Health-Care Decisions Act does not for any purpose:

- (1) constitute a suicide, a homicide or other crime; or
- (2) legally impair or invalidate a governing instrument, notwithstanding any term of the governing instrument to the contrary. "Governing instrument" means a deed, will, trust, insurance or annuity policy, account with POD (payment on death designation), security registered in beneficiary form (TOD), pension, profit-sharing, retirement, employment or similar benefit plan, instrument creating or exercising a power of appointment or a dispositive, appointive or nominative instrument of any similar type.
