5 (4) have successfully passed the state
6 jurisprudence examination.

7 B. An applicant for licensure as a physical
8 therapist who has been educated outside the United States shall
9 submit a completed application and meet the following minimum
10 qualifications in addition to those required in Paragraphs (1),
11 (3) and (4) of Subsection A of this section:

12 (1) provide satisfactory evidence that [~~his~~]
13 the applicant's education is substantially equivalent to the
14 requirements of physical therapists educated in accredited
15 educational programs in the United States, as determined by the
16 board. If the board determines that a foreign-educated
17 applicant's education is not substantially equivalent, it may
18 require completion of additional course work before proceeding
19 with the application process;

20 (2) provide evidence that [~~he~~] the applicant
21 is a graduate of a school of training that is recognized by the
22 foreign country's own ministry of education or similar
23 institution;

24 (3) provide written proof of authorization to
25 practice as a physical therapist without limitations in the

1 legal jurisdiction where the postsecondary institution from
2 which the applicant has graduated is located;

3 (4) provide proof of legal authorization to
4 reside and seek employment in the United States or its
5 territories;

6 (5) have [~~his~~] the applicant's educational
7 credentials evaluated by a board-approved credential evaluation
8 agency;

9 (6) pass all approved English proficiency
10 examinations as may be prescribed by the board if English is
11 not [~~his~~] the applicant's primary language; and

12 (7) participate in an interim supervised
13 clinical practice period as may be prescribed by the board.

14 C. The board may issue an interim permit to a
15 foreign-trained applicant who satisfies the board's
16 requirements. An interim permit shall be issued for the
17 purpose of participating in a supervised clinical practice
18 period.

19 D. If the foreign-educated physical therapist
20 applicant is a graduate of a college accredited by the
21 commission on accreditation in physical therapy education, the
22 requirements of Paragraphs (1), (2), (5) and (7) of Subsection
23 B of this section are waived.

24 E. An applicant for licensure as a physical
25 therapist assistant shall submit a completed application and
