a level that public authorities in their home countries are
powerless to prevent or remedy; and

1 federal Immigration and Nationality Act, reflecting United
2 States treaty obligations under the 1967 protocol relating to
3 the status of refugees; and

4 WHEREAS, many of these women and children have been
5 detained in a federal immigration detention facility in
6 Artesia; and

7 WHEREAS, since July 2014, of the more than one thousand
8 asylum-seeking Central American mothers and children detained
9 in that facility, almost every asylum claim that has been
10 considered on the merits resulted in the grant of asylum by the
11 immigration judge; and

12 WHEREAS, the federal government has legitimate concerns
13 for national security and the orderly control of immigration
14 affairs; and

15 WHEREAS, the detention of thousands of asylum-seeking
16 women and children does not resolve those concerns, especially
17 when there are relatives, faith congregations and other
18 community organizations willing to support them in the pursuit
19 of their asylum claims;

20 NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF
21 REPRESENTATIVES OF THE STATE OF NEW MEXICO that the president
22 of the United States and members of the New Mexico
23 congressional delegation be respectfully requested to consider
24 alternatives to the detainment of immigrant families seeking
25 asylum in this country; and
