20 requirements to obtain a license from the new home state.

21 F. If an audiologist or speech-language pathologist
22 changes a primary state of residence by moving from a member
23 state to a non-member state, the license issued by the prior
24 home state shall convert to a single-state license, valid only
25 in the former home state.

.218261.3

1 G. A compact privilege is valid until the
2 expiration date of the home state license. A licensee must

5 audiologist's or speech-language pathologist's privilege to
6 practice within that member state;

7 (2) issue subpoenas for both hearings and
8 investigations that require the attendance and testimony of
9 witnesses as well as the production of evidence. Subpoenas
10 issued by a licensing board in a member state for the
11 attendance and testimony of witnesses or the production of
12 evidence from another member state shall be enforced in the
13 latter state by any court of competent jurisdiction according
14 to the practice and procedure of that court applicable to
15 subpoenas issued in proceedings pending before the court. The
16 issuing authority shall pay any witness fees, travel expenses,
17 mileage and other fees required by the service statutes of the
18 state in which the witnesses or evidence are located; and

19 (3) only the home state shall have the power
20 to take adverse action against a audiologist's or speech-
21 language pathologist's license issued by the home state.

22 B. For purposes of taking adverse action, the home
23 state shall give the same priority and effect to reported
24 conduct received from a member state as it would if the conduct
25 had occurred within the home state. In so doing, the home

1 state shall apply its own state laws to determine appropriate

3 C. The home state shall complete any pending
4 investigations of an audiologist or speech-language pathologist
5 who changes primary state of residence during the course of the
6 investigations. The home state shall also have the authority
7 to take appropriate action and shall promptly report the
8 conclusions of the investigations to the administrator of the
9 data system. The administrator of the data system shall
10 promptly notify the new home state of any adverse actions.

15 against that audiologist or speech-language pathologist.

16 E. The member state may take adverse action based
17 on the factual findings of the remote state, provided that the
18 member state follows the member state's own procedures for
19 taking the adverse action.

20 F. In addition to the authority granted to a member
21 state by its respective audiology or speech-language pathology
22 practice act or other applicable state law, any member state
23 may participate with other member states in joint
24 investigations of licensees. Member states shall share any
25 investigative, litigation or compliance materials in

.218261.3

underscored material = new
[bracketed material] = delete

1 furtherance of any joint or individual investigation initiated
2 under the compact.

3 G. If adverse action is taken by the home state
4 against an audiologist's or speech language pathologist's
5 license, the audiologist's or speech-language pathologist's
6 privilege to practice in all other member states shall be
7 deactivated until all encumbrances have been removed from the
8 state license. All home state disciplinary orders that impose
9 adverse action against an audiologist's or speech language
10 pathologist's license shall include a statement that the
11 audiologist's or speech-language pathologist's privilege to
12 practice is deactivated in all member states during the
13 pendency of the order.

14 H. If a member state takes adverse action, it shall
15 promptly notify the administrator of the data system. The
16 administrator of the data system shall promptly notify the home
17 state of any adverse actions by remote states.

18 I. Nothing in this compact shall override a member
19 state's decision that participation in an alternative program
20 may be used in lieu of adverse action.

21 SECTION 9. [NEW MATERIAL] AUDIOLOGY AND SPEECH-LANGUAGE
22 PATHOLOGY COMPACT COMMISSION--CREATED.--

3 provided that nothing in this subsection shall be construed to
4 prohibit that person from retaining that person's own counsel;
5 and further provided that the actual or alleged act, error or
6 omission did not result from that person's intentional or
7 willful or wanton misconduct.

8 C. The commission shall indemnify and hold harmless
9 any member, officer, executive director, employee or
10 representative of the commission for the amount of any

18 willful or wanton misconduct of that person.

19 SECTION 11. [NEW MATERIAL] DATA SYSTEM.--

20 A. The commission shall provide for the
21 development, maintenance and utilization of a coordinated
22 database and reporting system containing licensure, adverse
23 action and investigative information on all licensed
24 individuals in member states.

25 B. Notwithstanding any other provision of state law

.218261.3

1 to the contrary, a member state shall submit a uniform data set

17 licensee in any member state shall only be available to other
18 member states.

19 D. The commission shall promptly notify all member
20 states of any adverse action taken against a licensee or an
21 individual applying for a license. Adverse action information

24 E. Member states contributing information to the
25 data system may designate information that may not be shared

1 with the public without the express permission of the
2 contributing state.

3 F. Any information submitted to the data system
4 that is subsequently required to be expunged by the laws of the
5 member state contributing the information shall be removed from
6 the data system.

