SUMMARY

Synopsis of Bill

House Bill 559 proposes to amend Section 21-9-7 NMSA 1978 to allow the Industrial Development Training Program to fund positions that will be filled by full-time equivalent.

Significant Issues

Currently, the statute requires that the position must be filled by a full-time employee to receive funding. This bill proposes to allow for a full-time equivalent, which can essentially be two or more part-time employees whose work hours combined equal one full-time position. The bill changes the provision that guarantees full-time employment to trainees to only guaranteeing employment, regardless of full-time or part-time.

FISCAL IMPLICATIONS

There is no appropriation or significant fiscal implication in this bill.

CONFLICT/DUPLICATION/COMPANIONSHIP/RELATIONSHIP

program to the Labor Department. SB692 proposes selection criteria for the board to follow, while SB737 proposes to appropriate \$9,000.0 to the program, contingent upon passage of SB692. Finally, SB687 proposes to appropriate \$6,000.0 to the program for current fiscal year needs.
