SUMMARY

Synopsis of Bill

Senate Bill 111 appropriates \$150.0 from the general fund to CYFD. The purpose of the bill is to provide contract funding for child-care services during non-traditional child-care hours, including teacher training, transportation and overnight care for children of working parents eligible for the temporary assistance for needy families in Dona Ana county.

Significant Issues

Senate Bill 111 proposes special funding for child care for working TANF parents with jobs outside the usual 8:00 to 5:00 workday.

FISCAL IMPLICATIONS

Senate Bill 111 appropriates \$150.0 from the general fund and is recurring.

ADMINISTRATIVE IMPLICATIONS

Minimal administrative impact and no additional FTE required. CYFD already monitors contracts for childcare services.

OTHER SUBSTANTIVE ISSUES

" Obtaining quality child care during after five working hours is a significant impediment to those willing to work non-traditional hours. Providing additional child care resources and targeting them for these special purposes will help parents find and accept jobs which they could not otherwise take."
