enacted to read:

"55-9-509. PERSONS ENTITLED TO FILE A RECORD. --

(a) A person may file an initial financing statement, amendment that adds collateral covered by a financing statement or amendment that adds a debtor to a financing statement only if:

(1) the debtor authorizes the filing in an authenticated record or pursuant to Subsection (b) or (c) of this section; or

(2) the person holds an agricultural lien that has become effective at the time of filing and the financing statement covers only collateral in which the person holds an agricultural lien.

(b) By authenticating or becoming bound as debtor by a security agreement, a debtor or new debtor authorizes the filing of an initial financing statement, and an amendment, covering:

(1) the collateral described in the security agreement; and

(2) property that becomes collateral under Paragraph (2) of Subsection (a) of Section 55-9-315 NMSA 1978, whether or not the security agreement expressly covers proceeds.

(c) By acquiring collateral in which a security interest or agricultural lien continues under Paragraph (1)

of Subsection (a) of Section 55-9-315 NMSA 1978, a debtor authorizes the filing of an initial financing statement, and an amendment, covering the collateral and property that becomes collateral under Paragraph (2) of Subsection (a) of Section 55-9-315 NMSA 1978.

(d) A person may file an amendment other than an amendment that adds collateral covered by a financing statement or an amendment that adds a debtor to a financing statement only if:

(1) the secured party of record authorizes the filing; or

(2) the amendment is a termination statement for a financing statement as to which the secured party of record has failed to file or send a termination statement as required by Subsection (a) or (c) of Section 55-9-513 NMSA 1978, the debtor authorizes the filing and the termination statement indicates that the debtor authorized it to be filed.

(e) If there is more than one secured party of record for a financing statement, each secured party of record may authorize the filing of an amendment under Subsection (d) of this section."

Section 81. A new Section 55-9-510 NMSA 1978 is enacted to read:

"55-9-510. EFFECTIVENESS OF FILED RECORD. --

(a) A filed record is effective only to the extent that it was filed by a person that may file it under Section 55-9-509 NMSA 1978.

(b) A record authorized by one secured party of record does not affect the financing statement with respect to another secured party of record.

(c) A continuation statement that is not filed within the six-month period prescribed by Subsection (d) of Section 55-9-515 NMSA 1978 is ineffective."

Section 82. A new Section 55-9-511 NMSA 1978 is enacted to read:

"55-9-511. SECURED PARTY OF RECORD. --

(a) A secured party of record with respect to a financing statement is a person whose name is provided as the name of the secured party or a representative of the secured party in an initial financing statement that has been filed. If an initial financing statement is filed under Subsection (a) of Section 55-9-514 NMSA 1978, the assignee named in the initial financing statement is the secured party of record with respect to the financing statement.

(b) If an amendment of a financing statement which provides the name of a person as a secured party or a representative of a secured party is filed, the person named in the amendment is a secured party of record. If an amendment is filed under Subsection (b) of Section 55-9-514

NMSA 1978, the assignee named in the amendment is a secured party of record.

(c) A person remains a secured party of record until the filing of an amendment of the financing statement which deletes the person."

Section 83. A new Section 55-9-512 NMSA 1978 is enacted to read:

"55-9-512. AMENDMENT OF FINANCING STATEMENT. --

(a) Subject to Section 55-9-509 NMSA 1978, a person may add or delete collateral covered by, continue or terminate the effectiveness of, or, subject to Subsection (e) of this section, otherwise amend the information provided in, a financing statement by filing an amendment that:

(1) identifies, by its file number, the initial financing statement to which the amendment relates; and

(2) if the amendment relates to an initial financing statement filed in a county clerk's office, provides the information specified in Subsection (b) of Section 55-9-502 NMSA 1978.

(b) Except as otherwise provided in Section 55-9-515 NMSA 1978, the filing of an amendment does not extend the period of effectiveness of the financing statement.

(c) A financing statement that is amended by an

amendment that adds collateral is effective as to the added collateral only from the date of the filing of the amendment.

(d) A financing statement that is amended by an amendment that adds a debtor is effective as to the added debtor only from the date of the filing of the amendment.

(e) An amendment is ineffective to the extent it:

(1) purports to delete all debtors and fails to provide the name of a debtor to be covered by the financing statement; or

(2) purports to delete all secured parties of record and fails to provide the name of a new secured party of record."

Section 84. A new Section 55-9-513 NMSA 1978 is enacted to read:

"55-9-513. TERMINATION STATEMENT. --

(a) A secured party shall cause the secured party of record for a financing statement to file a termination statement for the financing statement if the financing statement covers consumer goods and:

(1) there is no obligation secured by the collateral covered by the financing statement and no commitment to make an advance, incur an obligation or otherwise give value; or

(2) the debtor did not authorize the filing of the initial financing statement.

(b) To comply with Subsection (a) of this section, a secured party shall cause the secured party of record to file the termination statement:

(1) within one month after there is no obligation secured by the collateral covered by the financing statement and no commitment to make an advance, incur an obligation or otherwise give value; or

(2) if earlier, within twenty days after the secured party receives an authenticated demand from a debtor.

(c) In cases not governed by Subsection (a) of this section, within twenty days after a secured party receives an authenticated demand from a debtor, the secured party shall cause the secured party of record for a financing statement to send to the debtor a termination statement for the financing statement or file the termination statement in the filing office if:

(1) except in the case of a financing statement covering accounts or chattel paper that has been sold or goods that are the subject of a consignment, there is no obligation secured by the collateral covered by the financing statement and no commitment to make an advance, incur an obligation or otherwise give value;

(2) the financing statement covers accounts or chattel paper that has been sold but as to which the account debtor or other person obligated has discharged its

obligation;

(3) the financing statement covers goods that were the subject of a consignment to the debtor but are not in the debtor's possession; or

(4) the debtor did not authorize the filing of the initial financing statement.

(d) Except as otherwise provided in Section 55-9-510 NMSA 1978, upon the filing of a termination statement with the filing office, the financing statement to which the termination statement relates ceases to be effective. Except as otherwise provided in Section 55-9-510 NMSA 1978, for purposes of Subsection (c) of Section 55-9-519, Subsection (a) of Section 55-9-522 and Subsection (b) of Section 55-9-523 NMSA 1978, the filing with the filing office of a termination statement relating to a financing statement that indicates that the debtor is a transmitting utility also causes the effectiveness of the financing statement to lapse. "

Section 85. A new Section 55-9-514 NMSA 1978 is enacted to read:

"55-9-514. ASSIGNMENT OF POWERS OF SECURED PARTY OF RECORD. --

(a) Except as otherwise provided in Subsection (c) of this section, an initial financing statement may reflect an assignment of all of the secured party's power to

authorize an amendment to the financing statement by providing the name and mailing address of the assignee as the name and address of the secured party.

(b) Except as otherwise provided in Subsection (c) of this section, a secured party of record may assign of record all or part of its power to authorize an amendment to a financing statement by filing in the filing office an amendment of the financing statement which:

- (1) identifies, by its file number, the initial financing statement to which it relates;
- (2) provides the name of the assignor; and
- (3) provides the name and mailing address of the assignee.

(c) An assignment of a record of a security interest in a fixture covered by a record of a mortgage which is effective as a financing statement filed as a fixture filing pursuant to the provisions of Subsection (c) of Section 55-9-502 NMSA 1978 may be made only by an assignment of record of the mortgage in the manner provided by law of this state other than the Uniform Commercial Code."

Section 86. A new Section 55-9-515 NMSA 1978 is enacted to read:

"55-9-515. DURATION AND EFFECTIVENESS OF FINANCING STATEMENT-- EFFECT OF LAPSED FINANCING STATEMENT.--

- (a) Except as otherwise provided in Subsections

(b), (e), (f) and (g) of this section, a filed financing statement is effective for a period of five years after the date of filing.

(b) Except as otherwise provided in Subsections (e), (f) and (g) of this section, an initial financing statement filed in connection with a public-finance transaction or manufactured-home transaction is effective for a period of thirty years after the date of filing if it indicates that it is filed in connection with a public-finance transaction or manufactured-home transaction.

(c) The effectiveness of a filed financing statement lapses on the expiration of the period of its effectiveness unless before the lapse a continuation statement is filed pursuant to Subsection (d) of this section. Upon lapse, a financing statement ceases to be effective and any security interest or agricultural lien that was perfected by the financing statement becomes unperfected unless the security interest is perfected otherwise. If the security interest or agricultural lien becomes unperfected upon lapse, it is deemed never to have been perfected as against a purchaser of the collateral for value.

(d) A continuation statement may be filed only within six months before the expiration of the five-year period specified in Subsection (a) of this section or the thirty-year period specified in Subsection (b) of this

section, whichever is applicable.

(e) Except as otherwise provided in Section 55-9-510 NMSA 1978, upon timely filing of a continuation statement, the effectiveness of the initial financing statement continues for a period of five years commencing on the day on which the financing statement would have become ineffective in the absence of the filing. Upon the expiration of the five-year period, the financing statement lapses in the same manner as provided in Subsection (c) of this section, unless, before the lapse, another continuation statement is filed pursuant to Subsection (d) of this section. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the initial financing statement.

(f) If a debtor is a transmitting utility and a filed financing statement so indicates, the financing statement is effective until a termination statement is filed. The filing officer may require proof of the debtor's authority to operate as a transmitting utility as a condition of filing the financing statement.

(g) A record of a mortgage that is effective as a financing statement filed as a fixture filing under Subsection (c) of Section 55-9-502 NMSA 1978 remains effective as a financing statement filed as a fixture filing until the mortgage is released or satisfied of record or its

effectiveness otherwise terminates as to the real property."

Section 87. A new Section 55-9-516 NMSA 1978 is enacted to read:

"55-9-516. WHAT CONSTITUTES FILING-- EFFECTIVENESS OF FILING.--

(a) Except as otherwise provided in Subsection (b) of this section, communication of a record to a filing office and tender of the filing fee or acceptance of the record by the filing office constitutes filing.

(b) Filing does not occur with respect to a record that the secretary of state refuses to accept because:

(1) the record is not communicated by a method or medium of communication authorized by the filing office;

(2) an amount equal to or greater than the applicable filing fee is not tendered;

(3) the filing office is unable to index the record because:

(A) in the case of an initial financing statement, the record does not provide a name for the debtor; or

(B) in the case of an amendment or correction statement, the record:

(i) does not identify the initial financing statement as required by Section 55-9-512 or

55-9-518 NMSA 1978, as applicable; or

(ii) identifies an initial financing statement whose effectiveness has lapsed under Section 55-9-515 NMSA 1978;

(4) in the case of an initial financing statement or an amendment that adds a secured party of record, the record does not provide a name and mailing address for the secured party of record;

(5) in the case of an initial financing statement or an amendment that provides a name of a debtor which was not previously provided in the financing statement to which the amendment relates, the record does not:

(A) provide a mailing address for the debtor;

(B) indicate whether the debtor is an individual or an organization; or

(C) if the financing statement indicates that the debtor is an organization, provide:

(i) a type of organization for the debtor;

(ii) a jurisdiction of organization for the debtor; and

(iii) an organizational identification number for the debtor or indicate that the debtor has none;

(6) in the case of an assignment reflected in an initial financing statement under Subsection (a) of Section 55-9-514 NMSA 1978 or an amendment filed under Subsection (b) of Section 55-9-514 NMSA 1978, the record does not provide a name and mailing address for the assignee; or

(7) in the case of a continuation statement, the record is not filed within the six-month period prescribed by Subsection (d) of Section 55-9-515 NMSA 1978.

