SUMMARY

Synopsis of Bill

House Bill 566, making an Appropriation for a Compliance with Federal Clean Water Regulations in Cibola County, appropriates \$20.0 thousand from the general fund for clean water compliance.

FISCAL IMPLICATIONS

The appropriation of \$20.0 thousand contained in this bill is a recurring expense to the general fund. Any unexpended or unencumbered balance remaining at the end of FY09 shall revert to the general fund.

SIGNIFICANT ISSUES

NMED notes that the Clean Water Act does not require cleaning, deodorizing or sanitation of refuse containers per se. It does require storm water management at solid waste facilities. Cibola County may be seeking funds to help it comply with storm water management requirements to control runoff from refuse disposal areas. Any water or chemicals used in the cleaning of refuse containers must be controlled so as not to impact the environment.
