

Accessible Entrance

Visitors requiring an accessible entrance to the State Capitol can be dropped off near the accessible ramp in the visitors parking lot on the east side of the State Capitol or use accessible parking in that lot. The entrance to the visitors parking lot is off Paseo de Peralta, just before the intersection of Paseo de Peralta and Old Santa Fe Trail. There is also an accessible entrance to the State Capitol through Capitol North on Don Gaspar Avenue. Follow the blue accessibility signs to the ramp and accessible entrance.
