### SIGNIFICANT ISSUES

The advocacy, dedication and service provided by the American Postal Workers Union of New Mexico for and on behalf of the people of New Mexico is important in maintaining high-quality mail service to its citizens

The American postal workers union of New Mexican is an advocacy organization performing a valuable service for its members and communities.

**House Memorial 46 – Page 2**

The American postal workers union of New Mexico recognizes the importance of postal services to the cities and small towns in the state of New Mexico.

The standards of mail delivery and service have dramatically deteriorated in New Mexico over the past five years, resulting in long waiting lines at retail windows, late night delivery, no delivery or delayed mail delivery.

By drawing attention to the importance of customer service at the United States postal service as well as in the public domain, the American postal workers union of New Mexico hopes to improve the quality of mail service and delivery in the state; and

The remarkable awareness created thus far is a direct result of the American postal workers union of New Mexico's advocacy and dedication to the citizenry of New Mexico.
