SUMMARY

Synopsis of Bill

Senate Bill 140 prohibits certain abortion procedures and sets out penalties for those who perform these procedures. The bill also defines who may bring a cause of action for civil remedy and also defines the degree of criminal penalty for those found guilty under this act.

Significant Issues

The banning of partial-birth abortions has been of national concern over the recent past. Recent action at the national level as well as the experience of other states will help New Mexico in its understanding and action on the issues involved.
