FACILITIES, PROGRAMS, STUDENTS**

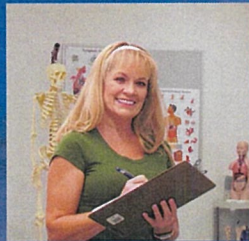

SUNLAND PARK OPPORTUNITIES

NM STATE **DACC**
NMSU Doña Ana Community College

2

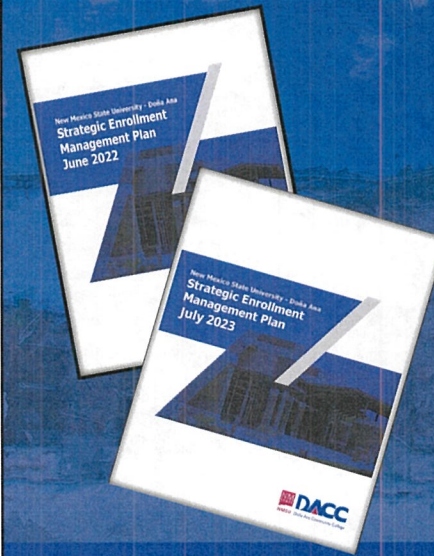

Our Commitment:

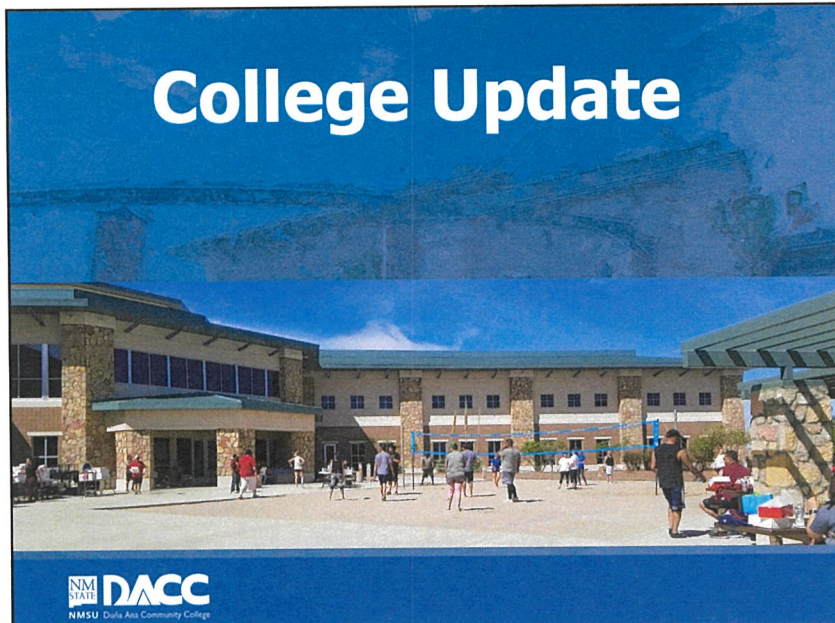

To ensure that people in the communities we serve can access *and* benefit from services and resources at DACC.

Enrollment Priorities: "Things that Matter"

- Access: Increase number of community members who access our services.
- Support: Increase number of students who use college and community resources that have been shown to support success.
- Completion: Increase number of students who reach their academic goals.
- Efficiency: Adapt operations to support these results.

Small Business Development Center

Our Workshops

Whether you own or are thinking about starting a business, the **Small Business Development Center (SBDC)** at Doña Ana Community College's team of professional advisors provide one-on-one confidential consultations at no cost. We offer assistance with how to manage a business, develop a business plan, create marketing strategies, and find financial resources. Additionally, we will provide assistance to prepare the business loan package for a lender. Seminars and workshops are also available to improve business and management opportunities.

The SBDC at DACC, serving **Doña Ana** and **Sierra** Counties, is a member of the New Mexico SBDC Network comprised of 19 centers across the state. It also provides assistance with government contracting through the **Procurement Technical Assistance Centers (PTAC)** Program as well as international trade through the **International Business Accelerator (IBA)** program.

Union Pacific Industrial Careers Academy

Program Overview

The Academy focuses on the needs of Santa Teresa and Sunland Park employers and area residents with training for careers in logistics, warehousing, transportation, advanced manufacturing, automation, and next-generation digital skills. Short-term, fast-paced training, taught concurrently with basic skills and English-language skills, ensures entry-level and experienced employees alike earn industry-recognized credentials, earn family-supporting salaries, and advance in their careers. Scholarships are available [Apply Here](#).

Courses:

- CDL
- Forklift Certification
- Automation and Logistics
