SUMMARY

Synopsis of Bill

Senate Joint Memorial 13 resolves that when requests for proposals are written for saving trees at least five inches in diameter from insect infestation or pruning, state agencies, counties and municipalities should be requested to include as a requirement a guarantee of the life of the tree for a period of at least two years and a condition that should a tree die from parasites or disease within the guarantee period, the entity originally undertaking the treework will, at the entity's expense, cut down the tree and grind and remove the stump.

FISCAL IMPLICATIONS

No fiscal impact is identified at this time.