(c) For purposes of Subsection (b) of this section:

(1) a record does not provide information if the secretary of state is unable to read or decipher the information; and

(2) a record that does not indicate that it is an amendment or identify an initial financing statement to which it relates, as required by Section 55-9-512, 55-9-514 or 55-9-518 NMSA 1978, is an initial financing statement.

(d) A record that is communicated to the filing office with tender of the filing fee, but which the secretary of state refuses to accept for a reason other than one set forth in Subsection (b) of this section, is effective as a filed record except as against a purchaser of the collateral which gives value in reasonable reliance upon the absence of the record from the files."

Section 88. A new Section 55-9-517 NMSA 1978 is

enacted to read:

"55-9-517. EFFECT OF INDEXING ERRORS. -- The failure of the filing office to index a record correctly does not affect the effectiveness of the filed record."

Section 89. A new Section 55-9-518 NMSA 1978 is enacted to read:

"55-9-518. CLAIM CONCERNING INACCURATE OR WRONGFULLY FILED RECORD. --

(a) A person may file in the filing office a correction statement with respect to a record indexed there under the person's name if the person believes that the record is inaccurate or was wrongfully filed.

(b) A correction statement must:

(1) identify the record to which it relates by the file number assigned to the initial financing statement to which the record relates;

(2) indicate that it is a correction statement; and

(3) provide the basis for the person's belief that the record is inaccurate and indicate the manner in which the person believes the record should be amended to cure any inaccuracy or provide the basis for the person's belief that the record was wrongfully filed.

(c) The filing of a correction statement does not affect the effectiveness of an initial financing statement or

other filed record."

Section 90. A new Section 55-9-519 NMSA 1978 is enacted to read:

"55-9-519. NUMBERING, MAINTAINING AND INDEXING RECORDS--COMMUNICATING INFORMATION PROVIDED IN RECORDS.--

(a) For each record filed in a filing office, the filing office shall:

(1) assign a unique number to the filed record;

(2) create a record that bears the number assigned to the filed record and the date and time of filing; and

(3) maintain the filed record for public inspection.

(b) The filing office shall maintain a capability to retrieve a record by the name of the debtor and by the file number assigned to the initial financing statement to which the record relates. The secretary of state shall also maintain a capability to associate and retrieve with one another an initial financing statement and each filed record relating to the initial financing statement.

(c) The filing office may not remove a debtor's name from the index until one year after the effectiveness of a financing statement naming the debtor lapses under Section 55-9-515 NMSA 1978 with respect to all secured parties of

record.

(d) The secretary of state shall perform the acts required by Subsections (a) through (c) of this section at the time and in the manner prescribed by filing-office rule, but not later than three business days after the filing office receives the record in question. "

Section 91. A new Section 55-9-520 NMSA 1978 is enacted to read:

"55-9-520. ACCEPTANCE AND REFUSAL TO ACCEPT RECORD. --

(a) The secretary of state shall refuse to accept a record for filing for a reason set forth in Subsection (b) of Section 55-9-516 NMSA 1978 and may refuse to accept a record for filing only for a reason set forth in that subsection.

(b) If a filing office refuses to accept a record for filing, it shall communicate to the person that presented the record the fact of and reason for the refusal and the date and time the record would have been filed had the filing office accepted it. The communication must be made at the time and in the manner prescribed by filing-office rule or by other law.

(c) A filed financing statement satisfying Subsections (a) and (b) of Section 55-9-502 NMSA 1978 is effective, even if the secretary of state is required to refuse to accept it for filing under Subsection (a) of this

section. However, Section 55-9-338 NMSA 1978 applies to a filed financing statement providing information described in Paragraph (5) of Subsection (b) of Section 55-9-516 NMSA 1978 which is incorrect at the time the financing statement is filed.

(d) If a record communicated to a filing office provides information that relates to more than one debtor, this part applies as to each debtor separately. "

Section 92. A new Section 55-9-521 NMSA 1978 is enacted to read:

(5) The form of notification provided in Subsection (3) of this section is sufficient even if it includes an error regarding information that is not required pursuant to Subsection (1) of this section, unless the error is misleading with respect to rights that arise pursuant to Chapter 55, Article 9 NMSA 1978.

Section 112. A new Section 55-9-615 NMSA 1978 is enacted to read:

"55-9-615. APPLICATION OF PROCEEDS OF DISPOSITION--
LIABILITY FOR DEFICIENCY AND RIGHT TO SURPLUS.--

(a) A secured party shall apply or pay over for application the cash proceeds of disposition pursuant to Section 55-9-610 NMSA 1978 in the following order to:

(1) the reasonable expenses of retaking, holding, preparing for disposition, processing and disposing, and, to the extent provided for by agreement and not prohibited by law, reasonable attorney fees and legal

expenses incurred by the secured party;

(2) the satisfaction of obligations secured by the security interest or agricultural lien under which the disposition is made;

(3) the satisfaction of obligations secured by any subordinate security interest in or other subordinate lien on the collateral if:

(A) the secured party receives from the holder of the subordinate security interest or other lien an authenticated demand for proceeds before distribution of the proceeds is completed; and

(B) in a case in which a consignor has an interest in the collateral, the subordinate security interest or other lien is senior to the interest of the consignor; and

(4) a secured party that is a consignor of the collateral if the secured party receives from the consignor an authenticated demand for proceeds before distribution of the proceeds is completed.

(b) If requested by a secured party, a holder of a subordinate security interest or other lien shall furnish reasonable proof of the interest or lien within a reasonable time. Unless the holder does so, the secured party need not comply with the holder's demand under Paragraph (3) of Subsection (a) of this section.

(c) A secured party need not apply or pay over for application noncash proceeds of disposition under Section 55-9-610 NMSA 1978 unless the failure to do so would be commercially unreasonable. A secured party that applies or pays over for application noncash proceeds shall do so in a commercially reasonable manner.

(d) If the security interest under which a disposition is made secures payment or performance of an obligation, after making the payments and applications required by Subsection (a) of this section and permitted by Subsection (c) of this section:

(1) unless Paragraph (4) of Subsection (a) of this section requires the secured party to apply or pay over cash proceeds to a consignor, the secured party shall account to and pay a debtor for any surplus; and

(2) the obligor is liable for any deficiency.

(e) If the underlying transaction is a sale of accounts, chattel paper, payment intangibles or promissory notes:

(1) the debtor is not entitled to any surplus; and

(2) the obligor is not liable for any deficiency.

(f) The surplus or deficiency following a

disposition is calculated based on the amount of proceeds that would have been realized in a disposition complying with this part to a transferee other than the secured party, a person related to the secured party or a secondary obligor if:

(1) the transferee in the disposition is the secured party, a person related to the secured party or a secondary obligor; and

(2) the amount of proceeds of the disposition is significantly below the range of proceeds that a complying disposition to a person other than the secured party, a person related to the secured party or a secondary obligor would have brought.

(g) A secured party that receives cash proceeds of a disposition in good faith and without knowledge that the receipt violates the rights of the holder of a security interest or other lien that is not subordinate to the security interest or agricultural lien under which the disposition is made:

(1) takes the cash proceeds free of the security interest or other lien;

(2) is not obligated to apply the proceeds of the disposition to the satisfaction of obligations secured by the security interest or other lien; and

(3) is not obligated to account to or pay

the holder of the security interest or other lien for any surplus. "

Section 113. A new Section 55-9-616 NMSA 1978 is enacted to read:

"55-9-616. EXPLANATION OF CALCULATION OF SURPLUS OR DEFICIENCY. --

(a) In this section:

(1) "explanation" means a writing that:

(A) states the amount of the surplus or deficiency;

(B) provides an explanation in accordance with Subsection (c) of this section of how the secured party calculated the surplus or deficiency;

(C) states, if applicable, that future debits, credits, charges, including additional credit service charges or interest, rebates and expenses may affect the amount of the surplus or deficiency; and

(D) provides a telephone number or mailing address from which additional information concerning the transaction is available; and

(2) "request" means a record:

(A) authenticated by a debtor or consumer obligor;

(B) requesting that the recipient provide an explanation; and

(C) sent after disposition of the collateral under Section 55-9-610 NMSA 1978.

(b) In a consumer-goods transaction in which the debtor is entitled to a surplus or a consumer obligor is liable for a deficiency under Section 55-9-615 NMSA 1978, the secured party shall:

(1) send an explanation to the debtor or consumer obligor, as applicable, after the disposition and:

(A) before or when the secured party accounts to the debtor and pays any surplus or first makes written demand on the consumer obligor after the disposition for payment of the deficiency; and

(B) within fourteen days after receipt of a request; or

(2) in the case of a consumer obligor who is liable for a deficiency, within fourteen days after receipt of a request, send to the consumer obligor a record waiving the secured party's right to a deficiency.

(c) To comply with Subparagraph (B) of Paragraph (1) of Subsection (a) of this section, a writing must provide the following information in the following order:

(1) the aggregate amount of obligations secured by the security interest under which the disposition was made and, if the amount reflects a rebate of unearned interest or credit service charge, an indication of that

fact, calculated as of a specified date:

(A) if the secured party takes or receives possession of the collateral after default, not more than thirty-five days before the secured party takes or receives possession; or

(B) if the secured party takes or receives possession of the collateral before default or does not take possession of the collateral, not more than thirty-five days before the disposition;

(2) the amount of proceeds of the disposition;

(3) the aggregate amount of the obligations after deducting the amount of proceeds;

(4) the amount, in the aggregate or by type, and types of expenses, including expenses of retaking, holding, preparing for disposition, processing and disposing of the collateral, and attorney's fees secured by the collateral which are known to the secured party and relate to the current disposition;

(5) the amount, in the aggregate or by type, and types of credits, including rebates of interest or credit service charges, to which the obligor is known to be entitled and which are not reflected in the amount in Paragraph (1) of this subsection; and

(6) the amount of the surplus or deficiency.

(d) A particular phrasing of the explanation is not required. An explanation complying substantially with the requirements of Subsection (a) of this section is sufficient, even if it includes minor errors that are not seriously misleading.

(e) A debtor or consumer obligor is entitled without charge to one response to a request under this section during any six-month period in which the secured party did not send to the debtor or consumer obligor an explanation pursuant to Paragraph (1) of Subsection (b) of this section. The secured party may require payment of a charge not exceeding twenty-five dollars (\$25.00) for each additional response. "

Section 114. A new Section 55-9-617 NMSA 1978 is enacted to read:

"55-9-617. RIGHTS OF TRANSFEREE OF COLLATERAL. --

(a) A secured party's disposition of collateral after default:

(1) transfers to a transferee for value all of the debtor's rights in the collateral;

(2) discharges the security interest under which the disposition is made; and

(3) discharges any subordinate security interest or other subordinate lien.

(b) A transferee that acts in good faith takes

free of the rights and interests described in Subsection (a) of this section, even if the secured party fails to comply with this article or the requirements of any judicial proceeding.

