SUMMARY

Synopsis of Bill

???????

PERFORMANCE IMPLICATIONS

This section should explain how the bill will affect the performance of relevant agency programs.

Highlight any relevant performance measures and discuss how performance targets would be impacted by the bill. If the bill would expand a performance-based budgeting program, suggest measures that could be used to assess the effectiveness of the expansion.

Performance measures include output, outcome, efficiency and quality measures.

FISCAL IMPLICATIONS

Continuing Appropriations

This bill creates a new fund and provides for continuing appropriations. The LFC objects to including continuing appropriation language in the statutory provisions for newly created funds. Earmarking reduces the ability of the legislature to establish spending priorities.