7 SECTION 12. [NEW MATERIAL] RULEMAKING.--

8 A. The commission shall exercise its rulemaking
9 powers pursuant to the criteria set forth in this section and
10 the rules adopted thereunder. Rules and amendments shall
11 become binding as of the date specified in each rule or
12 amendment.

13 B. If a majority of the legislatures of the member
14 states rejects a rule, by enactment of a statute or resolution
15 in the same manner used to adopt the compact within four years
16 of the date of adoption of the rule, the rule shall have no
17 further force and effect in any member state.

18 C. Rules or amendments to the rules shall be
19 adopted at a regular or special meeting of the commission.

20 D. Prior to promulgation and adoption of a final

23 upon, the commission shall file a notice of proposed
24 rulemaking:

25 (1) on the website of the commission or other

.218261.3

1 publicly accessible platform; and

2 (2) on the website of each member state's
3 audiology and speech-language pathology licensing board or
4 other publicly accessible platform or the publication in which
5 each state would otherwise publish proposed rules.

6 E. The notice of proposed rulemaking shall include:

7 (1) the proposed time, date and location of
8 the meeting in which the rule shall be considered and voted
9 upon;

10 (2) the text of the proposed rule or amendment
11 and the reason for the proposed rule;

12 (3) a request for comments on the proposed
13 rule from any interested person; and

14 (4) the manner in which interested persons may
15 submit notice to the commission of their intention to attend
16 the public hearing and any written comments.

17 F. Prior to the adoption of a proposed rule, the
18 commission shall allow persons to submit written data, facts,
19 opinions and arguments, which shall be made available to the
20 public.

21 G. The commission shall grant an opportunity for a
22 public hearing before it adopts a rule or amendment if a
23 hearing is requested by:

1 subdivision or agency; or

2 (3) an association having at least twenty-five
3 members.

4 H. If a hearing is held on the proposed rule or
5 amendment, the commission shall publish the place, time and
6 date of the scheduled public hearing. If the hearing is held
7 via electronic means, the commission shall publish the
8 mechanism for access to the electronic hearing and the
9 procedure for hearings shall be conducted according to the
10 following provisions:

11 (1) all persons wishing to be heard at the
12 hearing shall notify the executive director of the commission
13 or other designated member in writing of their desire to appear
14 and testify at the hearing not less than five business days
15 before the scheduled date of the hearing;

16 (2) hearings shall be conducted in a manner
17 that provides each person who wishes to comment a fair and
18 reasonable opportunity to comment orally or in writing;

19 (3) all hearings shall be recorded and a copy
20 of the recording shall be made available on request; and

21 (4) nothing in this section shall be construed
22 as requiring a separate hearing on each rule. Rules may be
23 grouped for the convenience of the commission at hearings
24 required by this section.

.218261.3

underscored material = new
~~[bracketed material] = delete~~

1 close of business on the scheduled hearing date if the hearing
2 was not held, the commission shall consider all written and
3 oral comments received.

4 J. If no written notice of intent to attend the
5 public hearing by interested parties is received, the
6 commission may proceed with promulgation of the proposed rule
7 without a public hearing.

8 K. The commission shall, by majority vote of all
9 members, take final action on the proposed rule and shall
10 determine the effective date of the rule, if any, based on the
11 rulemaking record and the full text of the rule.

12 L. Upon determination that an emergency exists, the
13 commission may consider and adopt an emergency rule without
14 prior notice and an opportunity for comment or hearing;
15 provided that the usual rulemaking procedures provided in the
16 compact and in this section shall be retroactively applied to
17 the rule as soon as reasonably possible, but in no event later
18 than ninety days after the effective date of the rule. For the
19 purposes of this provision, an emergency rule is one that must
20 be adopted immediately in order to:

21 (1) meet an imminent threat to public health,
22 safety or welfare;

23 (2) prevent a loss of commission or member
24 state funds; or

25 (3) meet a deadline for the promulgation of an

1 administrative rule that is established by federal law or rule.

2 M. The commission or an authorized committee of the
3 commission may direct revisions to a previously adopted rule or
4 amendment for purposes of correcting typographical errors,
5 errors in format, errors in consistency or grammatical errors.
6 Public notice of any revisions shall be posted on the website
7 of the commission. The revision shall be subject to challenge
8 by any person for a period of thirty days after posting. The
9 revision may be challenged only on grounds that the revision
10 results in a material change to a rule. A challenge shall be
11 made in writing and delivered to the chair of the commission
12 prior to the end of the notice period. If no challenge is
13 made, the revision shall take effect without further action. If
14 the revision is challenged, the revision may not take effect
15 without the approval of the commission.