(c) If a transferee does not take free of the rights and interests described in Subsection (a) of this section, the transferee takes the collateral subject to:

- (1) the debtor's rights in the collateral;
- (2) the security interest or agricultural lien under which the disposition is made; and
- (3) any other security interest or other lien. "

Section 115. A new Section 55-9-618 NMSA 1978 is enacted to read:

"55-9-618. RIGHTS AND DUTIES OF CERTAIN SECONDARY OBLIGORS. --

- (1) receives an assignment of a secured obligation from the secured party;
- (2) receives a transfer of collateral from the secured party and agrees to accept the rights and assume the duties of the secured party; or
- (3) is subrogated to the rights of a secured

party with respect to collateral.

(b) An assignment, transfer or subrogation described in Subsection (a) of this section:

(1) is not a disposition of collateral under Section 55-9-610 NMSA 1978; and

(2) relieves the secured party of further duties under Chapter 55, Article 9 NMSA 1978. "

Section 116. A new Section 55-9-619 NMSA 1978 is enacted to read:

"55-9-619. TRANSFER OF RECORD OR LEGAL TITLE. --

(a) In this section, "transfer statement" means a record authenticated by a secured party stating:

(1) that the debtor has defaulted in connection with an obligation secured by specified collateral;

(2) that the secured party has exercised its post-default remedies with respect to the collateral;

(3) that, by reason of the exercise, a transferee has acquired the rights of the debtor in the collateral; and

(4) the name and mailing address of the secured party, debtor and transferee.

(b) A transfer statement entitles the transferee to the transfer of record of all rights of the debtor in the collateral specified in the statement in any official filing,

recording, registration or certificate-of-title system covering the collateral. If a transfer statement is presented with the applicable fee and request form to the official or office responsible for maintaining the system, the official or office shall:

- (1) accept the transfer statement;
- (2) promptly amend its records to reflect the transfer; and
- (3) if applicable, issue a new appropriate certificate of title in the name of the transferee.

(c) A transfer of the record or legal title to collateral to a secured party under Subsection (b) of this section or otherwise is not of itself a disposition of collateral under Chapter 55, Article 9 NMSA 1978 and does not of itself relieve the secured party of its duties under that article."

Section 117. A new Section 55-9-620 NMSA 1978 is enacted to read:

"55-9-620. ACCEPTANCE OF COLLATERAL IN FULL OR PARTIAL SATISFACTION OF OBLIGATION--COMPULSORY DISPOSITION OF COLLATERAL. --

(A) a person to which the secured party was required to send a proposal under Section 55-9-621 NMSA 1978; or

(B) any other person, other than the debtor, holding an interest in the collateral subordinate to the security interest that is the subject of the proposal;

(3) the collateral is consumer goods, the collateral is not in the possession of the debtor when the debtor consents to the acceptance; and

(4) Subsection (e) of this section does not require the secured party to dispose of the collateral or the debtor waives the requirement pursuant to Section 55-9-624 NMSA 1978.

(b) A purported or apparent acceptance of collateral under this section is ineffective unless:

(1) the secured party consents to the acceptance in an authenticated record or sends a proposal to the debtor; and

(2) the conditions of Subsection (a) of this section are met.

(c) For purposes of this section:

(1) a debtor consents to an acceptance of collateral in partial satisfaction of the obligation it secures only if the debtor agrees to the terms of the acceptance in a record authenticated after default; and

(2) a debtor consents to an acceptance of collateral in full satisfaction of the obligation it secures only if the debtor agrees to the terms of the acceptance in a record authenticated after default or the secured party:

(A) sends to the debtor after default a proposal that is unconditional or subject only to a condition that collateral not in the possession of the secured party be preserved or maintained;

(d) To be effective under Paragraph (2) of Subsection (a) of this section, a notification of objection must be received by the secured party:

(1) in the case of a person to which the proposal was sent pursuant to Section 55-9-621 NMSA 1978, within twenty days after notification was sent to that

person; and

(2) in other cases:

(A) within twenty days after the last notification was sent pursuant to Section 55-9-621 NMSA 1978; or

(B) if a notification was not sent, before the debtor consents to the acceptance under Subsection (c) of this section.

(e) A secured party that has taken possession of collateral shall dispose of the collateral pursuant to Section 55-9-610 NMSA 1978 within the time specified in Subsection (f) of this section if:

(1) sixty percent of the cash price has been paid in the case of a purchase-money security interest in consumer goods; or

(2) sixty percent of the principal amount of the obligation secured has been paid in the case of a non-purchase-money security interest in consumer goods.

(f) To comply with Subsection (e) of this section, the secured party shall dispose of the collateral:

(1) within ninety days after taking possession; or

(2) within any longer period to which the debtor and all secondary obligors have agreed in an agreement to that effect entered into and authenticated after default.

"55-9-622. EFFECT OF ACCEPTANCE OF COLLATERAL. --

(a) A secured party's acceptance of collateral in full or partial satisfaction of the obligation it secures:

(1) discharges the obligation to the extent consented to by the debtor;

Section 120. A new Section 55-9-623 NMSA 1978 is enacted to read:

"55-9-623. RIGHT TO REDEEM COLLATERAL. --

(a) A debtor, any secondary obligor or any other secured party or lienholder may redeem collateral.

(b) To redeem collateral, a person shall tender:

(2) the reasonable expenses and attorney fees described in Paragraph (1) of Subsection (a) of Section 55-9-615 NMSA 1978.

(c) A redemption may occur at any time before a secured party:

Section 121. A new Section 55-9-624 NMSA 1978 is

enacted to read:

"55-9-624. WAIVER. --

(a) A debtor or secondary obligor may waive the right to notification of disposition of collateral under Section 55-9-611 NMSA 1978 only by an agreement to that effect entered into and authenticated after default.

(b) A debtor may waive the right to require disposition of collateral under Subsection (e) of Section 55-9-620 NMSA 1978 only by an agreement to that effect entered into and authenticated after default.

(c) Except in a consumer-goods transaction, a debtor or secondary obligor may waive the right to redeem collateral under Section 55-9-623 NMSA 1978 only by an agreement to that effect entered into and authenticated after default."

Section 122. A new Section 55-9-625 NMSA 1978 is enacted to read:

"55-9-625. REMEDIES FOR SECURED PARTY'S FAILURE TO COMPLY WITH ARTICLE. --

(a) If it is established that a secured party is not proceeding in accordance with Chapter 55, Article 9 NMSA 1978, a court may order or restrain collection, enforcement or disposition of collateral on appropriate terms and conditions.

(b) Subject to Subsections (c), (d) and (f) of

this section, a person is liable for damages in the amount of any loss caused by a failure to comply with Chapter 55, Article 9 NMSA 1978. Loss caused by a failure to comply may include loss resulting from the debtor's inability to obtain, or increased costs of, alternative financing.

(c) Except as otherwise provided in Section 55-9-628 NMSA 1978:

(1) a person that, at the time of the failure, was a debtor, was an obligor or held a security interest in or other lien on the collateral may recover damages under Subsection (b) of this section for its loss; and

(2) if the collateral is consumer goods, a person that was a debtor or a secondary obligor at the time a secured party failed to comply with this part may recover for that failure in any event an amount not less than the credit service charge plus ten percent of the principal amount of the obligation or the time-price differential plus ten percent of the cash price.

(d) A debtor whose deficiency is eliminated under Section 55-9-626 NMSA 1978 may recover damages for the loss of any surplus. However, a debtor or secondary obligor whose deficiency is eliminated or reduced under Section 55-9-626 NMSA 1978 may not otherwise recover under Subsection (b) of this section for noncompliance with the provisions of

Sections 55-9-601 through 55-9-628 NMSA 1978 relating to collection, enforcement, disposition or acceptance.

(e) In addition to any damages recoverable under Subsection (b) of this section, the debtor, consumer obligor or person named as a debtor in a filed record, as applicable, may recover five hundred dollars (\$500) in each case from a person that:

(1) fails to comply with Section 55-9-208 NMSA 1978;

(2) fails to comply with Section 55-9-209 NMSA 1978;

(3) files a record that the person is not entitled to file under Subsection (a) of Section 55-9-509 NMSA 1978;

(4) fails to cause the secured party of record to file or send a termination statement as required by Subsection (a) or (c) of Section 55-9-513 NMSA 1978;

(5) fails to comply with Paragraph (1) of Subsection (b) of Section 55-9-616 NMSA 1978 and whose failure is part of a pattern, or consistent with a practice, of noncompliance; or

(6) fails to comply with Paragraph (2) of Subsection (b) of Section 55-9-616 NMSA 1978.

(f) A debtor or consumer obligor may recover damages under Subsection (b) of this section and, in

addition, five hundred dollars (\$500) in each case from a person that, without reasonable cause, fails to comply with a request under Section 55-9-210 NMSA 1978. A recipient of a request under Section 55-9-210 NMSA 1978 that never claimed an interest in the collateral or obligations that are the subject of a request under that section has a reasonable excuse for failure to comply with the request within the meaning of this subsection.

(g) If a secured party fails to comply with a request regarding a list of collateral or a statement of account under Section 55-9-210 NMSA 1978, the secured party may claim a security interest only as shown in the list or statement included in the request as against a person that is reasonably misled by the failure."

Section 123. A new Section 55-9-626 NMSA 1978 is enacted to read:

"55-9-626. ACTION IN WHICH DEFICIENCY OR SURPLUS IS IN ISSUE. --

(a) In an action arising from a transaction, other than a consumer transaction, in which the amount of a deficiency or surplus is in issue, the following rules apply:

(1) A secured party need not prove compliance with the provisions of this part relating to collection, enforcement, disposition or acceptance unless the debtor or a secondary obligor places the secured party's

compliance in issue.

(2) If the secured party's compliance is placed in issue, the secured party has the burden of establishing that the collection, enforcement, disposition or acceptance was conducted in accordance with Sections 55-9-601 through 55-9-628 NMSA 1978.

(3) Except as otherwise provided in Section 55-9-628 NMSA 1978, if a secured party fails to prove that the collection, enforcement, disposition or acceptance was conducted in accordance with the provisions of Sections 55-9-601 through 55-9-628 NMSA 1978 relating to collection, enforcement, disposition or acceptance, the liability of a debtor or a secondary obligor for a deficiency is limited to an amount by which the sum of the secured obligation, expenses and attorney fees exceeds the greater of:

(A) the proceeds of the collection, enforcement, disposition or acceptance; or

(B) the amount of proceeds that would have been realized had the noncomplying secured party proceeded in accordance with the provisions of this part relating to collection, enforcement, disposition or acceptance.

(4) For purposes of Subparagraph (B) of Paragraph (3) of this subsection, the amount of proceeds that would have been realized is equal to the sum of the secured

obligation, expenses and attorney's fees unless the secured party proves that the amount is less than that sum.

(5) If a deficiency or surplus is calculated under Subsection (f) of Section 55-9-615 NMSA 1978, the debtor or obligor has the burden of establishing that the amount of proceeds of the disposition is significantly below the range of prices that a complying disposition to a person other than the secured party, a person related to the secured party or a secondary obligor would have brought.

(b) The limitation of the rules in Subsection (a) of this section to transactions other than consumer transactions is intended to leave to the court the determination of the proper rules in consumer transactions. The court may not infer from that limitation the nature of the proper rule in consumer transactions and may continue to apply established approaches. "

Section 124. A new Section 55-9-627 NMSA 1978 is enacted to read:

"55-9-627. DETERMINATION OF WHETHER CONDUCT WAS COMMERCIALLY REASONABLE. --

(a) The fact that a greater amount could have been obtained by a collection, enforcement, disposition or acceptance at a different time or in a different method from that selected by the secured party is not of itself sufficient to preclude the secured party from establishing

that the collection, enforcement, disposition or acceptance was made in a commercially reasonable manner.

