Fiscal impact reports (FIRs) are prepared by the Legislative Finance Committee (LFC) for standing finance committees of the NM Legislature. The LFC does not assume responsibility for the accuracy of these reports if they are used for other purposes.

Current FIRs (in HTML & Adobe PDF formats) are available on the NM Legislative Website (legis.state.nm.us). Adobe PDF versions include all attachments, whereas HTML versions may not. Previously issued FIRs and attachments may be obtained from the LFC in Suite 101 of the State Capitol Building North.

SUMMARY

Synopsis of Bill

House Joint Memorial 66 requests the United States Congress amend the Radiation Exposure Compensation Act to include enhanced compensable disease coverage and to reduce the stringent medical exam requirement to qualify for compensable disease coverage.

Significant Issues

Congress amended the Federal Radiation Exposure Compensation Act in 2000. The act compensates uranium industry workers who developed terminal diseases or other health problems.
