SUMMARY

Synopsis of Bill

House Bill 150 would allow qualified electors to register to vote at any early voting center during primary and general elections. HB 150 requires a person to vote on a provisional ballot if: the person is not registered, or is not registered in the correct precinct; attempts to register to vote at an early voting site but the site does not have real-time access to the statewide electronic voter file; and would otherwise be eligible to vote at the early voting site.

FISCAL IMPLICATIONS

Unknown. The entities required to provide early voting services (county clerks) and pay election costs (SOS) did not respond to the request for analysis.
