

FORTY-SIXTH LEGISLATURE
SECOND SESSION

February 5, 2004

SENATE FLOOR AMENDMENT number ___1___ to SENATE BILL 145

Amendment sponsored by Senator Cynthia Nava

1. On page 4, line 24, strike "A" and insert in lieu thereof "Unless the school district and the institution agree to reduce or waive the tuition and fees, a".

2. On page 5, between lines 4 and 5, insert the following sections:

"Section 2. Section 21-13-19 NMSA 1978 (being Laws 1968, Chapter 70, Section 2, as amended) is amended to read:

"21-13-19. ENROLLMENT DEFINED--PAYMENTS.--

A. For those students in community colleges taking college-level courses, full-time-equivalent students shall be defined and computed by the commission on higher education in the same manner in which it defines and computes full-time-equivalent students for all other college-level programs within its jurisdiction.

B. No student shall be included in any calculations made under the provisions of this section if the student is enrolled in a course the cost of which is totally reimbursed from federal, state or private sources. Unless the school district and the community college agree to reduce or waive the tuition and fees, the public school district shall transfer to the community college the tuition and fees for any student who, during the term, is counted in the membership of the public school district and will receive high school credit for coursework at the community college.

C. The commission on higher education shall not recommend

an appropriation greater than three hundred twenty-five dollars (\$325) for each full-time-equivalent student for any community college that levies a tax at a rate less than two dollars (\$2.00), unless a lower amount is required by operation of the rate limitation provisions of Section 7-37-7.1 NMSA 1978 upon a rate of at least two dollars (\$2.00) on each one thousand dollars (\$1,000) of net taxable value, as that term is defined in the Property Tax Code, or any community college that reduces a previously authorized tax levy, except as required by the operation of the rate limitation provisions of Section 7-37-7.1 NMSA 1978.

D. The commission on higher education shall require from the community college such reports as the commission deems necessary for the purpose of determining the number of full-time-equivalent students at the community college eligible to receive support under this section.

E. A community college board shall establish tuition and fee rates for its respective institutions for full-time, part-time, resident and nonresident students, as defined by the commission on higher education.

F. A community college board may establish and grant gratis scholarships to students who are residents of New Mexico in an amount not to exceed the matriculation fee or tuition and fees, or both. The gratis scholarships are in addition to the lottery tuition scholarships authorized in Section 21-13-10 NMSA 1978 and shall be granted to the full extent of available funds before lottery tuition scholarships are granted. The number of scholarships established and granted pursuant to this subsection shall not exceed three percent of the preceding fall semester enrollment in each institution and shall not be established and granted for summer sessions. The president of each institution shall select and recommend to the community college board of his institution, as recipients of scholarships, students who possess good moral character and satisfactory initiative, scholastic

standing and personality. At least thirty-three and one-third percent of the gratis scholarships established and granted by each community college board each year shall be granted on the basis of financial need."

Section 3. Section 21-14-1 NMSA 1978 (being Laws 1957, Chapter 143, Section 1, as amended) is amended to read:

"21-14-1. BRANCH COMMUNITY COLLEGE EDUCATIONAL PROGRAM AND ENROLLMENT DEFINED.--

A. "Branch community college educational program", for the purposes of Chapter 21, Article 14 NMSA 1978, includes either the first two years of college education or organized vocational and technical curricula of not more than two years' duration designed to fit individuals for employment in recognized occupations, or both.

B. The calculation of full-time-equivalent student population for the purposes of Chapter 21, Article 14 NMSA 1978 shall include students enrolled in college-level courses and students enrolled in vocational and technical courses taught by a branch community college that is recognized by the vocational education division of the public education department as an area vocational school or in courses that are approved by the [~~state board of education~~] department. Students enrolled in a course the cost of which is totally reimbursed from federal, state or private sources shall not be included in the calculation of full-time-equivalent student population. Unless the school district and the institution agree to reduce or waive the tuition and fees, the public school district shall transfer to the branch community college the tuition and fees for any student who, during the term, is counted in the membership of the public school district and will receive high school credit for coursework at the branch community college."

Section 4. Section 21-14A-2 NMSA 1978 (being Laws 1982,

FORTY-SIXTH LEGISLATURE
SECOND SESSION

SF1/SB 145

Page 4

Chapter 42, Section 2, as amended) is amended to read:

"21-14A-2. DEFINITIONS.--As used in the Off-Campus Instruction Act:

A. "off-campus instruction program" means either the first two years of college education or organized vocational and technical curricula of not more than two years' duration designed to fit individuals for employment in recognized occupations, or both; and

B. "full-time-equivalent student" includes students enrolled in college-level courses and students enrolled in vocational and technical courses taught by an off-campus instruction program. Students enrolled in a course the cost of which is totally reimbursed from federal, state or private sources shall not be included in the calculation of full-time-equivalent student population. Unless the school district and the institution agree to reduce or waive the tuition and fees, the public school district shall transfer to the parent institution the tuition and fees for any student who, during the term, is counted in the membership of the public school district and will receive high school credit for coursework at the off-campus site."

Section 5. Section 21-16-10 NMSA 1978 (being Laws 1968, Chapter 59, Section 3, as amended) is amended to read:

"21-16-10. APPROPRIATION--DISTRIBUTION.--

A. The commission on higher education shall recommend an appropriation for each technical and vocational institute based upon its financial requirements in relation to its authorized program and its available funds from non-general fund sources; provided, the recommended appropriation shall be an amount not less than three hundred twenty-five dollars (\$325) for each full-time-equivalent student.

B. The commission on higher education shall by rule provide for the method for calculating the number of full-time-equivalent students in technical and vocational institutes. No student shall be included in any calculation of the number of full-time-equivalent students if the student is enrolled in a course, the cost of which is totally reimbursed from federal, state or private sources. Unless the school district and the technical and vocational institute agree to reduce or waive the tuition and fees, the public school district shall transfer to the [~~technical and vocational~~] institute the tuition and fees for any student who, during the term, is counted in the membership of the public school district and will receive high school credit for coursework at the technical and vocational institute.

C. The commission on higher education shall not recommend an appropriation greater than three hundred twenty-five dollars (\$325) for each full-time-equivalent student for any technical and vocational institute that levies a tax at a rate less than two dollars (\$2.00), unless a lower amount is required by operation of the rate limitation provisions of Section 7-37-7.1 NMSA 1978 upon a rate approved by the electors of at least two dollars (\$2.00) on each one thousand dollars (\$1,000) of net taxable value, as that term is defined in the Property Tax Code, or any technical and vocational institute that reduces a previously authorized tax levy, except as required by the operation of the rate limitation provisions of Section 7-37-7.1 NMSA 1978.

D. The board may establish and grant gratis scholarships to students who are residents of New Mexico in an amount not to exceed the matriculation fee or tuition and fees, or both. The gratis scholarships are in addition to the lottery tuition scholarships authorized in Section 21-16-10.1 NMSA 1978 and shall be granted to the full extent of available funds before lottery tuition scholarships are granted. The number of scholarships established and granted pursuant to this subsection shall not exceed three percent of the preceding fall semester enrollment in the technical

and vocational institute and shall not be established and granted for summer sessions. The president of the technical and vocational institute shall select and recommend to the board as recipients of scholarships students who possess good moral character and satisfactory initiative, scholastic standing and personality. At least thirty-three and one-third percent of the gratis scholarships established and granted by the board each year shall be granted on the basis of financial need."".

3. Renumber the succeeding section accordingly.
