K. PUBLIC SCHOOL SUPPORT

Except as otherwise provided, unexpended and unencumbered balances of appropriations made in this subsection shall not revert at the end of fiscal year 2006.

PUBLIC SCHOOL SUPPORT:

The purpose of public school support is to carry out the mandate to establish and maintain a uniform system of free public schools sufficient for the education of, and open to, all the children of school age in the state.

(1) State equalization guarantee distribution:

Appropriations:	1,965,262.3	1,300.0	1,966,562.3
-----------------	-------------	---------	-------------

The rate of distribution of the state equalization guarantee distribution shall be based on a program unit value determined by the secretary of the public education department. The secretary of the public education department shall establish a preliminary unit value to establish budgets for the 2005-2006 school year and then, upon verification of the number of units statewide for fiscal year 2006 but no later than January 31, 2006, the secretary of the public education department may adjust the program unit value.

The general fund appropriation for the state equalization guarantee distribution includes fifty-one million eight hundred thousand dollars (\$51,800,000) to implement the forty thousand dollar (\$40,000) minimum salary for level two and level three-A teachers. In order to allocate to each school district and charter school the amount needed to provide the required minimum salary for all eligible level two and level three-A teachers, the secretary of the public education department shall establish a unit value for fiscal year 2006 without including the fifty-one million eight hundred thousand dollars (\$51,800,000) in the calculation. After verifying the amount needed by each school district and charter school, the secretary of the public education department shall use the fifty-one million eight hundred thousand

dollars (\$51,800,000) to adjust program cost to allocate the verified amount to each school district and charter school.

The secretary of the public education department, in collaboration with the department of finance and administration office of educational accountability, shall ensure all level two and three-A teachers receiving salary increases under the three-tiered minimum salary have been evaluated under the tiered licensure evaluation system and have the professional competencies of level two and three-A teachers. The secretary of the public education department shall withhold from the public school district distribution funding for minimum salaries for any teacher that has not been evaluated. The secretary of the public education department shall report the findings to the legislative education study committee and legislative finance committee by July 1, 2005.

To fund elementary fine arts programs for fiscal year 2006, the public education department shall distribute the general fund based on a cost differential of .05 multiplied by a 0.8 full-time-equivalent MEM.

The general fund appropriation for the state equalization guarantee distribution contains sufficient funding to provide a three-quarter percent increase in the employer contribution to the educational retirement fund.

For the 2005-2006 school year, the state equalization guarantee distribution contains sufficient funding for school districts implementing a formula-based program for the first time. Those districts shall use current year membership in the calculation of program units for the new formula-based program.

The general fund appropriation to the state equalization guarantee distribution reflects the deduction of federal revenues pursuant to Paragraph (2) of Subsection C of Section 22-8-25 NMSA 1978 that includes payments commonly known as "impact aid funds" pursuant to 20 USCA 7701 et seq., and formerly known as "PL874 funds".

The general fund appropriation to the public school fund shall be reduced by the amounts transferred to the public school fund from the current school fund and from the federal Mineral Lands Leasing Act receipts otherwise unappropriated.

Prior to the approval of school district and charter school budgets for fiscal year 2006, the secretary of the public education department shall verify that each local school board is providing a one and one-quarter percent salary increase for teachers not receiving an increase as a result of the three-tiered minimum salaries, all instructional staff, and all other certified and non certified employees, and
