

Created for Public Safety by Public Safety

A nationwide public safety broadband network
to provide prioritized broadband connectivity
to those who risk everything.

SIX KEY FACTS

1. Highly Reliable Network Coverage

This network gets a head start by launching on the nation's best data network* — featuring more than 99% population coverage.

2. Priority

When disaster strikes and networks can be congested, first responders remain first in line — with priority and preemption across our network at no additional charge. First responders get the access they need to keep the lines of communication open ... when it matters most.

3. Trusted Security and Resiliency

Designed with superior security in mind to help resist physical and cyber threats. Ruggedized to help withstand power outages, and backed by a dynamic, highly trained disaster recovery organization.

4. Public Safety Apps

A dedicated public safety app store offers highly secure and relevant first responder applications, delivering critical interoperability and the ability to talk with team members from other agencies, states, or local rescue teams. All apps pass a rigorous vetting process that focuses on meeting superior standards, enhancing safety and situational awareness.

5. Dedicated Support

Your dedicated technical support is available 24 hours a day, 7 days a week, 365 days a year, and is staffed with highly experienced, trained professionals who have experience in emergency communications and understand the demands of public safety.

6. Affordable Plans with Advanced Features

So much more than a competitive rate plan — this world-class broadband network comes with unique public safety capabilities.

Available

This powerful broadband LTE network provides first responders voice, data, video, images and text. Eliminates concerns about network congestion with available priority and preemption.

Operable

Experience faster response times and enhanced situational awareness with improved information sharing across agencies, disciplines and jurisdiction.

Innovative

Foster an ecosystem of innovation through public safety applications and devices that give first responders advanced technologies to help save lives and protect communities.
