1 WHEREAS, there is a need for all state agencies with
2 authority to regulate transportation in the state, as well as
3 representatives from the transportation industry in the state,

7 as deregulation or the consolidation of transportation
8 regulation under the authority of one agency;

9 NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE STATE
10 OF NEW MEXICO that all state agencies currently regulating

12 current procedures and authority among the various agencies
13 and possible methods of improving the current system; and

14 BE IT FURTHER RESOLVED that the agencies study the
15 feasibility of continuing to regulate transportation in New
16 Mexico by distributing the authority among the various
17 agencies, deregulation or consolidation of the transportation
18 regulation under one authority; and