(b) A disposition of collateral is made in a commercially reasonable manner if the disposition is made:

(1) in the usual manner on any recognized market;

(2) at the price current in any recognized market at the time of the disposition; or

(3) otherwise in conformity with reasonable commercial practices among dealers in the type of property that was the subject of the disposition.

(c) A collection, enforcement, disposition or acceptance is commercially reasonable if it has been approved:

(1) in a judicial proceeding;

(2) by a bona fide creditors' committee;

(3) by a representative of creditors; or

(4) by an assignee for the benefit of creditors.

(d) Approval under Subsection (c) of this section need not be obtained, and lack of approval does not mean that the collection, enforcement, disposition or acceptance is not commercially reasonable."

Section 125. A new Section 55-9-628 NMSA 1978 is enacted to read:

"55-9-628. NONLIABILITY AND LIMITATION ON LIABILITY OF SECURED PARTY--LIABILITY OF SECONDARY OBLIGOR. --

(a) Unless a secured party knows that a person is a debtor or obligor, knows the identity of the person and knows how to communicate with the person:

(1) the secured party is not liable to the person, or to a secured party or lienholder that has filed a financing statement against the person, for failure to comply with Chapter 55, Article 9 NMSA 1978; and

(2) the secured party's failure to comply with Chapter 55, Article 9 NMSA 1978 does not affect the liability of the person for a deficiency.

(b) A secured party is not liable because of its status as secured party:

(1) to a person that is a debtor or obligor, unless the secured party knows:

(A) that the person is a debtor or obligor;

(B) the identity of the person; and

(C) how to communicate with the person; or

(2) to a secured party or lienholder that has filed a financing statement against a person, unless the secured party knows:

(A) that the person is a debtor; and

(B) the identity of the person.

(c) A secured party is not liable to any person, and a person's liability for a deficiency is not affected, because of any act or omission arising out of the secured party's reasonable belief that a transaction is not a consumer-goods transaction or a consumer transaction or that goods are not consumer goods, if the secured party's belief is based on its reasonable reliance on:

(1) a debtor's representation concerning the purpose for which collateral was to be used, acquired or held; or

(2) an obligor's representation concerning the purpose for which a secured obligation was incurred.

(d) A secured party is not liable to any person under Paragraph (2) of Subsection (c) of Section 55-9-625 NMSA 1978 for its failure to comply with Section 55-9-616 NMSA 1978.

(e) A secured party is not liable under Paragraph (2) of Subsection (c) of Section 55-9-625 NMSA 1978 more than once with respect to any one secured obligation. "

Section 126. Section 55-1-105 NMSA 1978 (being Laws 1961, Chapter 96, Section 1-105, as amended) is amended to read:

"55-1-105. TERRITORIAL APPLICATION OF THE ACT--
PARTIES' POWER TO CHOOSE APPLICABLE LAW. --

(1) Except as provided in this section, when a transaction bears a reasonable relation to this state and also to another state or nation, the parties may agree that the law either of this state or such other state or nation shall govern their rights and duties. Failing such agreement, the Uniform Commercial Code applies to transactions bearing an appropriate relation to this state.

(2) Where one of the following provisions of the Uniform Commercial Code specifies the applicable law, that provision governs and a contrary agreement is effective only to the extent permitted by the law (including the conflict of laws rules) so specified:

rights of creditors against sold goods. Section 55-2-402 NMSA 1978;

applicability of the article on leases. Sections 55-2A-105 and 55-2A-106 NMSA 1978;

applicability of the article on bank deposits and collections. Section 55-4-102 NMSA 1978;

governing law in the article on fund transfers. Section 55-4A-507 NMSA 1978;

letters of credit. Section 55-5-116 NMSA 1978;

applicability of the article on investment securities. Section 55-8-110 NMSA 1978; and

law governing perfection, the effect of perfection or nonperfection, and the priority of security interests and

agricultural liens. Sections 55-9-301 through 55-9-307 NMSA 1978. "

Section 127. Section 55-1-201 NMSA 1978 (being Laws 1961, Chapter 96, Section 1-201, as amended) is amended to read:

"55-1-201. GENERAL DEFINITIONS. --Subject to additional definitions contained in the subsequent articles of the Uniform Commercial Code which are applicable to specific articles or parts thereof and unless the context otherwise requires, in that act:

(1) "action" in the sense of a judicial proceeding includes recoupment, counterclaim, set-off, suit in equity and any other proceedings in which rights are determined;

(2) "aggrieved party" means a party entitled to resort to a remedy;

(3) "agreement" means the bargain of the parties in fact as found in their language or by implication from other circumstances, including course of dealing or usage of trade or course of performance as provided in Sections 55-1-205, 55-2-208 and 55-2A-207 NMSA 1978. Whether an agreement has legal consequences is determined by the provisions of the Uniform Commercial Code, if applicable; otherwise by the law of contracts (Section 55-1-103 NMSA 1978). (Compare "contract".);

(4) "bank" means any person engaged in the business of banking;

(5) "bearer" means the person in possession of an instrument, document of title or certificated security payable to bearer or indorsed in blank;

(6) "bill of lading" means a document evidencing the receipt of goods for shipment issued by a person engaged in the business of transporting or forwarding goods and includes an airbill. "Airbill" means a document serving for air transportation as a bill of lading does for marine or rail transportation and includes an air consignment note or air waybill;

(7) "branch" includes a separately incorporated foreign branch of a bank;

(8) "burden of establishing" a fact means the burden of persuading the triers of fact that the existence of the fact is more probable than its nonexistence;

(9) "buyer in ordinary course of business" means a person that buys goods in good faith, without knowledge that the sale violates the rights of another person in the goods and in ordinary course from a person, other than a pawnbroker, in the business of selling goods of that kind. A person buys goods in the ordinary course if the sale to the person comports with the usual or customary practices in the kind of business in which the seller is engaged or with the

seller's own usual or customary practices. A person that sells oil, gas or other minerals at the wellhead or minehead is a person in the business of selling goods of that kind. A buyer in the ordinary course of business may buy for cash, by exchange of other property or on secured or unsecured credit and may acquire goods or documents of title under a pre-existing contract for sale. Only a buyer that takes possession of the goods or has a right to recover the goods from the seller under Chapter 55, Article 2 NMSA 1978 may be a buyer in ordinary course of business. A person that acquires goods in a transfer in bulk or as security for or in total or partial satisfaction of a money debt is not a buyer in ordinary course of business;

(10) "conspicuous": A term or clause is conspicuous when it is so written that a reasonable person against whom it is to operate ought to have noticed it. A printed heading in capitals (as: NON-NEGOTIABLE BILL OF LADING) is conspicuous. Language in the body of a form is "conspicuous" if it is in larger or other contrasting type or color. But in a telegram any stated term is "conspicuous". Whether a term or clause is "conspicuous" or not is for decision by the court;

(11) "contract" means the total legal obligation which results from the parties' agreement as affected by this act and any other applicable rules of law. (Compare

"agreement".);

(12) "creditor" includes a general creditor, a secured creditor, a lien creditor and any representative of creditors, including an assignee for the benefit of creditors, a trustee in bankruptcy, a receiver in equity and an executor or administrator of an insolvent debtor's or assignor's estate;

(13) "defendant" includes a person in the position of defendant in a cross-action or counterclaim;

(14) "delivery" with respect to instruments, documents of title, chattel paper or certificated securities means voluntary transfer of possession;

(15) "document of title" includes bill of lading, dock warrant, dock receipt, warehouse receipt or order for the delivery of goods and also any other document which in the regular course of business or financing is treated as adequately evidencing that the person in possession of it is entitled to receive, hold and dispose of the document and the goods it covers. To be a document of title a document must purport to be issued by or addressed to a bailee and purport to cover goods in the bailee's possession which are either identified or are fungible portions of an identified mass;

(16) "fault" means wrongful act, omission or breach;

(17) "fungible" with respect to goods or

securities means goods or securities of which any unit is, by nature or usage of trade, the equivalent of any other like unit. Goods which are not fungible shall be deemed fungible for the purposes of this act to the extent that under a particular agreement or document unlike units are treated as equivalents;

(18) "genuine" means free of forgery or counterfeiting;

(19) "good faith" means honesty in fact in the conduct or transaction concerned;

(20) "holder", with respect to a negotiable instrument, means the person in possession if the instrument is payable to bearer or, in the case of an instrument payable to an identified person, if the identified person is in possession. "Holder", with respect to a document of title, means the person in possession if the goods are deliverable to bearer or to the order of the person in possession;

(21) to "honor" is to pay or to accept and pay, or where a credit so engages, to purchase or discount a draft complying with the terms of the credit;

(22) "insolvency proceedings" includes any assignment for the benefit of creditors or other proceedings intended to liquidate or rehabilitate the estate of the person involved;

(23) a person is "insolvent" who either has

ceased to pay his debts in the ordinary course of business or cannot pay his debts as they become due or is insolvent within the meaning of the federal bankruptcy law;

(24) "money" means a medium of exchange authorized or adopted by a domestic or foreign government and includes a monetary unit of account established by an intergovernmental organization or by agreement between two or more nations;

(25) a person has "notice" of a fact when:

(a) he has actual knowledge of it;

(b) he has received a notice or notification of it; or

(c) from all the facts and circumstances known to him at the time in question he has reason to know that it exists.

A person "knows" or has "knowledge" of a fact when he has actual knowledge of it. "Discover" or "learn" or a word or phrase of similar import refers to knowledge rather than to reason to know. The time and circumstances under which a notice or notification may cease to be effective are not determined by the Uniform Commercial Code;

(26) a person "notifies" or "gives" a notice or notification to another by taking such steps as may be reasonably required to inform the other in ordinary course whether or not such other actually comes to know of it. A

person "receives" a notice or notification when:

(a) it comes to his attention; or

(b) it is duly delivered at the place of business through which the contract was made or at any other place held out by him as the place for receipt of such communications;

(27) notice, knowledge or a notice or notification received by an organization is effective for a particular transaction from the time when it is brought to the attention of the individual conducting that transaction, and in any event from the time when it would have been brought to his attention if the organization had exercised due diligence. An organization exercises due diligence if it maintains reasonable routines for communicating significant information to the person conducting the transaction and there is reasonable compliance with the routines. Due diligence does not require an individual acting for the organization to communicate information unless such communication is part of his regular duties or unless he has reason to know of the transaction and that the transaction would be materially affected by the information;

(28) "organization" includes a corporation, government or governmental subdivision or agency, business trust, estate, trust, partnership or association, two or more persons having a joint or common interest or any other legal

or commercial entity;

(29) "party", as distinct from "third party", means a person who has engaged in a transaction or made an agreement within the Uniform Commercial Code;

(30) "person" includes an individual or an organization (see Section 55-1-102 NMSA 1978);

(31) "presumption" or "presumed" means that the trier of fact must find the existence of the fact presumed unless and until evidence is introduced which would support a finding of its nonexistence;

(32) "purchase" includes taking by sale, discount, negotiation, mortgage, pledge, lien, security interest, issue or reissue, gift or any other voluntary transaction creating an interest in property;

(33) "purchaser" means a person who takes by purchase;

(34) "remedy" means any remedial right to which an aggrieved party is entitled with or without resort to a tribunal;

(35) "representative" includes an agent, an officer of a corporation or association and a trustee, executor or administrator of an estate or any other person empowered to act for another;

(36) "rights" includes remedies;

(37) "security interest" means an interest in

personal property or fixtures which secures payment or performance of an obligation. The term also includes any interest of a consignor and a buyer of accounts, chattel paper, a payment intangible or a promissory note in a transaction that is subject to Chapter 55, Article 9 NMSA 1978. The special property interest of a buyer of goods on identification of those goods to a contract for sale under Section 55-2-401 NMSA 1978 is not a "security interest", but a buyer may also acquire a "security interest" by complying with Chapter 55, Article 9 NMSA 1978. Except as otherwise provided in Section 55-2-505 NMSA 1978, the right of a seller or lessor of goods under Chapter 55, Article 2 or 2A NMSA 1978 to retain or acquire possession of the goods is not a "security interest", but a seller or lessor may also acquire a "security interest" by complying with Chapter 55, Article 9 NMSA 1978. The retention or reservation of title by a seller of goods notwithstanding shipment or delivery to the buyer (Section 55-2-401 NMSA 1978) is limited in effect to a reservation of a "security interest".

