HOUSE BILL 412

48TH LEGISLATURE - STATE OF NEW MEXICO - SECOND SESSION, 2008

INTRODUCED BY

Al Park

AN ACT

RELATING TO DOMESTIC AFFAIRS; REVISING THE BASIC CHILD SUPPORT SCHEDULE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

Section 1. Section 40-4-11.1 NMSA 1978 (being Laws 1988, Chapter 87, Section 2, as amended) is amended to read:

"40-4-11.1. CHILD SUPPORT--GUIDELINES.--

A. In any action to establish or modify child support, the child support guidelines as set forth in this section shall be applied to determine the child support due and shall be a rebuttable presumption for the amount of such child support. Every decree or judgment of child support that deviates from the guideline amount shall contain a statement of the reasons for the deviation.

B. The purposes of the child support guidelines are

1 to:

2 (1) establish as state policy an adequate
3 standard of support for children, subject to the ability of
4 parents to pay;

5 (2) make awards more equitable by ensuring
6 more consistent treatment of persons in similar circumstances;
7 and

8 (3) improve the efficiency of the court
9 process by promoting settlements and giving courts and the
10 parties guidance in establishing levels of awards.

11 C. For purposes of the guidelines specified in this
12 section:

13 (1) "income" means actual gross income of a
14 parent if employed to full capacity or potential income if
15 unemployed or underemployed. Income need not be imputed to the
16 primary custodial parent actively caring for a child of the
17 parties who is under the age of six or disabled. If income is
18 imputed, a reasonable child care expense may be imputed. The
19 gross income of a parent means only the income and earnings of
20 that parent and not the income of subsequent spouses,
21 notwithstanding the community nature of both incomes after
22 remarriage; and

23 (2) "gross income" includes income from any
24 source and includes but is not limited to income from salaries,
25 wages, tips, commissions, bonuses, dividends, severance pay,

1 pensions, interest, trust income, annuities, capital gains,
2 social security benefits, workers' compensation benefits,
3 unemployment insurance benefits, disability insurance benefits,
4 significant in-kind benefits that reduce personal living
5 expenses, prizes and alimony or maintenance received, provided:

6 (a) "gross income" shall not include
7 benefits received from means-tested public assistance programs
8 or child support received by a parent for the support of other
9 children;

10 (b) for income from self-employment,
11 rent, royalties, proprietorship of a business or joint
12 ownership of a partnership or closely held corporation, "gross
13 income" means gross receipts minus ordinary and necessary
14 expenses required to produce such income, but ordinary and
15 necessary expenses do not include expenses determined by the
16 court to be inappropriate for purposes of calculating child
17 support;

18 (c) "gross income" shall not include the
19 amount of alimony payments actually paid in compliance with a
20 court order;

21 (d) "gross income" shall not include the
22 amount of child support actually paid by a parent in compliance
23 with a court order for the support of prior children; and

24 (e) "gross income" shall not include a
25 reasonable amount for a parent's obligation to support prior

1 children who are in that parent's custody. A duty to support
2 subsequent children is not ordinarily a basis for reducing
3 support owed to children of the parties but may be a defense to
4 a child support increase for the children of the parties. In
5 raising such a defense, a party may use Table A as set forth in
6 Subsection K of this section to calculate the support for the
7 subsequent children.

8 D. As used in this section:

9 (1) "children of the parties" means the
10 natural or adopted child or children of the parties to the
11 action before the court but shall not include the natural or
12 adopted child or children of only one of the parties;

13 (2) "basic visitation" means a custody
14 arrangement whereby one parent has physical custody and the
15 other parent has visitation with the children of the parties
16 less than thirty-five percent of the time. Such arrangements
17 can exist where the parties share responsibilities pursuant to
18 Section 40-4-9.1 NMSA 1978; and

19 (3) "shared responsibility" means a custody
20 arrangement whereby each parent provides a suitable home for
21 the children of the parties, when the children of the parties
22 spend at least thirty-five percent of the year in each home and
23 the parents significantly share the duties, responsibilities
24 and expenses of parenting.

25 E. The basic child support obligation shall be

1 calculated based on the combined income of both parents and
2 shall be paid by them proportionately pursuant to [~~Subsections~~
3 ~~K and L~~] Subsection K of this section.

4 F. Physical custody adjustments shall be made as
5 follows:

6 (1) for basic visitation situations, the basic
7 child support obligation shall be calculated using the basic
8 child support schedule, Worksheet A and instructions contained
9 in Subsection K of this section. The court may provide for a
10 partial abatement of child support for visitations of one month
11 or longer; and

12 (2) for shared responsibility arrangements,
13 the basic child support obligation shall be calculated using
14 the basic child support schedule, Worksheet B and instructions
15 contained in Subsection [~~L~~] K of this section.

16 G. In shared responsibility situations, each parent
17 retains the percentage of the basic support obligation equal to
18 the number of twenty-four-hour days of responsibility spent by
19 each child with each respective parent divided by three hundred
20 sixty-five.

21 H. The cost of providing medical and dental
22 insurance for the children of the parties and the net
23 reasonable child-care costs incurred on behalf of these
24 children due to employment or job search of either parent shall
25 be paid by each parent in proportion to [~~his~~] that parent's

1 income, in addition to the basic obligation.

2 I. The child support may also include the payment
3 of the following expenses not covered by the basic child
4 support obligation:

5 (1) any extraordinary medical, dental and
6 counseling expenses incurred on behalf of the children of the
7 parties. Such extraordinary expenses are uninsured expenses in
8 excess of one hundred dollars (\$100) per child per year;

9 (2) any extraordinary educational expenses for
10 children of the parties; and

11 (3) transportation and communication expenses
12 necessary for long distance visitation or time sharing.

13 J. Whenever application of the child support
14 guidelines set forth in this section requires a person to pay
15 to another person more than forty percent of [his] the paying
16 person's gross income for a single child support obligation for
17 current support, there shall be a presumption of a substantial
18 hardship, justifying a deviation from the guidelines.

3 Fill in the number of children on the worksheet (Line 3).

4 Round combined income to nearest [~~one hundred dollars (\$100)~~]

6 schedule. In the far left-hand column of that schedule, find

7 the rounded combined income figure. Read across to the column

8 with the correct number of children. Enter that amount on Line

9 4.

10 Line 5. Shared Responsibility Basic Obligation:

11 Multiply the basic obligation on Line 4 by 1.5.

12 Line 6. Each Parent's Share:

1 the percentage of the basic support obligation equal to the
2 number of twenty-four-hour days of responsibility spent by each

4 sixty-five. Multiply each parent's share of basic support
5 (Line 6) by the percentage in that parent's Line 8 and enter
6 the result on that parent's Line 9. This is the amount that
7 each parent retains to pay the children's expenses during that

10 Subtract the amount retained by each parent for direct expenses
11 (Line 9) from that parent's [~~basic obligation~~] share (Line 6)
12 and enter the difference on that parent's Line 10.

14 In shared responsibility situations, both parents are entitled
15 not only to retain money for direct expenses but also to
