### SUMMARY

#### Synopsis of Bill

House Memorial 48 requests the Economic Development Department (EDD) to continue its participation in the Jobs Council during the 2014 interim. The memorial also requests, if HB 272 is enacted, entities receiving appropriations from HB 272 to report on the results of that money's use quarterly through 2015 to the Jobs Council or appropriate interim legislative committee on the number of jobs that have been created as a direct result and an indirect result of those appropriations.

### FISCAL IMPLICATIONS

There is no significant fiscal impact, but EDD would incur minor expenses traveling to meetings of the Jobs Council.

### SIGNIFICANT ISSUES

The responding agencies report they will be able to comply with the reporting request contained in this memorial, and EDD will continue to participate in the Jobs Council.
