WHEREAS, an estimated twenty-five thousand New Mexicans  
and six million Americans took the drugs Fen-Phen/Redux; and

WHEREAS, these diet drugs have been found to cause  
heart damage and other injuries, and New Mexicans were not  
warned of the dangers of the drugs; and

WHEREAS, New Mexico has an interest in preserving the  
safety, health and welfare of its citizens;

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE  
STATE OF NEW MEXICO that the department of health, the board  
of pharmacy and the attorney general be requested to  
investigate the activities of Wyeth home products in its  
failure to warn New Mexicans of the dangers of these drugs;  
and

BE IT FURTHER RESOLVED that all individuals who may  
have been harmed by the use of these drugs be urged to take  
action to protect their interest in the four billion dollar  
(\$4,000,000,000) diet drug class action settlement by the  
March 30, 2000 deadline; and

BE IT FURTHER RESOLVED that copies of this memorial be  
transmitted to the department of health, the board of  
pharmacy and the attorney general. \_\_\_\_\_
