Annual Charter Accountability Process

Annual School/Authorizer Review Process

Annual Visit looks at the previous year's performance and sets the goals for the next year

A.
Previous Year Performance
Evaluating Framework and Annual Targets where applicable

Exceeds and Meets the Standard:

No major issues exist with a measure

Working to Meet the Standard

A major issue has been identified. The **School** has developed a plan that is approved by the **Authorizer**

Improvement Plan/ Corrective Action Plan implemented and working

Fails to Meet the Standard

A major issue has been identified but not adequately addressed

B.
Next Year Expectations
Negotiate Contract Amendments, if necessary,
Set School Performance Goals and Confirm Improvement Plans/
Corrective Action Plans

How are our KIDS doing?

Annual A-F target goals and recurrent enrollment goal for all charters.

SAM schools or schools who negotiate optional measures may have some leeway

How does the SCHOOL operate?

Largely unchanged for any school.

The "BONES" of the school structure

Are we FINANCIALLY sound?

Annual target goals set

Largely unchanged for any school

Contract Negotiation Process

Negotiated Charter Contract
Accountability comes from compliance with the Frameworks.

Legal Compliance, already in contract template
Most terms are set

Limited yellow highlighted sections:
Most important inserts: Material Terms of the Charter

Academic Framework
Adopted by the Authorizer
Follows A-F and looks at Recurrent Enrollment
Optional measures for school specific issues

PEC has set school grading after consultation

Worksheet sections: The school proposes one or more indicators
Required: Mission specific indicator(s) AND If there is an issue at the school, the PEC may propose an additional indicator(s)
Optional: Modified or supplemental indicators: School may propose additional indicators

Organizational Framework
Adopted by the Authorizer
Intended to collect all EXISTING requirements for school operation

PEC has set provisions after consultation
Legal Compliance: already in PEC Organizational Framework

Worksheet section:
Renewal numbers for indicator

Financial Framework
Adopted by the Authorizer
Looks at financial health

PEC has set provisions after consultation
