1 partner with competent direct service providers to employ and  
2 track implementation of a prenatal health care model known as  
3 "centering" among pregnant African American women that has been  
4 proven nationally to reduce infant mortality and premature  
5 birth rates.

6 C. The office on African American affairs shall  
7 design and implement a culturally competent tool for providing  
8 health care education and outreach to pregnant African American  
9 women living in Bernalillo county. Women participating in the  
10 pilot program shall be offered solutions for enhancing their  
11 health during pregnancy and reducing the risk of infant  
12 mortality.

13 D. The office on African American affairs shall  
14 establish benchmarks for the pilot program. It shall collect  
15 and analyze qualitative data about the pilot program's outcomes  
16 and compare these outcomes to the benchmarks.

17 E. By November 1, 2015, the director of the office  
18 on African American affairs shall report the findings and  
19 recommendations arising from the pilot program to the governor,  
20 the secretary of health and the legislative health and human  
21 services committee.

22 SECTION 2. APPROPRIATION.--Two hundred thousand dollars  
23 (\$200,000) is appropriated from the general fund to the office  
24 on African American affairs for expenditure in fiscal year 2015  
25 to fund a pilot program to reduce infant mortality and enhance
