IN ORDER TO STOP THE FLOW OF METHAMPHETAMINE FROM THE REPUBLIC  
OF MEXICO INTO NEW MEXICO.

overwhelming impact on local law enforcement and the criminal  
justice system; and

1 to make the drug have sparked a proliferation of  
2 methamphetamine production in Mexico, including production from  
3 so-called superlabs that can make twenty times more the amount  
4 of methamphetamine than large clandestine methamphetamine  
5 laboratories in the United States; and

6 WHEREAS, with fewer law enforcement resources in Mexico  
7 dedicated to eliminating methamphetamine, and with Mexican drug  
8 cartels importing from Asia vast quantities of the precursor  
9 drugs and chemicals needed to manufacture methamphetamine,  
10 there has been an increase in the amount of methamphetamine  
11 seized in Mexico and at ports of entry along the southwest  
12 border of the United States; and

13 WHEREAS, Mexican drug cartels are increasingly producing a  
14 form of methamphetamine called crystal methamphetamine, or  
15 "ice", which is far purer, and therefore even more highly  
16 addictive, than powdered, home-cooked methamphetamine; and

17 WHEREAS, ice leads to a greater risk of overdose and  
18 because ice costs more, thefts are increasing as people who  
19 once manufactured methamphetamine at home now have to buy it;

20 NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE STATE  
21 OF NEW MEXICO that the governor be requested to call out the  
22 New Mexico national guard to close and patrol the border  
23 between New Mexico and the Republic of Mexico in order to  
24 protect the citizens of New Mexico and the United States from  
25 the scourge of methamphetamine; and