Whether a transaction creates a lease or security interest is determined by the facts of each case; however, a transaction creates a security interest if the consideration the lessee is to pay the lessor for the right to possession and use of the goods is an obligation for the term of the lease not subject to termination by the lessee, and:

(a) the original term of the lease is equal to or greater than the remaining economic life of the goods;

(b) the lessee is bound to renew the lease for the remaining economic life of the goods or is bound to become the owner of the goods;

(c) the lessee has an option to renew the lease for the remaining economic life of the goods for no additional consideration or nominal additional consideration upon compliance with the lease agreement; or

(d) the lessee has an option to become the owner of the goods for no additional consideration or nominal additional consideration upon compliance with the lease agreement.

A transaction does not create a security interest merely because it provides that:

(a) the present value of the consideration the lessee is obligated to pay the lessor for the right to possession and use of the goods is substantially equal to or is greater than the fair market value of the goods at the time the lease is entered into;

(b) the lessee assumes risk of loss of the goods, or agrees to pay taxes, insurance, filing, recording or registration fees or service or maintenance costs with respect to the goods;

(c) the lessee has an option to renew the

lease or to become the owner of the goods;

(d) the lessee has an option to renew the lease for a fixed rent that is equal to or greater than the reasonably predictable fair market rent for the use of the goods for the term of the renewal at the time the option is to be performed; or

(e) the lessee has an option to become the owner of the goods for a fixed price that is equal to or greater than the reasonably predictable fair market value of the goods at the time the option is to be performed.

For purposes of this Subsection (37):

(x) additional consideration is not nominal if: (i) when the option to renew the lease is granted to the lessee, the rent is stated to be the fair market rent for the use of the goods for the term of the renewal determined at the time the option is to be performed; or (ii) when the option to become the owner of the goods is granted to the lessee, the price is stated to be the fair market value of the goods determined at the time the option is to be performed. Additional consideration is nominal if it is less than the lessee's reasonably predictable cost of performing under the lease agreement if the option is not exercised;

(y) "reasonably predictable" and "remaining economic life of the goods" are to be determined with reference to the facts and circumstances at the time the

transaction is entered into; and

(z) "present value" means the amount as of a date certain of one or more sums payable in the future, discounted to the date certain. The discount is determined by the interest rate specified by the parties if the rate is not manifestly unreasonable at the time the transaction is entered into; otherwise, the discount is determined by a commercially reasonable rate that takes into account the facts and circumstances of each case at the time the transaction was entered into;

(38) "send" in connection with any writing or notice means to deposit in the mail or deliver for transmission by any other usual means of communication with postage or cost of transmission provided for and properly addressed and in the case of an instrument to an address specified thereon or otherwise agreed, or if there be none, to any address reasonable under the circumstances. The receipt of any writing or notice within the time at which it would have arrived if properly sent has the effect of a proper sending;

(39) "signed" includes any symbol executed or adopted by a party with present intention to authenticate a writing;

(40) "surety" includes guarantor;

(41) "telegram" includes a message transmitted by

radio, teletype, cable, any mechanical method of transmission or the like;

(42) "term" means that portion of an agreement which relates to a particular matter;

(43) "unauthorized" signature means one made without actual, implied or apparent authority and includes a forgery;

(44) "value". Except as otherwise provided with respect to negotiable instruments and bank collections (Sections 55-3-303, 55-4-210 and 55-4-211 NMSA 1978) a person gives "value" for rights if he acquires them:

(a) in return for a binding commitment to extend credit or for the extension of immediately available credit whether or not drawn upon and whether or not a charge-back is provided for in the event of difficulties in collection;

(b) as security for or in total or partial satisfaction of a pre-existing claim;

(c) by accepting delivery pursuant to a pre-existing contract for purchase; or

(d) generally, in return for any consideration sufficient to support a simple contract;

(45) "warehouse receipt" means a receipt issued by a person engaged in the business of storing goods for hire; and

(46) "written" or "writing" includes printing, typewriting or any other intentional reduction to tangible form."

Section 128. Section 55-2-103 NMSA 1978 (being Laws 1961, Chapter 96, Section 2-103, as amended) is amended to read:

Section 129. Section 55-2-210 NMSA 1978 (being Laws 1961, Chapter 96, Section 2-210) is amended to read:

"55-2-210. DELEGATION OF PERFORMANCE--ASSIGNMENT OF RIGHTS. --

(1) A party may perform his duty through a delegate unless otherwise agreed or unless the other party has a substantial interest in having his original promisor perform or control the acts required by the contract. No delegation of performance relieves the party delegating of any duty to perform or any liability for breach.

(2) Except as otherwise provided in Section

55-9-406 NMSA 1978, unless otherwise agreed all rights of either seller or buyer can be assigned except where the assignment would materially change the duty of the other party or increase materially the burden or risk imposed on him by his contract or impair materially his chance of obtaining return performance. A right to damages for breach of the whole contract or a right arising out of the assignor's due performance of his entire obligation can be assigned despite agreement otherwise.

(3) The creation, attachment, perfection or enforcement of a security interest in the seller's interest under a contract is not a transfer that materially changes the duty of or increases materially the burden or risk imposed on the buyer or impairs materially the buyer's chance of obtaining return performance within the purview of Subsection (2) of this section unless, and then only to the extent that, enforcement actually results in a delegation of material performance of the seller. Even in that event, the creation, attachment, perfection and enforcement of the security interest remain effective, but (i) the seller is liable to the buyer for damages caused by the delegation to the extent that the damages could not reasonably be prevented by the buyer, and (ii) a court having jurisdiction may grant other appropriate relief, including cancellation of the contract for sale or an injunction against enforcement of the

security interest or consummation of the enforcement.

(4) Unless the circumstances indicate the contrary a prohibition of assignment of "the contract" is to be construed as barring only the delegation to the assignee of the assignor's performance.

(5) An assignment of "the contract" or of "all my rights under the contract" or an assignment in similar general terms is an assignment of rights unless the language or the circumstances (as in an assignment for security) indicate the contrary, it is a delegation of performance of the duties of the assignor and its acceptance by the assignee constitutes a promise by him to perform those duties. This promise is enforceable by either the assignor or the other party to the original contract.

(6) The other party may treat any assignment which delegates performance as creating reasonable grounds for insecurity and may without prejudice to his rights against the assignor demand assurances from the assignee (Section 55-2-609 NMSA 1978). "

Section 130. Section 55-2-326 NMSA 1978 (being Laws 1961, Chapter 96, Section 2-326, as amended) is amended to read:

"55-2-326. SALE ON APPROVAL AND SALE OR RETURN-- RIGHTS OF CREDITORS. --

(1) Unless otherwise agreed, if delivered goods

may be returned by the buyer even though they conform to the contract, the transaction is:

(a) a "sale on approval" if the goods are delivered primarily for use; and

(b) a "sale or return" if the goods are delivered primarily for resale.

(2) Goods held on approval are not subject to the claims of the buyer's creditors until acceptance; goods held on sale or return are subject to such claims while in the buyer's possession.

(3) Any "or return" term of a contract for sale is to be treated as a separate contract for sale within the statute of frauds section of this article (Section 55-2-201 NMSA 1978) and as contradicting the sale aspect of the contract within the provisions of this article on parol or extrinsic evidence (Section 55-2-202 NMSA 1978). "

Section 131. Section 55-2-502 NMSA 1978 (being Laws 1961, Chapter 96, Section 2-502) is amended to read:

"55-2-502. BUYER'S RIGHT TO GOODS ON SELLER'S REPUDIATION, FAILURE TO DELIVER OR INSOLVENCY. --

(1) Subject to Subsections (2) and (3) of this section and even though the goods have not been shipped, a buyer who has paid a part or all of the price of goods in which he has a special property under the provisions of the immediately preceding section may on making and keeping good

a tender of any unpaid portion of their price recover them from the seller if:

(a) in the case of goods bought for personal, family or household purposes, the seller repudiates or fails to deliver as required by the contract; or

(b) in all cases, the seller becomes insolvent within ten days after receipt of the first installment on their price.

(2) The buyer's right to recover goods pursuant to Paragraph (a) of Subsection (1) of this section vests upon acquisition of a special property even if the seller has not then repudiated or failed to deliver.

(3) If the identification creating his special property has been made by the buyer he acquires the right to recover the goods only if they conform to the contract for sale. "

Section 132. Section 55-2-716 NMSA 1978 (being Laws 1961, Chapter 96, Section 2-716) is amended to read:

"55-2-716. BUYER'S RIGHT TO SPECIFIC PERFORMANCE OR REPLEVIN. --

(1) Specific performance may be decreed where the goods are unique or in other proper circumstances.

(2) The decree for specific performance may include such terms and conditions as to payment of the price, damages or other relief as the court may deem just.

(3) The buyer has a right of replevin for goods identified to the contract if after reasonable effort he is unable to effect cover for such goods or the circumstances reasonably indicate that such effort will be unavailing or if the goods have been shipped under reservation and satisfaction of the security interest in them has been made or tendered. In the case of goods bought for personal, family or household purposes, the buyer's right of replevin vests upon acquisition of a special property, even if the seller had not then repudiated or failed to deliver."

