RELATING TO CAPITAL EXPENDITURES; AUTHORIZING THE ISSUANCE OF SEVERANCE TAX BONDS; REAUTHORIZING BALANCES; CHANGING THE PURPOSES AND AGENCIES OF SEVERANCE TAX BOND APPROPRIATIONS; EXTENDING EXPENDITURE PERIODS; CHANGING GENERAL FUND APPROPRIATIONS; CLARIFYING CONDITIONS FOR THE ISSUANCE OF BONDS; ESTABLISHING CONDITIONS FOR THE EXPENDITURE OF SEVERANCE TAX BOND PROCEEDS; REVERTING CERTAIN UNEXPENDED BALANCES OF PRIOR SEVERANCE TAX AND GENERAL OBLIGATION BOND ISSUANCES AND GENERAL FUND AND OTHER APPROPRIATIONS; MAKING APPROPRIATIONS; DECLARING AN EMERGENCY.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

Section 1. SEVERANCE TAX BONDS--AUTHORIZATIONS--
APPROPRIATION OF PROCEEDS.--

A. The state board of finance may issue and sell severance tax bonds in compliance with the Severance Tax Bonding Act in an amount not to exceed the total of the amounts authorized for purposes specified in this act. The state board of finance shall schedule the issuance and sale of the bonds in the most expeditious and economical manner possible upon a finding by the board that the project has been developed sufficiently to justify the issuance and that the project can proceed to contract within a reasonable time. The state board of finance shall further take the appropriate

steps necessary to comply with the Internal Revenue Code of 1986, as amended. Proceeds from the sale of the bonds are appropriated for the purposes specified in this act.

B. The agencies named in this act shall certify to the state board of finance when the money from the proceeds of the severance tax bonds authorized in this section is needed for the purposes specified in the applicable section of this act. If an agency has not certified the need for the issuance of the bonds for a particular project, including projects that have been reauthorized, by the end of fiscal year 2003, the authorization for that project is void.

C. Before an agency may certify for the issuance of severance tax bonds, the project must be developed sufficiently so that the agency reasonably expects to:

(1) incur within six months after the applicable bonds have been issued a substantial binding obligation to a third party to expend at least five percent of the bond proceeds for the project; and

(2) spend at least eighty-five percent of the bond proceeds within three years after the applicable bonds have been issued.

D. Except as otherwise provided in this section or another section of this act, the unexpended balance from the proceeds of severance tax bonds issued for a project,

including projects that have been reauthorized, shall revert to the severance tax bonding fund as follows:

(1) for projects for which severance tax bonds were issued to match federal grants, six months after completion of the project;

(2) for projects for which severance tax bonds were issued to purchase vehicles, heavy equipment, educational technology or other equipment or furniture that are not related to a more inclusive construction or renovation project, at the end of the fiscal year following the fiscal year in which the severance tax bonds were issued for the purchase; and

(3) for all other projects for which severance tax bonds were issued, within six months of completion of the project, but no later than the end of fiscal year 2006.

E. Except for appropriations to the capital program fund, money from severance tax bond proceeds provided pursuant to this act shall not be used to pay indirect project costs.

F. For the purpose of this section, "unexpended balance" means the remainder of an appropriation after costs and expenses recognized in accordance with generally accepted accounting principles have been paid.

- LIMITATIONS- - REVERSIONS. - -

A. Except as otherwise provided in this section or another section of this act, the unexpended balance of an appropriation made in this act from the general fund or other state fund, including changes to prior appropriations, shall revert to the originating fund as follows:

(1) for projects for which appropriations were made to match federal grants, six months after completion of the project;

(2) for projects for which appropriations were made to purchase vehicles, heavy equipment, educational technology or equipment or furniture that are not related to a more inclusive construction or renovation project, at the end of the fiscal year following the fiscal year in which the appropriation was made for the purchase; and

(3) for all other projects for which appropriations were made, within six months of completion of the project, but no later than the end of fiscal year 2006.

B. Except for appropriations to the capital program fund, money from appropriations made in this act shall not be used to pay indirect project costs.

C. For the purpose of this section, "unexpended balance" means the remainder of an appropriation after costs and expenses recognized in accordance with generally accepted accounting principles have been paid.

**Section 3. REVERSION ON PRIOR-YEAR PROJECTS--ALL
FUNDING SOURCES--LIMITATIONS ON PRIOR-YEAR EXPENDITURES FOR
CERTAIN COSTS.--**

A. All unexpended balances of severance tax bond proceeds from capital outlay projects authorized by the legislature prior to 1995 shall revert to the severance tax bonding fund by October 31, 2001, unless the certifying agency can demonstrate to the state board of finance that:

- (1) the project is active and there are valid encumbrances on the appropriation; or**
- (2) the legislature reauthorized the project after July 1, 1995 or extended its life beyond July 1, 2001 and the project is active.**

B. All unexpended balances of general obligation bond proceeds from capital outlay projects authorized by the legislature prior to 1995 shall revert to the debt service fund established by the state treasurer for the purpose of paying the principal and interest on the state's general obligation bonds on October 31, 2001, unless the certifying agency can demonstrate to the state board of finance that the project is active and there are valid encumbrances on the appropriation.

C. All unexpended balances remaining from appropriations for capital outlay projects prior to 1995 from the general fund or other state funds shall revert to the

originating fund by October 31, 2001, unless the agency to whom the money was appropriated can demonstrate to the financial control division of the department of finance and administration that:

(1) the project is active and there are valid encumbrances on the appropriation; or

(2) the legislature reappropriated the money for the project after July 1, 1995 or extended the project's life beyond July 1, 2001 and the project is active.
