

INTRODUCING STOPit

STOPit is the smart technology
that saves you time.

“It was through this app that systemic abuse was able to be reported, documented and resolved.”

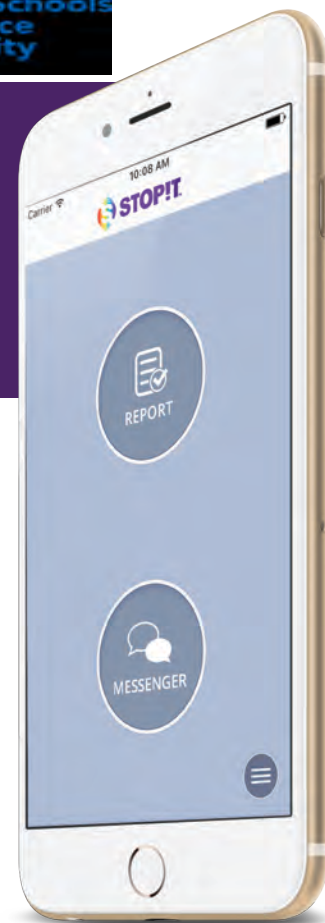

Dr. Andrew Williams, Principal
Tuacahn High School

STOPit has been proven to help schools across the country and the world save time and get back to educating students by addressing and preventing pervasive issues such as:

- ✓ Bullying
- ✓ Cyberbullying
- ✓ Violence
- ✓ Inappropriate student-teacher relationships
- ✓ Hazing
- ✓ Drugs/alcohol
- ✓ Self-harm
- ✓ Any issue which can negatively impact the learning environment

The STOPit mobile app provides a safe, anonymous and comfortable way for students to share information with you so that you can provide help – as quickly and efficiently as possible.

STOPit gives administrators powerful investigative tools – such as real-time alerts, built-in reports, and the ability to communicate directly with incident submitters – so that you can resolve issues quickly.

STOPit is a proven and powerful deterrent.

“We’ve seen an 83% decrease in harassment, intimidation and bullying Reports since we launched this program.”

Brian Luciani, Principal
David Brearley Middle and High School
Kenilworth, NJ

I see STOPit as a major tool for change....Additionally, the deterrent effect of the program was powerful and evident immediately...When I talk to students and parents about a situation I now present them with factual, legally defensible evidence...Overall, STOPit functions as a security blanket for us and ensures we are leveraging the latest technology to help our students.
