Progress toward HIV Prevention and Care Objectives

Indicator: Objective	National 2015 Goal	Year 1 Baseline	Year 2	Year 3	Improved Year 3 vs. Year 1	State Ranking Year 3 ^a	Met 2015 Goal in Year 3
PREVENT NEW HIV INFECTIONS							
Increase HIV testing (ever tested) by 4%, 2011-2013	44.2	40.6	39.9	42.8		20 of 51	
Increase knowledge of HIV status to 90%, 2010-2012	90.0	87	87	87		13 of 42	
Reduce late-stage HIV diagnosis by 25%, 2011-2013	19.1	33.1	28.8	35.8		45 of 51	
INCREASE ACCESS TO HIV CARE AND IMPROVE HEALTH OUTCOMES							
Increase linkage to HIV medical care to 85%, 2011-2013	85.0	NA	NA	87.6		9 of 28	✓
Increase retention in HIV medical care by 10%, 2010-2012	56.0	NA	NA	63.7		1 of 28	✓
Increase viral suppression among persons in HIV medical care by 10%, 2010-2012	80.0	NA	NA	73.4		16 of 28	
Decrease the death rate among HIV-diagnosed persons (per 1,000 persons) by 10%, 2010-2012	21.7	19.5	19.5	17.9	✓	21 of 51	✓
REDUCE HIV-RELATED DISPARITIES AND HEALTH INEQUITIES							
Increase HIV testing (ever tested) among race/ethnicity groups by 4%, 2011-2013							
Blacks/African Americans	68.8	- ^b	-	-		- of 40	
Hispanics/Latinos	46.6	47.5	39.8	47.9		19 of 39	✓
Whites	39.6	39.5	39.1	41.8		15 of 51	✓
Persons of other races/ethnicities	40.7	38.3	43.3	42.8		22 of 39	✓
Reduce late-stage HIV diagnosis among race/ethnicity groups by 25%, 2011-2013							
Blacks/African Americans	17.6	27.3	25.0	47.1		48 of 51	
Hispanics/Latinos	21.6	34.4	33.3	43.5		46 of 51	
Whites	19.5	32.1	29.2	33.8		40 of 51	
Persons of other races/ethnicities	20.4	66.7	15.4	11.1		5 of 49	✓

Note. For information on indicator definitions and data sources, see [Technical Notes](#).

Abbreviation: PLWH, persons living with diagnosed HIV infection; NA, not available.

✓ = Yes; improved since baseline (chi-square $p < 0.05$ or $> 5\%$ change); met 2015 goal.

^a Linkage, retention in HIV medical care, and viral suppression indicators were ranked among 27 states and DC; the other indicators were ranked among 50 states and DC.

^b $n < 30$ or relative standard error > 0.3 .