Section 133. Section 55-2A-103 NMSA 1978 (being Laws 1992, Chapter 114, Section 10, as amended) is amended to read:

(D) if the lease is not a

consumer lease, the lessor, before the lessee signs the lease contract, informs the lessee in writing (a) of the identity of the person supplying the goods to the lessor, unless the lessee has selected that person and directed the lessor to acquire the goods or the right to possession and use of the goods from that person, (b) that the lessee is entitled under this article to the promises and warranties, including those of any third party, provided to the lessor by the person supplying the goods in connection with or as part of the contract by which the lessor acquired the goods or the right to possession and use of the goods, and (c) that the lessee may communicate with the person supplying the goods to the lessor and receive an accurate and complete statement of those promises and warranties, including any disclaimers and limitations of them or of remedies;

(j) "lease" means a transfer of the right to possession and use of goods for a term in return for consideration, but a sale, including a sale on approval or a sale or return, or retention or creation of a security interest is not a lease; unless the context clearly indicates otherwise, the term includes a sublease;

(p) "lessor" means a person who transfers the right to possession and use of goods under a lease; unless the context clearly indicates otherwise, the term includes a sublessor;

(t) "merchant lessee" means a lessee that is a merchant with respect to goods of the kind subject to the lease;

(u) "present value" means the amount as of a date certain of one or more sums payable in the future, discounted to the date certain; the discount is determined by the interest rate specified by the parties if the rate was not manifestly unreasonable at the time the transaction was entered into; otherwise, the discount is determined by a commercially reasonable rate that takes into account the facts and circumstances of each case at the time the transaction was entered into;

(v) "purchase" includes taking by sale, lease, mortgage, security interest, pledge, gift or any other voluntary transaction creating an interest in goods;

Section 134. Section 55-2A-303 NMSA 1978 (being Laws 1992, Chapter 114, Section 40) is amended to read:

"55-2A-303. ALIENABILITY OF PARTY'S INTEREST UNDER LEASE CONTRACT OR OF LESSOR'S RESIDUAL INTEREST IN GOODS-- DELEGATION OF PERFORMANCE--TRANSFER OF RIGHTS.--

(1) As used in this section, "creation of a security interest" includes the sale of a lease contract that is subject to Chapter 55, Article 9 NMSA 1978 by reason of Paragraph (3) of Subsection (a) of Section 55-9-109 NMSA 1978.

(2) Except as provided in Subsection (3) of this section and Section 55-9-407 NMSA 1978, a provision in a lease agreement which (i) prohibits the voluntary or involuntary transfer, including a transfer by sale, sublease, creation or enforcement of a security interest, or attachment, levy or other judicial process, of an interest of

a party under the lease contract or of the lessor's residual interest in the goods, or (ii) makes such a transfer an event of default, gives rise to the rights and remedies provided in Subsection (4) of this section, but a transfer that is prohibited or is an event of default under the lease agreement is otherwise effective.

(3) A provision in a lease agreement which (i) prohibits a transfer of a right to damages for default with respect to the whole lease contract or of a right to payment arising out of the transferor's due performance of the transferor's entire obligation, or (ii) makes such a transfer an event of default, is not enforceable, and such a transfer is not a transfer that materially impairs the prospect of obtaining return performance by, materially changes the duty of, or materially increases the burden or risk imposed on, the other party to the lease contract within the purview of Subsection (4) of this section.

(4) Subject to Subsection (3) of this section and Section 55-9-407 NMSA 1978:

(a) if a transfer is made which is made an event of default under a lease agreement, the party to the lease contract not making the transfer, unless that party waives the default or otherwise agrees, has the rights and remedies described in Subsection (2) of Section 55-2A-501 NMSA 1978; and

(b) if Paragraph (a) of this subsection is not applicable and if a transfer is made that (i) is prohibited under a lease agreement, or (ii) materially impairs the prospect of obtaining return performance by, materially changes the duty of or materially increases the burden or risk imposed on the other party to the lease contract, unless the party not making the transfer agrees at any time to the transfer in the lease contract or otherwise, then, except as limited by contract, (i) the transferor is liable to the party not making the transfer for damages caused by the transfer to the extent that the damages could not reasonably be prevented by the party not making the transfer, and (ii) a court having jurisdiction may grant other appropriate relief, including cancellation of the lease contract or an injunction against the transfer.

(5) A transfer of "the lease" or of "all my rights under the lease", or a transfer in similar general terms, is a transfer of rights, and, unless the language or the circumstances, as in a transfer for security, indicate the contrary, the transfer is a delegation of duties by the transferor to the transferee. Acceptance by the transferee constitutes a promise by the transferee to perform those duties. The promise is enforceable by either the transferor or the other party to the lease contract.

(6) Unless otherwise agreed by the lessor and the

lessee, a delegation of performance does not relieve the transferor as against the other party of any duty to perform or of any liability for default.

(7) In a consumer lease, to prohibit the transfer of an interest of a party under the lease contract or to make a transfer an event of default, the language must be specific, by a writing and conspicuous. "

Section 135. Section 55-2A-307 NMSA 1978 (being Laws 1992, Chapter 114, Section 44) is amended to read:

"55-2A-307. PRIORITY OF LIENS ARISING BY ATTACHMENT OR LEVY ON, SECURITY INTERESTS IN AND OTHER CLAIMS TO GOODS. --

(1) Except as otherwise provided in Section 55-2A-306 NMSA 1978, a creditor of a lessee takes subject to the lease contract.

(2) Except as otherwise provided in Subsection (3) of this section and in Sections 55-2A-306 and 55-2A-308 NMSA 1978, a creditor of a lessor takes subject to the lease contract unless

the creditor holds a lien that attached to the goods before the lease contract became enforceable.

(3) Except as otherwise provided in Sections 55-9-317, 55-9-321 and 55-9-323 NMSA 1978, a lessee takes a leasehold interest subject to a security interest held by a creditor of the lessor. "

Section 136. Section 55-2A-309 NMSA 1978 (being Laws

1992, Chapter 114, Section 46) is amended to read:

"55-2A-309. LESSOR'S AND LESSEE'S RIGHTS WHEN GOODS
BECOME FIXTURES. --

(1) In this section:

(a) goods are "fixtures" when they become so related to particular real estate that an interest in them arises under real estate law;

(b) a "fixture filing" is the filing, in the office where a record of a mortgage on the real estate would be filed or recorded, of a financing statement covering goods that are or are to become fixtures and conforming to the requirements of Subsections (a) and (b) of Section 55-9-502 NMSA 1978;

(c) a lease is a "purchase money lease" unless the lessee has possession or use of the goods or the right to possession or use of the goods before the lease agreement is enforceable;

(d) a mortgage is a "construction mortgage" to the extent it secures an obligation incurred for the construction of an improvement on land, including the acquisition cost of the land, if the recorded writing so indicates; and

(e) "encumbrance" includes real estate mortgages and other liens on real estate and all other rights in real estate that are not ownership interests.

(2) Under this article a lease may be of goods that are fixtures or may continue in goods that become fixtures, but no lease exists under this article of ordinary building materials incorporated into an improvement on land.

(3) This article does not prevent creation of a lease of fixtures pursuant to real estate law.

(4) The perfected interest of a lessor of fixtures has priority over a conflicting interest of an encumbrancer or owner of the real estate if:

(a) the lease is a purchase money lease, the conflicting interest of the encumbrancer or owner arises before the goods become fixtures, the interest of the lessor is perfected by a fixture filing before the goods become fixtures or within ten days thereafter and the lessee has an interest of record in the real estate or is in possession of the real estate; or

(b) the interest of the lessor is perfected by a fixture filing before the interest of the encumbrancer or owner is of record, the lessor's interest has priority over any conflicting interest of a predecessor in title of the encumbrancer or owner, and the lessee has an interest of record in the real estate or is in possession of the real estate.

(5) The interest of a lessor of fixtures, whether or not perfected, has priority over the conflicting interest

of an encumbrancer or owner of the real estate if:

(a) the fixtures are readily removable factory or office machines, readily removable equipment that is not primarily used or leased for use in the operation of the real estate or readily removable replacements of domestic appliances that are goods subject to a consumer lease, and before the goods become fixtures the lease contract is enforceable; or

(b) the conflicting interest is a lien on the real estate obtained by legal or equitable proceedings after the lease contract is enforceable; or

(c) the encumbrancer or owner has consented in writing to the lease or has disclaimed an interest in the goods as fixtures; or

(d) the lessee has a right to remove the goods as against the encumbrancer or owner. If the lessee's right to remove terminates, the priority of the interest of the lessor continues for a reasonable time.

(6) Notwithstanding Paragraph (a) of Subsection (4) of this section but otherwise subject to Subsections (4) and (5) of this section, the interest of a lessor of fixtures, including the lessor's residual interest, is subordinate to the conflicting interest of an encumbrancer of the real estate under a construction mortgage recorded before the goods become fixtures if the goods become fixtures before

the completion of the construction. To the extent given to refinance a construction mortgage, the conflicting interest of an encumbrancer of the real estate under a mortgage has this priority to the same extent as the encumbrancer of the real estate under the construction mortgage.

(7) In cases not within the preceding subsections, priority between the interest of a lessor of fixtures, including the lessor's residual interest, and the conflicting interest of an encumbrancer or owner of the real estate who is not the lessee is determined by the priority rules governing conflicting interests in real estate.

(8) If the interest of a lessor of fixtures, including the lessor's residual interest, has priority over all conflicting interests of all owners and encumbrancers of the real estate, the lessor or the lessee may (i) on default, expiration, termination or cancellation of the lease agreement but subject to the lease agreement and this article, or (ii) if necessary to enforce other rights and remedies of the lessor or lessee under this article, remove the goods from the real estate, free and clear of all conflicting interests of all owners and encumbrancers of the real estate, but the lessor or lessee must reimburse any encumbrancer or owner of the real estate who is not the lessee and who has not otherwise agreed for the cost of repair of any physical injury, but not for any diminution in

value of the real estate caused by the absence of the goods removed or by any necessity of replacing them. A person entitled to reimbursement may refuse permission to remove until the party seeking removal gives adequate security for the performance of this obligation.

(9) Even though the lease agreement does not create a security interest, the interest of a lessor of fixtures, including the lessor's residual interest, is perfected by filing a financing statement as a fixture filing for leased goods that are or are to become fixtures in accordance with the relevant provisions of Chapter 55, Article 9 NMSA 1978. "

Section 137. Section 55-4-210 NMSA 1978 (being Laws 1961, Chapter 96, Section 4-208, as amended) is amended to read:

"55-4-210. SECURITY INTEREST OF COLLECTING BANK IN ITEMS, ACCOMPANYING DOCUMENTS AND PROCEEDS. --

(a) A collecting bank has a security interest in an item and any accompanying documents or the proceeds of either:

(1) in case of an item deposited in an account, to the extent to which credit given for the item has been withdrawn or applied;

(2) in case of an item for which it has given credit available for withdrawal as of right, to the

extent of the credit given, whether or not the credit is drawn upon or there is a right of charge-back; or

(3) if it makes an advance on or against the item.

(b) If credit given for several items received at one time or pursuant to a single agreement is withdrawn or applied in part, the security interest remains upon all the items, any accompanying documents or the proceeds of either. For the purpose of this section, credits first given are first withdrawn.

(c) Receipt by a collecting bank of a final settlement for an item is a realization on its security interest in the item, accompanying documents and proceeds. So long as the bank does not receive final settlement for the item or give up possession of the item or accompanying documents for purposes other than collection, the security interest continues to that extent and is subject to Chapter 55, Article 9 NMSA 1978, but:

(1) no security agreement is necessary to make the security interest enforceable (Subparagraph (A) of Paragraph (3) of Subsection (b) of Section 55-9-203 NMSA 1978);

(2) no filing is required to perfect the security interest; and

(3) the security interest has priority over

conflicting perfected security interests in the item, accompanying documents or proceeds."

Section 138. A new Section 55-5-118 NMSA 1978 is enacted to read:

"55-5-118. SECURITY INTEREST OF ISSUER OR NOMINATED PERSON. --

(a) An issuer or nominated person has a security interest in a document presented under a letter of credit to the extent that the issuer or nominated person honors or gives value for the presentation.

