SUMMARY

Synopsis of Bill

House Memorial 53 proclaims February 14, 2014 as “New Mexico TRiO Programs Day” at the New Mexico House of Representatives.

FISCAL IMPLICATIONS

No Fiscal Impact

SIGNIFICANT ISSUES

The memorial states all TRiO programs are vested in the notion that committed students deserve an opportunity to obtain higher education without regard to race, gender, national origin or disability status, and regardless of their family’s economic resources or educational background. With a vast selection of services the TRiO programs offer, these successful federal programs work to help low-income and first-generation students to enter college and earn a college degree and should be expanded to serve more Americans. The memorial also states that the TRiO programs be recognized for the important role they have played in encouraging and assisting students seeking higher education.
