Good things are GROWING at NMSU Grants

BE BOLD. Shape the Future.

# NM Ready Grant Fiber Optic Termination

The courses include

- Certified Fiber Optics Technician (CFOT)
- Certified Fiber Optics Testing and Maintenance Specialist (CFOS/T)
- Certified Fiber Optics Specialist in Splicing (CFOS/S)
- Certified Fiber Optics Outside Plant Specialist (CFOS/O)

These four certifications prepare students for any fiber optic positions requiring premise installation, outside installation, splicing or testing.

Local Employers include Ward Cabling, LLC., Continental Divide Electric Company, and Facebook

# RPSP Request

STUDENT VETERANS RESOURCE  
CENTER

**BE BOLD.** Shape the Future.

**FY22 Actual: \$45,600 (recurring)**  
**FY23 Request: \$45,600 (recurring)**  
**\$ Change: \$0**

- Student Veterans Resource Center Purpose
- Inform and raise a general awareness to veterans and dependents who have not established the use of any military education benefits (GI BILL®) to attend our college;
- Provide a veteran support system, and create an atmosphere of camaraderie to incoming and current student veterans;
- Continually seek to support the existing Student Veterans Association as a means to contribute to student life projects at our campus;
- Build a partnership with various organizations in the community to further expand Employment, Volunteer, and Health & Welfare opportunities for students to be involved in the NMSU Grants Campus and within our local community.

#### FY21 Accomplishments

- Hired a Student Veterans Resource Coordinator November 2021
- Virtual opening of SVRC to students January 2021
- Maintained Student Veteran Enrollment despite overall enrollment decrease
- Alignment with NMSU Veteran Affairs Programs for seamless experience taking courses at other NMSU Campuses
