## **SUMMARY**

### Synopsis of Bill

Senate Bill 256 appropriates \$600.0 in recurring general fund to the Local Government Division of the Department of Finance and Administration for FY2001 to purchase high-resolution digital orthophotography from aerial photography to assist the city and county of Santa Fe in the design of water and wastewater systems, storm water systems, flood plain delineation, regulation and land development projects and property tax assessments.

## **FISCAL IMPLICATIONS**

The bill makes a \$600.0 appropriation from the general fund.

## **ADMINISTRATIVE IMPLICATIONS**

According to Environment Department analysis, the improved quality of data taken from aerial photography would assist in location of non-point sources of pollution and remedial corrective action.
