# sharemy lesson

**Teachers, paraprofessionals and school staff** need support and value collaboration, and the AFT's Share My Lesson provides both. More than 1.5 million SML members use the site to **exchange ideas and best practices**—to enhance the profession and ensure all students succeed.

Join for free and gain access to:

- Resources that support your work across the curriculum and in areas like bullying prevention; mental health; and ways to address hate, bias and school safety;
- Professional development webinars;
- Standards-aligned lesson plans; and
- New SML Communities and customizable content based on your grade level or topic of interest.

**It is easier than ever to find the content you need to help students thrive.**
