

February 13, 2004

Madam President:

Your FINANCE COMMITTEE, to whom has been referred

SENATE BILL 301

has had it under consideration and reports same with recommendation that it DO PASS, amended as follows:

1. On page 2, line 10, after "control" strike the remainder of the line and strike lines 11 through 13 in their entirety and line 14 up to the period and insert in lieu thereof "An erosion control structure shall not impound surface water in any amount for fishing, fish propagation, recreation or aesthetic purposes, which shall require a permit pursuant to Section 72-5-1 NMSA 1978."

2. On page 2, line 18, strike "person or governmental entity" and insert in lieu thereof "stockmen or stock owners".

3. On page 3, line 9, after the semicolon, strike the rest of the line, strike lines 10 through 16 and insert in lieu thereof:

"provided that as part of an application for an impoundment on state or federal land, the applicant submits proof that the applicant is legally entitled to place livestock on the state or federal land where the water is to be impounded and has been granted access to the site and has permission to occupy the portion of the state or federal land as is necessary for the impoundment."

4. On page 4, line 8, after "unit" insert "and shall take into account regional and climatic conditions that affect consumption".

FORTY-SIXTH LEGISLATURE
SECOND SESSION, 2004

SFC/SB 301
