PERFORMANCE IMPLICATIONS

Within the last year, the New Mexico State Police has assisted the Governor's Organized Crime Commission and federal authorities in human trafficking and migrant rescue operations. The New Mexico State Police is dedicated to combating transnational criminal organizations involved in drug trafficking, human trafficking, and arms trafficking. To the extent that this bill may support our mission to protect our communities by collaborating with federal, state, and local agencies to prevent and dismantle these illegal operations, we agree that working together can be hugely productive. We are committed to rescuing victims of human trafficking and smuggling, ensuring their safety, and providing support. Additionally, we prioritize disrupting illegal activities on public lands and Santa Teresa border area of New Mexico to create a secure environment for residents and visitors.