(b) So long as and to the extent that an issuer or nominated person has not been reimbursed or has not otherwise recovered the value given with respect to a security interest in a document under Subsection (a) of this section, the security interest continues and is subject to Chapter 55, Article 9 NMSA 1978, but:

(1) a security agreement is not necessary to make the security interest enforceable under Paragraph (3) of Subsection (b) of Section 55-9-203 NMSA 1978;

(2) if the document is presented in a medium other than a written or other tangible medium, the security interest is perfected; and

(3) if the document is presented in a written or other tangible medium and is not a certificated security, chattel paper, a document of title, an instrument

or a letter of credit, the security interest is perfected and has priority over a conflicting security interest in the document so long as the debtor does not have possession of the document. "

Section 139. Section 55-7-503 NMSA 1978 (being Laws 1961, Chapter 96, Section 7-503) is amended to read:

"55-7-503. DOCUMENT OF TITLE TO GOODS DEFEATED IN CERTAIN CASES. --

(1) A document of title confers no right in goods against a person who before issuance of the document had a legal interest or a perfected security interest in them and who neither:

(a) delivered or entrusted them or any document of title covering them to the bailor or his nominee with actual or apparent authority to ship, store or sell or with power to obtain delivery under this article (Section 55-7-403 NMSA 1978) or with power of disposition under Sections 55-2-403 and 55-9-320 NMSA 1978 or other statute or rule of law; nor

(b) acquiesced in the procurement by the bailor or his nominee of any document of title.

(2) Title to goods based upon an unaccepted delivery order is subject to the rights of anyone to whom a negotiable warehouse receipt or bill of lading covering the goods has been duly negotiated. Such a title may be defeated

under Section 55-7-504 NMSA 1978 to the same extent as the rights of the issuer or a transferee from the issuer.

(3) Title to goods based upon a bill of lading issued to a freight forwarder is subject to the rights of anyone to whom a bill issued by the freight forwarder is duly negotiated; but delivery by the carrier in accordance with Sections 55-7-401 through 55-7-404 NMSA 1978 pursuant to its own bill of lading discharges the carrier's obligation to deliver."

Section 140. Section 55-8-103 NMSA 1978 (being Laws 1996, Chapter 47, Section 7) is amended to read:

"55-8-103. RULES FOR DETERMINING WHETHER CERTAIN OBLIGATIONS AND INTERESTS ARE SECURITIES OR FINANCIAL ASSETS. --

(a) A share or similar equity interest issued by a corporation, business trust, joint stock company or similar entity is a security.

(b) An "investment company security" is a security. "Investment company security" means a share or similar equity interest issued by an entity that is registered as an investment company under the federal investment company laws, an interest in a unit investment trust that is so registered or a face-amount certificate issued by a face-amount certificate company that is so registered. Investment company security does not include an

insurance policy or endowment policy or annuity contract issued by an insurance company.

(c) An interest in a partnership or limited liability company is not a security unless it is dealt in or traded on securities exchanges or in securities markets, its terms expressly provide that it is a security governed by this article or it is an investment company security. However, an interest in a partnership or limited liability company is a financial asset if it is held in a securities account.

(d) A writing that is a security certificate is governed by this article and not by Chapter 55, Article 3 NMSA 1978, even though it also meets the requirements of that article. However, a negotiable instrument governed by Chapter 55, Article 3 NMSA 1978 is a financial asset if it is held in a securities account.

(e) An option or similar obligation issued by a clearing corporation to its participants is not a security. It is a financial asset.

(f) A commodity contract, as defined in Paragraph (15) of Subsection (a) of Section 55-9-102 NMSA 1978, is not a security or a financial asset."

Section 141. Section 55-8-106 NMSA 1978 (being Laws 1996, Chapter 47, Section 10) is amended to read:

"55-8-106. CONTROL. --

(a) A purchaser has "control" of a certificated security in bearer form if the certificated security is delivered to the purchaser.

(b) A purchaser has "control" of a certificated security in registered form if the certificated security is delivered to the purchaser and:

(1) the certificate is indorsed to the purchaser or in blank by an effective indorsement; or

(2) the certificate is registered in the name of the purchaser, upon original issue or registration of transfer by the issuer.

(c) A purchaser has "control" of an uncertificated security if:

(1) the uncertificated security is delivered to the purchaser; or

(2) the issuer has agreed that it will comply with instructions originated by the purchaser without further consent by the registered owner.

(d) A purchaser has "control" of a security entitlement if:

(1) the purchaser becomes the entitlement holder;

(2) the securities intermediary has agreed that it will comply with entitlement orders originated by the purchaser without further consent by the entitlement holder;

or

(3) another person has control of the security entitlement on behalf of the purchaser or, having previously acquired control of the security entitlement, acknowledges that it has control on behalf of the purchaser.

(e) If an interest in a security entitlement is granted by the entitlement holder to the entitlement holder's own securities intermediary, the securities intermediary has control.

(f) A purchaser who has satisfied the requirements of Subsection (c) or (d) of this section has control even if the registered owner in the case of Subsection (c) of this section or the entitlement holder in the case of Subsection (d) of this section retains the right to make substitutions for the uncertificated security or security entitlement, to originate instructions or entitlement orders to the issuer or securities intermediary or otherwise to deal with the uncertificated security or security entitlement.

(g) An issuer or a securities intermediary may not enter into an agreement of the kind described in Paragraph (2) of Subsection (c) or Paragraph (2) of Subsection (d) of this section without the consent of the registered owner or entitlement holder, but an issuer or a securities intermediary is not required to enter into such an agreement

even though the registered owner or entitlement holder so directs. An issuer or securities intermediary that has entered into such an agreement is not required to confirm the existence of the agreement to another party unless requested to do so by the registered owner or entitlement holder."

Section 142. Section 55-8-110 NMSA 1978 (being Laws 1996, Chapter 47, Section 14) is amended to read:

"55-8-110. APPLICABILITY--CHOICE OF LAW.--

(a) The local law of the issuer's jurisdiction, as specified in Subsection (d) of this section, governs:

- (1) the validity of a security;
- (2) the rights and duties of the issuer with respect to registration of transfer;
- (3) the effectiveness of registration of transfer by the issuer;
- (4) whether the issuer owes any duties to an adverse claimant to a security; and
- (5) whether an adverse claim can be asserted against a person to whom transfer of a certificated or uncertificated security is registered or a person who obtains control of an uncertificated security.

(b) The local law of the securities intermediary's jurisdiction, as specified in Subsection (e) of this section, governs:

- (1) acquisition of a security entitlement

from the securities intermediary;

(2) the rights and duties of the securities intermediary and entitlement holder arising out of a security entitlement;

(3) whether the securities intermediary owes any duties to an adverse claimant to a security entitlement; and

(4) whether an adverse claim can be asserted against a person who acquires a security entitlement from the securities intermediary or a person who purchases a security entitlement or interest therein from an entitlement holder.

(c) The local law of the jurisdiction in which a security certificate is located at the time of delivery governs whether an adverse claim can be asserted against a person to whom the security certificate is delivered.

(d) "Issuer's jurisdiction" means the jurisdiction under which the issuer of the security is organized or, if permitted by the law of that jurisdiction, the law of another jurisdiction specified by the issuer. An issuer organized under the law of this state may specify the law of another jurisdiction as the law governing the matters specified in Paragraphs (2) through (5) of Subsection (a) of this section.

(e) The following rules determine a "securities intermediary's jurisdiction" for purposes of this section:

(1) if an agreement between the securities intermediary and its entitlement holder governing the securities account expressly provides that a particular jurisdiction is the securities intermediary's jurisdiction for purposes of Sections 55-8-101 through 55-8-116 NMSA 1978, that jurisdiction is the securities intermediary's jurisdiction;

(2) if Paragraph (1) of this subsection does not apply and an agreement between the securities intermediary and its entitlement holder governing the securities account expressly provides that the agreement is governed by the law of a particular jurisdiction, that jurisdiction is the securities intermediary's jurisdiction;

(3) if neither Paragraph (1) nor Paragraph (2) of this subsection applies and an agreement between the securities intermediary and its entitlement holder governing the securities account expressly provides that the securities account is maintained at an office in a particular jurisdiction, that jurisdiction is the securities intermediary's jurisdiction;

(4) if none of the preceding paragraphs applies, the securities intermediary's jurisdiction is the jurisdiction in which the office identified in an account statement as the office serving the entitlement holder's account is located; or

(5) if none of the preceding paragraphs applies, the securities intermediary's jurisdiction is the jurisdiction in which the chief executive office of the securities intermediary is located.

(f) A securities intermediary's jurisdiction is not determined by the physical location of certificates representing financial assets or by the jurisdiction in which is organized the issuer of the financial asset with respect to which an entitlement holder has a security entitlement or by the location of facilities for data processing or other record keeping concerning the account. "

Section 143. Section 55-8-301 NMSA 1978 (being Laws 1996, Chapter 47, Section 31) is amended to read:

"55-8-301. DELIVERY. --

(a) Delivery of a certificated security to a purchaser occurs when:

(1) the purchaser acquires possession of the security certificate;

(2) another person, other than a securities intermediary, either acquires possession of the security certificate on behalf of the purchaser or, having previously acquired possession of the certificate, acknowledges that it holds for the purchaser; or

(3) a securities intermediary acting on behalf of the purchaser acquires possession of the security

certificate, only if the certificate is in registered form and is (i) registered in the name of the purchaser, (ii) payable to the order of the purchaser or (iii) specially indorsed to the purchaser by an effective indorsement and has not been indorsed to the securities intermediary or in blank.

(b) Delivery of an uncertificated security to a purchaser occurs when:

(1) the issuer registers the purchaser as the registered owner, upon original issue or registration of transfer; or

(2) another person, other than a securities intermediary, either becomes the registered owner of the uncertificated security on behalf of the purchaser or, having previously become the registered owner, acknowledges that it holds for the purchaser."

Section 144. Section 55-8-302 NMSA 1978 (being Laws 1996, Chapter 47, Section 32) is amended to read:

"55-8-302. RIGHTS OF PURCHASER. --

(a) Except as otherwise provided in Subsections (b) and (c) of this section, a purchaser of a certificated or uncertificated security acquires all rights in the security that the transferor had or had power to transfer.

(b) A purchaser of a limited interest acquires rights only to the extent of the interest purchased.

(c) A purchaser of a certificated security who as

a previous holder had notice of an adverse claim does not improve its position by taking from a protected purchaser."

Section 145. Section 55-8-510 NMSA 1978 (being Laws 1996, Chapter 47, Section 54) is amended to read:

"55-8-510. RIGHTS OF PURCHASER OF SECURITY ENTITLEMENT FROM ENTITLEMENT HOLDER. --

(a) In a case not covered by the priority rules in Chapter 55, Article 9 NMSA 1978 or the rules stated in Subsection (c) of this section, an action based on an adverse claim to a financial asset or security entitlement, whether framed in conversion, replevin, constructive trust, equitable lien or other theory, may not be asserted against a person who purchases a security entitlement, or an interest therein, from an entitlement holder if the purchaser gives value, does not have notice of the adverse claim and obtains control.

(b) If an adverse claim could not have been asserted against an entitlement holder under Section 55-8-502 NMSA 1978, the adverse claim cannot be asserted against a person who purchases a security entitlement, or an interest therein, from the entitlement holder.

