1 B. The "water conservation fund" is created in the
2 state treasury and shall be administered by the department [~~of~~
3 ~~environment~~]. The fund shall consist of water conservation
4 fees collected pursuant to this section. Balances in the fund
5 at the end of any fiscal year shall not revert to the general
6 fund but shall accrue to the credit of the fund. Earnings on
7 the fund shall be credited to the fund.

8 C. Money in the water conservation fund is
9 appropriated to the department [~~of environment~~] for
10 administration of a public water supply program to:

11 (1) test public water supplies for the
12 contaminants required to be tested pursuant to the provisions
13 of [~~Section 1412 of~~] the federal Safe Drinking Water Act, as
14 [~~finalized through July 1, 1992~~] amended, and collect chemical
15 compliance samples as required by those provisions of the
16 federal act;

17 (2) perform vulnerability assessments [~~which~~
18 that will be used to assess a public water supply's
19 susceptibility to those contaminants; and

20 (3) implement new requirements of the Utility
21 Operators Certification Act and provide training for all public
22 water supply operators.

23 D. The taxation and revenue department shall
24 provide by regulation for the manner and form of collection of
25 the water conservation fee. All water conservation fees

1 collected by the taxation and revenue department, less the
 2 administrative fee withheld pursuant to Section [~~1 of this 1997~~
 3 ~~act~~] 7-1-6.41 NMSA 1978, shall be deposited in the water
 4 conservation fund.

5 E. The fee imposed by this section shall be
 6 administered in accordance with the provisions of the Tax
 7 Administration Act and shall be paid to the taxation and
 8 revenue department by each person who operates a public water
 9 supply system in the manner required by the department on or
 10 before the twenty-fifth day of the month following the month in
 11 which the water is produced.

12 F. Each operator of a public water supply system
 13 shall register and comply with the provisions of Section 7-1-12
 14 NMSA 1978 and furnish such information as may be required by
 15 the taxation and revenue department.

16 G. The department shall compile a list of the
 17 contaminants that require testing pursuant to Paragraph (1) of
 18 Subsection C of this section. The list shall be compiled no
 19 less than once every twelve months and include the contaminants
 20 that will be tested in the subsequent twelve months. The
 21 department shall establish by rule procedures to compile the
 22 list and to determine which contaminants that require testing
 23 will be tested in the subsequent twelve months. The
 24 determination of which contaminants will be tested shall
 25 include consideration of the availability of funds in the water