16 SECTION 13. [NEW MATERIAL] OVERSIGHT, DISPUTE RESOLUTION

underscoring material = new
~~[bracketed material] = delete~~

1 its discretion, shall enforce the provisions and rules of this
2 compact.

3 D. By majority vote, the commission may initiate
4 legal action in the United States district court for the
5 District of Columbia or the federal district where the
6 commission has its principal offices against a member state in
7 default to enforce compliance with the provisions of the
8 compact and its promulgated rules and bylaws. The relief
9 sought may include both injunctive relief and damages. In the
10 event judicial enforcement is necessary, the prevailing member
11 shall be awarded all costs of litigation, including reasonable
12 attorney fees.

13 E. The remedies provided in this section shall not
14 be the exclusive remedies of the commission. The commission
15 may pursue any other remedies available under federal or state
16 law.

17 SECTION 14. [NEW MATERIAL] DATE OF IMPLEMENTATION OF THE
18 AUDIOLOGY AND SPEECH-LANGUAGE PATHOLOGY INTERSTATE COMPACT AND
19 ASSOCIATED RULES, WITHDRAWAL AND AMENDMENT.--

20 A. The compact shall come into effect on the date
21 on which the compact statute is enacted into law in the tenth
22 member state. The provisions, which become effective at that
23 time, shall be limited to the powers granted to the commission
24 relating to assembly and the promulgation of rules.

25 Thereafter, the commission shall meet and exercise rulemaking

1 powers necessary to the implementation and administration of
2 the compact.

3 B. Any state that joins the compact subsequent to
4 the commission's initial adoption of the rules shall be subject
5 to the rules as they exist on the date on which the compact
6 becomes law in that state. Any rule that has been previously
7 adopted by the commission shall have the full force and effect
8 of law on the day the compact becomes law in that state.

9 C. Any member state may withdraw from this compact
10 by enacting a statute repealing the same.

11 D. A member state's withdrawal shall not take
12 effect until six months after enactment of the repealing
13 statute.

14 E. Withdrawal shall not affect the continuing
15 requirement of the withdrawing state's audiology and speech-
16 language pathology licensing board to comply with the
17 investigative and adverse action reporting requirements of this
18 compact prior to the effective date of withdrawal.

19 F. Nothing contained in this compact shall be
20 construed to invalidate or prevent any audiology and speech-
21 language pathology licensure agreement or other cooperative
22 arrangement between a member state and a non-member state that
23 does not conflict with the provisions of this compact.

24 G. This compact may be amended by the member
25 states. No amendment to this compact shall become effective

1 and binding upon any member state until it is enacted into the
2 laws of all member states.

3 SECTION 15. [NEW MATERIAL] CONSTRUCTION AND
4 SEVERABILITY.--This compact shall be liberally construed so as
5 to effectuate the purposes of the compact. The provisions of
6 this compact shall be severable, and if any phrase, clause,
7 sentence or provision of this compact is declared to be
8 contrary to the constitution of any member state or of the
9 United States or the applicability thereof to any government,
10 agency, person or circumstance is held invalid, the validity of
11 the remainder of this compact and the applicability thereof to
12 any government, agency, person or circumstance shall not be
13 affected thereby. If this compact is held contrary to the
14 constitution of any member state, the compact shall remain in
15 full force and effect as to the remaining member states and in
16 full force and effect as to the member state affected as to all
17 severable matters.

18 SECTION 16. [NEW MATERIAL] BINDING EFFECT OF COMPACT AND
19 OTHER LAWS.--

20 A. Nothing in this compact prevents the enforcement
21 of any other law of a member state that is not inconsistent
22 with the compact.

23 B. All laws in a member state in conflict with the
24 compact are superseded to the extent of the conflict.

25 C. All lawful actions of the commission, including

.218261.3

underscoring material = new
~~[bracketed material] = delete~~

1 all rules and bylaws promulgated by the commission, are binding
2 upon the member states.

3 D. All agreements between the commission and the
4 member states are binding in accordance with their terms.

5 E. In the event that any provision of the compact
6 exceeds the constitutional limits imposed on the legislature of
7 any member state, the provision shall be ineffective to the
8 extent of the conflict with the constitutional provision in
9 question in that member state.

10 SECTION 17. [NEW MATERIAL] EFFECTIVE DATE.--The effective
11 date of the provisions of this act is July 1, 2021.
