### SUMMARY

#### Synopsis of Bill

House Memorial 41 proclaims support for the Hispanic and women farmers and ranchers of America in their pursuit of fair, equitable and just resolution to their discrimination claims against the United States Department of Agriculture.

### FISCAL IMPLICATIONS

No Fiscal Impact

### SIGNIFICANT ISSUES

The memorial states that Hispanic women farmers and ranchers in the United States grow produce for local, state, national and international markets and are dependent on state and federal resources. Hispanic women farmers have routinely been denied federal farm benefits and their allegations of discrimination ignored. This memorial states that the House of Representatives stands in support of the Hispanic and women farmers and ranchers of America.

HM 41 will be sent to the president of the United States and the United States Secretary of Agriculture.
