SUMMARY

Synopsis of Bill

House Joint Resolution 12 proposes to amend the Constitution of New Mexico to provide staggered terms for members of the Senate and allow members to be candidates for both the Senate and another state office in the same election.

FISCAL IMPLICATIONS

Under Section 1-16-13 NMSA 1978 and the New Mexico constitution, the SOS is required to print samples of the text of each constitutional amendment, in both Spanish and English, in an amount equal to ten percent of the registered voters in the state. The SOS is also required to publish them once a week for four weeks preceding the election in newspapers in every county in the state. In 2014, the SOS estimated the cost per constitutional amendment to be \$15,217. However, if the ballot size is greater than one page, front and back, it would increase the cost of conducting the general election. In addition to the cost of the ballot, there will be added time for processing voters to vote and would mean additional ballot printing systems would be required to avoid having lines at voting convenience centers.