(c) In a case not covered by the priority rules in Chapter 55, Article 9 NMSA 1978, a purchaser for value of a security entitlement, or an interest therein, who obtains control has priority over a purchaser of a security entitlement, or an interest therein, who does not obtain

control. Except as otherwise provided in Subsection (d) of this section, purchasers who have control rank according to priority in time of:

(1) the purchaser's becoming the person for whom the securities account, in which the security entitlement is carried, is maintained, if the purchaser obtained control under Paragraph (1) of Subsection (d) of Section 55-8-106 NMSA 1978;

(2) the securities intermediary's agreement to comply with the purchaser's entitlement orders with respect to security entitlements carried or to be carried in the securities account in which the security entitlement is carried, if the purchaser obtained control under Paragraph (2) of Subsection (d) of Section 55-8-106 NMSA 1978; or

(3) if the purchaser obtained control through another person under Paragraph (3) of Subsection (d) of Section 55-8-106 NMSA 1978, the time on which priority would be based under this subsection if the other person were the secured party.

(d) A securities intermediary as purchaser has priority over a conflicting purchaser who has control unless otherwise agreed by the securities intermediary."

Section 146. SAVING CLAUSE. --

(a) Except as otherwise provided in Sections 146 through 155 of this act, its provisions apply to a

transaction or lien within its scope, even if the transaction or lien was entered into or created before July 1, 2001.

(b) Except as otherwise provided in Subsection (c) of this section and Sections 147 through 153 of this act:

(1) transactions and liens that were not governed by Chapter 55, Article 9 NMSA 1978, as it existed prior to July 1, 2001, were validly entered into or created before that date and would be subject to this act if they had been entered into or created after July 1, 2001, and the rights, duties and interests flowing from those transactions and liens remain valid after July 1, 2001; and

(2) the transactions and liens described in Paragraph (1) of this subsection may be terminated, completed, consummated and enforced as required or permitted by this act or by the law that otherwise would apply if this act had not taken effect.

(c) This act does not affect an action, case or proceeding commenced before July 1, 2001.

Section 147. TEMPORARY TRANSITION PROVISION--SECURITY INTEREST PERFECTED BEFORE EFFECTIVE DATE.--

(a) A security interest that is enforceable immediately before July 1, 2001 and would have priority over the rights of a person that becomes a lien creditor at that time is a perfected security interest under this act if, on July 1, 2001, the applicable requirements for enforceability

and perfection under this act are satisfied without further action.

(b) Except as otherwise provided in Section 149 of this act, if, immediately before July 1, 2001, a security interest is enforceable and would have priority over the rights of a person that becomes a lien creditor at that time, but the applicable requirements for enforceability or perfection under this act are not satisfied on July 1, 2001, the security interest:

(1) is a perfected security interest until midnight on June 30, 2002;

(2) remains enforceable on and after July 1, 2002 only if the security interest becomes enforceable pursuant to Section 55-9-203 NMSA 1978 before midnight on June 30, 2002; and

(3) remains perfected on and after July 1, 2002 only if the applicable requirements for perfection under this act are satisfied before midnight on June 30, 2002.

Section 148. TEMPORARY TRANSITION PROVISION--SECURITY INTEREST UNPERFECTED BEFORE EFFECTIVE DATE.--A security interest that is enforceable immediately before July 1, 2001, but which would be subordinate to the rights of a person that becomes a lien creditor at that time:

(1) remains an enforceable security interest until midnight June 30, 2002;

(2) remains enforceable on and after July 1, 2002 if the security interest becomes enforceable pursuant to Section 55-9-203 NMSA 1978 before June 30, 2002; and

(3) becomes perfected:

(A) without further action on July 1, 2002 if the applicable requirements for perfection under this act are satisfied before or at that time; or

(B) when the applicable requirements for perfection are satisfied if the requirements are satisfied after the time specified in Paragraph (A) of this subsection.

Section 149. TEMPORARY TRANSITION PROVISION--
EFFECTIVENESS OF ACTION TAKEN BEFORE EFFECTIVE DATE.--

(a) If action, other than the filing of a financing statement, is taken before July 1, 2001, and if the action would have resulted in priority of a security interest over the rights of a person that becomes a lien creditor had the security interest become enforceable before that date, the action is effective to perfect a security interest that attaches under this act before July 1, 2002. An attached security interest becomes unperfected on July 1, 2002 unless the security interest becomes a perfected security interest under this act before that date.

(b) The filing of a financing statement before July 1, 2001 is effective to perfect a security interest to the extent the filing would satisfy the applicable

requirements for perfection under this act.

(c) This act does not render ineffective an effective financing statement that, before July 1, 2001, is filed and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in Section 55-9-103 NMSA 1978 as it existed prior to July 1, 2001. However, except as otherwise provided in Subsections (d) and (e) of this section and Section 150 of this act, the financing statement ceases to be effective at the earlier of:

(1) the time the financing statement would have ceased to be effective under the law of the jurisdiction in which it is filed; or

(2) June 30, 2006.

(d) Filing of a continuation statement after July 1, 2001 does not continue the effectiveness of a financing statement filed before that date. However, upon the timely filing of a continuation statement on or after July 1, 2001 and in accordance with the law of the jurisdiction governing perfection as provided in Sections 55-9-301 through 55-9-342 NMSA 1978, the effectiveness of a financing statement filed in the same office in that jurisdiction before July 1, 2001 continues for the period provided by the law of that jurisdiction.

(e) Paragraph (2) of Subsection (c) of this

section applies to a financing statement that, before July 1, 2001, is filed against a transmitting utility and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in Section 55-9-103 NMSA 1978 as that section existed prior to July 1, 2001 only to the extent that Sections 55-9-301 through 55-9-342 NMSA 1978 provide that the law of a jurisdiction other than the jurisdiction in which the financing statement is filed governs perfection of a security interest in collateral covered by the financing statement.

(f) A financing statement that includes a financing statement filed before July 1, 2001 and a continuation statement filed after that date is effective only to the extent that it satisfies the requirements of Sections 55-9-501 through 55-9-518 NMSA 1978 for an initial financing statement.

Section 150. TEMPORARY TRANSITION PROVISION--WHEN INITIAL FINANCING STATEMENT SUFFICES TO CONTINUE EFFECTIVENESS OF FINANCING STATEMENT.--

(a) The filing of an initial financing statement in the office specified in Section 55-9-501 NMSA 1978 continues the effectiveness of a financing statement filed before July 1, 2001 if:

(1) the filing of an initial financing statement in that office would be effective to perfect a

security interest under this act;

(2) the pre-effective-date financing statement was filed in an office in another state or another office in this state; and

(3) the initial financing statement satisfies Subsection (c) of this section.

(b) The filing of an initial financing statement under Subsection (a) of this section continues the effectiveness of the pre-effective-date financing statement:

(1) if the initial financing statement is filed before July 1, 2001, for the period provided in Section 55-9-403 NMSA 1978 as it existed prior to July 1, 2001, with respect to a financing statement; and

(2) if the initial financing statement is filed after July 1, 2001, for the period provided in Section 55-9-515 NMSA 1978 with respect to an initial financing statement.

(c) To be effective for purposes of Subsection (a) of this section, an initial financing statement must:

(1) satisfy the requirements of Sections 55-9-501 through 55-9-526 NMSA 1978 for an initial financing statement;

(2) identify the pre-effective-date financing statement by indicating the office in which the financing statement was filed and providing the dates of

filing and file numbers, if any, of the financing statement and of the most recent continuation statement filed with respect to the financing statement; and

(3) indicate that the pre-effective-date financing statement remains effective.

Section 151. TEMPORARY TRANSITION PROVISION--AMENDMENT OF PRE-EFFECTIVE-DATE FINANCING STATEMENT. --

(a) In this section, "pre-effective-date financing statement" means a financing statement filed before July 1, 2001.

(b) After July 1, 2001, a person may add or delete collateral covered by, continue or terminate the effectiveness of, or otherwise amend the information provided in, a pre-effective-date financing statement only in accordance with the law of the jurisdiction governing perfection as provided in Sections 55-9-301 through 55-9-338 NMSA 1978. However, the effectiveness of a pre-effective-date financing statement also may be terminated in accordance with the law of the jurisdiction in which the financing statement is filed.

(c) Except as otherwise provided in Subsection (d) of this section if the law of this state governs perfection of a security interest, the information in a pre-effective-date financing statement may be amended after July 1, 2001 only if:

(1) the pre-effective-date financing statement and an amendment are filed in the office specified in Section 55-9-501 NMSA 1978;

(2) an amendment is filed in the office specified in Section 55-9-501 NMSA 1978 concurrently with, or after the filing in that office of, an initial financing statement that satisfies Subsection (c) of Section 149 of this act; or

(3) an initial financing statement that provides the information as amended and satisfies Subsection (c) of Section 149 of this act is filed in the office specified in Section 55-9-501 NMSA 1978.

(d) If the law of this state governs perfection of a security interest, the effectiveness of a pre-effective-date financing statement may be continued only under Subsections (d) and (f) of Section 148 of this act or Section 149 of this act.

(e) Whether or not the law of this state governs perfection of a security interest, the effectiveness of a pre-effective-date financing statement filed in this state may be terminated after July 1, 2001 by filing a termination statement in the office in which the pre-effective-date financing statement is filed, unless an initial financing statement that satisfies Subsection (c) of Section 149 of this act has been filed in the office specified by the law of

the jurisdiction governing perfection as provided in Sections 55-9-301 through 55-9-342 NMSA 1978 as the office in which to file a financing statement.

Section 152. TEMPORARY TRANSITION PROVISION-- PERSONS ENTITLED TO FILE INITIAL FINANCING STATEMENT OR CONTINUATION STATEMENT.--A person may file an initial financing statement or a continuation statement under Sections 145 through 152 of this act if:

(1) the secured party of record authorizes the filing; and

(2) the filing is necessary under Sections 145 through 153 of this act:

(A) to continue the effectiveness of a financing statement filed before July 1, 2001; or

(B) to perfect or continue the perfection of a security interest.

Section 153. TEMPORARY TRANSITION PROVISION-- PRIORITY.--

(a) This act determines the priority of conflicting claims to collateral. However, if the relative priorities of the claims were established before July 1, 2001, Chapter 55, Article 9 NMSA 1978 as it existed before that date determines priority.

(b) For purposes of Subsection (a) of Section 55-9-322 NMSA 1978, the priority of a security interest that

becomes enforceable under Section 55-9-203 NMSA 1978 dates from July 1, 2001 if the security interest is perfected under this act by the filing of a financing statement before that date which would not have been effective to perfect the security interest under Chapter 55, Article 9 NMSA 1978 as it existed before July 1, 2001. This subsection does not apply to conflicting security interests, each of which is perfected by the filing of such a financing statement.

Section 154. TEMPORARY TRANSITION PROVISION--CERTAIN RECORDS OF COUNTY CLERKS. --

(a) As used in this section, "pre-effective-date record" means a financing statement and related records filed in a county clerk's office, pursuant to the provisions of Chapter 55, Article 9 NMSA 1978 as it existed prior to July 1, 2001, but does not include real estate records filed in the county clerk's office.

(b) Until July 1, 2008, a county clerk shall maintain, index and make available to the public all pre-effective-date records.

(c) On or after July 1, 2008, a county clerk may remove and destroy pre-effective-date records, including related indexes, so long as the county clerk complies with other applicable laws regarding retention of records.

Section 155. EFFECTIVE DATE. --The effective date of the provisions of this act is July 1, 2001. _____
