2021 Funding

New Mexico Funds to the Navajo Nation

When projects are funded by external sources the Navajo Nation MUST accept the funds via the Navajo Nation 164 Review Process. The process is as follows:

- The Project Sponsor Receives a Copy of the Funding Award Letter.
- The Project Sponsor Submits a Scope of Work to the Funding Source.
- The Funding Source Prepares the Grant Agreement and Gives it to the Navajo Nation.
- The Capital Projects Management Department (CPMD) prepares the 164 Review Package, which includes:
 - Award Letter
 - Grant Agreement
 - Scope of Work (SOW) for the amount of the awarded
 - Budget (for the amount awarded)
- Review and Surname of 164 package.
 - Division of Community Development
 - Navajo Nation Office of President & Vice President Review & Approval
- The Capital Projects Management Department (CPMD) sends package to NM Indian Affairs Department.
- The NM Indian Affairs Department Approves the Agreement and Sends it Back to the Navajo Nation.
- The Office of Management & Budget (OMB) Issues Business Unit Number.
- Office of the Controller-Contract Accounting
- The Navajo Nation Department of Justice Review
- The Office of Management & Budget (OMB) Issues Business Unit Number.
- The Capital Projects Management Department (CPMD) sends Letter to Project Sponsor informing the funding is ready for use.
- The Capital Projects Management Department (CPMD) authorizes the Project to the Lead Agency for Project Implementation.
