22 "5-11-20. SPECIAL LEVY--BONDS--IMPOSITION.--

23 A. At any time after the hearing on formation of
 24 the district, the district board may from time to time order
 25 that a hearing be held to determine whether a special levy

.193616.3

1 should be imposed and special levy bonds issued to provide
2 money for any public infrastructure purpose consistent with the
3 general plan. The question of imposing a special levy may be
4 considered at the hearing on district formation upon notice
5 that both issues will be heard at that time, which notice shall
6 include the information required in Subsection B of this
7 section.

8 B. Notice of hearing shall be provided at least two
9 weeks in advance of the hearing itself in a newspaper of
10 general circulation in the municipality or county in which the
11 district is located. The notice shall include the following:

12 (1) a description of the method by which the
13 amount of the proposed special levy will be determined for each
14 class of property to which the levy is proposed to apply, in
15 sufficient detail to enable the owner of the affected parcel to
16 determine the amount of the special levy;

17 (2) a description of the project to be
18 financed with special levy bonds or revenues; and

19 (3) a statement that any person affected by
20 the proposed special levy may object in writing or in person at
21 the hearing.

22 C. Prior to issuing special levy bonds, the
23 district board shall set a maximum levy for each class of
24 property that may be imposed for debt service on the special
25 levy bonds.

1 D. Unless a local government has enacted an
 2 ordinance providing a greater limitation, no special levy bonds
 3 may be issued if at the time of issuance of such bonds the
 4 estimated total tax and assessment obligation for a class of
 5 property, including projected ad valorem taxes and special
 6 levies as provided in the feasibility study, exceeds one and
 7 ninety-five hundredths percent of the anticipated, average
 8 market value of each class of property at the time of issuance
 9 of a certificate of occupancy as determined by a member
 10 appraiser of the appraisal institute.

11 ~~[G.]~~ E. Special levy bonds may be sold in a public
 12 offering or in a negotiated sale.

13 ~~[D.]~~ F. After the bonds are issued, the district
 14 board shall enter in its minutes a record of the bonds sold and
 15 their numbers and dates and shall annually impose and cause a
 16 special levy to be collected, at the same time and in the same
 17 manner as property taxes are levied and collected on all
 18 property within the district that may be subject to the levy,
 19 including, without limitation, all leased property or
 20 improvements to leased land, sufficient, together with any
 21 other money lawfully available to pay debt service on the bonds
 22 when due, except to the extent that the district board has
 23 provided for other imposition, collection and foreclosure
 24 procedures in connection with special levies. Money derived
 25 from the imposition of the special levy when collected that is

.193616.3

1 pledged to pay the debt service on the bonds shall be kept
2 separately from other funds of the district. Special levy
3 revenues not pledged to pay debt service on bonds may be used
4 to pay other costs of the district, including costs of
5 formation, administration, operation and maintenance, service
6 or enhanced services.

7 ~~[E-]~~ G. The district board shall specify conditions
8 under which the obligation to pay special levies may be prepaid
9 and permanently satisfied.

10 ~~[F-]~~ H. Special levies against privately owned
11 residential property shall be subject to the following
12 provisions:

13 (1) the ~~[maximum]~~ amount of special levy that
14 may be imposed shall not be increased over time by an amount
15 exceeding two percent per year, except that the amount of
16 special levy actually imposed may be increased by up to ten
17 percent as a result of the delinquency or default by the owner
18 of any other parcel within the district, but in no case shall
19 the amount of the special levy imposed exceed the maximum
20 special levy provided in the rate and method of apportionment;

21 (2) the special levy shall be imposed for a
22 specified time period, after which no further special levy
23 shall be imposed and collected, except that special levies
24 imposed solely to finance the cost of ongoing district
25 services, maintenance or operations or enhanced services may be

.193616.3

1 levied while such services, maintenance or operations or
2 enhanced services are continuing; and

3 (3) nothing in this subsection shall preclude
4 the establishment of different categories of residential
5 property or changing the amount of the special levies for a
6 parcel whose size or use is changed. A change in the amount of
7 a special levy imposed upon a parcel due to a change in its
8 size or use shall not require voter approval if the method for
9 changing the amount of special levy was approved in the
10 election approving the special levy in sufficient detail to
11 enable the owner of the affected parcel to determine how the
12 change in size or use of the parcel would affect the amount of
13 the special levy.

14 [~~G.~~] I. A district's imposition of a special levy
15 shall constitute a lien on the property within the district
16 subject to the special levy, including property acquired by the
17 state or its political subdivisions after imposition of the
18 special levy, which shall be effective during the period in
19 which the special levy is imposed and shall have priority
20 co-equal to the lien of property taxes. A special levy shall
21 be subject to foreclosure by the district at any time after six
22 months following written notice of delinquency to the owner of
23 the real property to which the delinquency applies. The lien
24 shall include delinquencies, penalties and interest thereon at
25 a rate not to exceed the maximum legal rate of interest per

.193616.3

1 year and penalties otherwise applicable for delinquent property
2 taxes, the district's actual costs of foreclosure and any other
3 costs of the district resulting from the delinquency. All
4 rights of redemption applicable to property sold in connection
5 with property tax foreclosures pursuant to the laws of this
6 state shall apply to property sold following foreclosure of a
7 special levy lien. The portion of proceeds of any foreclosure
8 sale necessary to discharge the lien for the special levy shall
9 be deposited in the special bond fund for payment of any
10 obligations secured thereby.

11 ~~[H.]~~ J. No holder of special levy bonds issued
12 pursuant to the Public Improvement District Act may compel any
13 exercise of the taxing power of the district, municipality or
14 county to pay the bonds or the interest on the bonds. Special
15 levy bonds issued pursuant to that act are not a debt of the
16 district, municipality or county, nor is the payment of special
17 levy bonds enforceable out of any money other than the revenue
18 pledged to the payment of the bonds.

19 ~~[I.]~~ K. Subject to the requirements of this
20 section, a district may issue special levy bonds at such times
21 and in such amounts as the district deems appropriate to carry
22 out a project or projects in phases.

23 ~~[J.]~~ L. Pursuant to this section, the district may
24 issue and sell refunding bonds to refund any special levy bonds
25 of the district authorized by the Public Improvement District

.193616.3

1 Act. Refunding bonds issued pursuant to this section shall
2 have a final maturity date no later than the final maturity
3 date of the bonds being refunded."
