SUMMARY

Synopsis of Bill

SB535 amends Section 31-21-24 NMSA 1978 to provide per diem and mileage for members of the parole board for all official duties performed by the Board as set forth in Section 31-21-24 NMSA 1978, including one day of per diem for the review of case files. The bill appropriates \$23,400 from the general fund for expenditure in fiscal year 2002.

Significant Issues

The bill conflicts with Section 10-8-4 of the Per Diem and Mileage Act. (See Substantive Issues)

FISCAL IMPLICATIONS

Parole Board members are nonsalaried public officers appointed by the Governor. There are nine parole board members and they receive \$75.0 per day per hearing date. The total appropriation contained in the General Appropriations Act includes \$50.6 for this purpose. (See Substantive Issues)

The appropriation of \$23.4 contained in this bill is a recurring expense to the general fund. Any unexpended or unencumbered balance remaining at the end of fiscal year 2002 shall revert to the general fund.

The Adult Parole Board (APB) did not respond to staff request for analysis, and has not provided any information to substantiate the need for additional funding. Staff is unable to identify the need for additional funding and considers the request more of a management issue in which the APB should work within its resources.

ADMINISTRATIVE IMPLICATIONS

Since the appropriation is specific, there is a possibility that separate accounting would be required by APB staff to ensure the funding is only used to reimburse board members for per diem for one extra day for each scheduled hearing.

RELATIONSHIP

Relates to House Bill 578 and SB534 that appropriate \$35,000 and provides for a \$10 payment to parole board members for each file reviewed in preparation for parole hearings. This bill would also amend current Section 31-21-24 NMSA 1978.

Relates to HB844 and HB843 relate to the Juvenile Parole Board and SB534 which would provide compensation based on the number required to be prepared for hearings.

TECHNICAL ISSUES

The language in Section E is not clear. Does the new language include review of case files at one day per month? or for every meeting? and does it provide affect all nine members at one time?

OTHER SUBSTANTIVE ISSUES

The bill attempts to pay Parole Board members compensation for performing their duties by reference to the provisions of the Per Diem and Mileage Act that apply to nonsalaried public officers. The bill is inconsistent with those provisions because payment under the Per Diem and Mileage Act is intended to defray costs incurred in travel associated with the performance of public business rather than serve as a salary for services performed. See, NMSA 1978, Sec. 10-8-4; 1977 Op. Att'y Gen. No. 77-20.

The Act is cited as follows:

10-8-4. Per diem and mileage rates; in lieu of payment.

POSSIBLE QUESTIONS

- 1. How many cases are being heard at the institutions?
- 2. Are parole board members spending full days at the institutions? If not, why can't the review of files be managed within the workday?
