Supporting and Sustaining the 2008 Physical Activity Guidelines for Americans: The Role of State and Territorial Health Agencies

This issue brief provides an overview of the Physical Activity Guidelines for Americans (PAG) and PAG Midcourse Report. Recommendations for how state and territorial health agencies can support the guidelines are highlighted through case studies about statewide initiatives that promote physical activity across multiple sectors.

Publishing Guidelines for Incorporating Health Criteria into School Curriculum

ASTHO, the National Association of State Boards of Education (NASBE), the Association of American Publishers (AAP), and the Association of Educational Publishers (AEP) collaborated to create publishing guidelines that facilitate the increase of health criteria in school curriculum by incorporating the 2010 Dietary Guidelines for Americans and the 2008 PAG. www.astho.org/Health-Publishing-Guidelines/
